The book can be used both as a self-study aid containing reference sections and practical exercises, and as classroom foundation material for students working towards 'A' level Spanish or similar higher-level programmes of language study. The focus throughout the book is on practical Spanish for daily communication, ensuring wide exposure to accurate language syntax and up-to-date lexis. The ten Units introduce grammatical structures and vocabulary seamlessly by means of easy-to-follow dialogues. Grammatical rules are explained clearly and concisely and are followed by practical exercises for consolidation. Vamos al grano! builds on students' prior knowledge of simpler structures of grammar and vocabulary and carefully develops this knowledge by introducing and explaining more complex blocks of language so that students reach a desired higher level which enables them to communicate in Spanish with more ease and fluency in both their written and spoken language.
