

## Grandpas Indian Summer

Suffering a fall on the Island of Long Island Bahamas, the heroine forces herself to answer the question, What is my purpose in life? Fearing death, she questions wheatear God wants her or not. Guiding her on this journey are the likes of Alice in Wonderland , movie stars, and dead relatives. They force her into accepting her own mortality, even as she attends her own funeral. The story is told from her hospital bed by way of flashbacks. Among her flashbacks are visits to the Joe McCarthy and Apartheid era of the 1940-50 s. There is humor, beginning with Bobby Darin s Splish-Splash recording, to assisting the airline pilot in landing the plane, and tears as she relives her kidnapping and other childhood molestations. She discovers her own mechanisms of surviving.

This is the second book about the lovable Grandpa who invites his grandchildren back to Calcutta. The author draws the reader into the colour and magic of India while her funny and poignant stories and adventures cross every culture and boundary.

When Mary Margaret Masters inherits an antebellum home in another state, her well-ordered, hectic life is in for some analysis and an awakening to her own needs. Unprepared to acknowledge that her life is less than perfect, this is the story of one woman who, in her fifties, believing her life is all it should be, is confronted with the reality that her own interests have been put aside too long. Suddenly she has the opportunity to make major changes. How she deals with love, obligation, commitment, loyalty, guilt, and the insecurity a new direction for her life would bring records the story of her courageous transition from who she thinks she is to who she actually is. Set in a spell-bindingly beautiful antebellum home, its magnificent grounds, and the historic beauty of Charleston's Ashley River Road, she must finally and conclusively decide what must be done about the future of Myrtlewood and what must be done about her own life. This novel is about choices and about unexpected transitions.

This novel is based on fact. Though it is based on fact, this novel uses fictional events, places and characters. Parts of the novel are humorous, while other parts are exciting and interesting. I am attempting to follow the lives of my father's parents, John and Elizabeth Taylor, from the time of the Civil War, their marriage, their lives and adventures in different states, their travels across the country by wagon train and their lives in Tacoma, Washington. My dear aunt told me stories many years ago. Some I remember and some I remember only parts of. She was a very young girl at the time and experienced many of these things. I learned many things by asking questions. When relatives and people learned that I was interested in writing a book of this nature, they came forward with letters and stories of their own that I was able to use. Grandpa John was a tailor and made his living this way. Later in years he became fascinated with the railroads and became an engineer. I found this book to be fascinating to write and wishing that I could have been there and lived in such times before the machine revolution changed the world.

A collection of sixteen short stories by Virginia Driving Hawk Sneve.

"Indian Summer is the newest collection of personal essays by Sam Pickering. In typical Pickering fashion, he seeks to capture the gift of living. He brings to the page again his family, students, and a wealth of country characters who live in places that exist only in his imagination and who wander through the stories he tells." "He describes how his life has been altered by his children leaving home for college, and he ponders the changes aging brings and the things that never change. The consummate teacher, he celebrates academic life and the pleasures of the classroom. Readers will roam familiar ground with Pickering as he explores the fields and small hills of eastern Connecticut and the bogs and woods on his farm in Nova Scotia." --Book Jacket.
