Title: "Leila's And Kim's Pre-college Vocabulary in Context and Graded Grammar Exercises" This Workbook {is a valuable tool put forward for the benefit of aspiring Leila and ambitious Kim and their high school and pre-college peers who would use it to enrich their repertoire of vocabulary and review their English Grammar to help them cope with their post high school and college requirements and to satisfy their search and eagerness to using the language smoothly and with confidence. In fact, in order to respond to Leila's strong desire to learn and Kim's tremendous love of developing language proficiency, this Workbook contains a large number of Vocabulary Exercises totaling more than 200 which are intended to help enrich users by more than 3000 words of common use, most of which are part of the International Word List and carly college textbook items, in addition to the many other items used in the multiple-choice-question distractors. Similarly, there are more than 200 Grammar Exercises of 20 items each.

Both the Vocabulary and the Grammar Exercises are supplied with answers at the end of each exercise to facilitate reference instead of having tables appended at the end of the book, which are not usually referred to by many users. A user of the Workbook, however, should only look at the answers once he or she has finished the exercise to compare the answers. The context sentences used in the Workbook are simple and are meant to please Kim and thrill Leila rather than frustrate their efforts or waste their valuable time. The review exercises have not been haphazardly written, but are the result of many years of working with the likes of Leila and Kim here and abroad as well as personal involvement in program development, text and test writing, research and note-taking in order to decide the context in which an item should fit. Finally, whether the user of this Workbook is a high school student, a pre-college or university student, or a job seeker, it is certainly an excellent tool in hand and 'A Road to College and Career Success' only if the exercises are given the time and the effort required!

A concise introduction to Turkish grammar, designed specifically for English-speaking students and professionals.

An Introduction to English grammar provides a comprehensive overview of all aspects of English grammar, and can be

used in the classroom, for self-study, or as a reference book. The book is organised in two parts – on grammar and its applications – and provides everything a beginning student needs to get to grips with the theory and practice of English usage, including sections on style, punctuation and spelling. This third edition has been fully revised and updated to include an expanded section on English in Use, usage notes highlighting common errors, updated exercises, a glossary and a companion website with further graded exercises.

In the present age of Information and Communication Technology (ICT) revolution and social networking scenario, fast and precise communication has become the need of the hour. But in the whirlwind of fluency, accuracy cannot be sacrificed. Sometimes, adequate attention is not paid to the use of grammar and usage, which leaves a very bad impression on the readers. This book on English grammar presents the topics in an innovative way and meets the long-felt need of a good user-friendly grammar book. The book makes the study of grammar very interesting, challenging and exciting. It discusses grammatical categories, processes and principles of sentence construction in a very simple and lucid manner. The book starts with the discussion of word classes and goes on to describe phrases and sentences. More importantly, it deals with the problem areas of tenses, modal verbs, articles, determiners, prepositions, passive constructions and direct and indirect narration in a novel way. The composition section of the book includes a very useful presentation of letter-writing, precis-writing, report writing, reading comprehension and, above all, the use of vocabulary. The Appendices on how to avoid spelling errors and a complete list of the types of sentences are very useful. This comprehensive and well-researched book should prove very valuable for undergraduate students of all streams. Besides, professionals, those preparing for competitive examinations and even any lay reader who wishes to possess the essentials of English grammar and usage will find the book useful and interesting. In the Second Edition of the book the introduction of two new chapters on error analysis and functional grammar will prove very useful to interviewees and competitors..
