This book provides a clear and detailed description of how to perform Hajj and Umrah. It not only covers the legal aspects of the journey but the rational, spiritual, and historical aspects as well.

The authors have drawn on their own experience of living in Saudi Arabia for 23 years to write A Guide for Hajj and 'Umrah. It is an enlightening spiritual and practical guide for the sacred journeys of Hajj and Umrah. Its a guided tour through a number of very meaningful emotional and religious experiences. But its also so much more... It is a journey of self-discovery as well as the discovery of Islam. Its a primer on Islamic practices that will undoubtedly intrigue and captivate both Muslim and Non Muslim audiences through engaging story-telling. The text itself is well written and simple, getting straight to the heart of the matter of proper religious observance and practice on what may rightly be called the pilgrimage of a lifetime... The photographs displayed near the end of the book are astounding and original, especially for readers from Non Muslim countries, who have in all probability never before seen such sights as the spellbinding, pure-as-snow brightness of Masjid-Nabawi at night, or the sober splendor of the Prophet's Mosque. Interspersed with the practical maps, tips and guides that all pilgrims will appreciate are the most beautiful and heartfelt invocations and prayers to Allah, the Most Powerful and Compassionate, as well as a thrilling narration of Islam's early history and lore. Particularly moving and evocative is the beautifully retold beginning of sa'ee, "the struggle" as an act of absolute trust in Allah, as displayed by a desperate and lonely Hajar. Especially touching and profound is the authors recommendation to work hard on understanding the du'as recited as a pilgrim, instead of "simply carrying pamphlets and reciting them in blind fashion without understanding their meaning." Such a warning is a necessity, as casualness might well impair the sincerity of the appeal, which should come straight from the pilgrim's heart. In short, this book is truly the perfect companion for a deeply spiritual and personal pilgrimage to the heart of Islam."

INTRODUCTION Hajj, the fifth pillar of Islam, brings together Muslims of all races and creed to adopt two unidentifiable white pieces of cloth in an awesome demonstration of Islam's total disregard of insignificant issues like race, social position and nationality. Annually, several million people make the pilgrimage to Makkah from every corner of the globe, providing a unique opportunity of those different nations to meet one another, making it the largest gathering in the world. It is a clear-cut act of worship, but also it is symbolic and represents the spirit's return to its place of origin. Hajj is an essential duty (fardh) for all Muslims, who are physically and financially able to perform it. Allah Ta'ala has prescribed certain rites that a pilgrim should uphold for his pilgrimage to be correct. The primary condition is intention (niyyah), while the others will be mentioned in their places. The meaning of the pilgrimage (Hajj meaning effort) is to leave all worldly activities aside and go forth to meet Allah Ta'ala. The purpose of Hajj is to develop consciousness of Allah Ta'ala and

also spiritual upliftment. It is also an opportunity to atone sins collected throughout life. Prophet Muhammad [PBUH] had said that a person who performs Hajj properly "will return as (sinless as) a newly born baby. Due to the usual practice of Umrah being performed before the Hajj, it was deemed appropriate that this publication starts with Umrah. The first part of this book deals with the procedures of Umrah. It clearly outlines the entire procedure of how Umrah should be performed, explaining each part of Umrah individually and giving a breakdown of which actions are necessary and which one's are Sunnah and virtuous. Thereafter the rites of Hajj are described in full in the same clear distinctive manner. Starting from the explanation of the three types of Hajj and how they differ. The "Hajj at a glance" diagram has been specially made to assist the Hajji in simplifying the procedure further.

This book aims to help prepare travellers for both their trip to Saudi Arabia and the sacred Pilgrimage itself. The rites of Hajj and Umrah are clearly explained, and relevant prayers and supplications are provided in both Arabic and English. A final chapter is provided detailing a visit to Madinah.

This guide especially for Muslim Women, will provide you with a detailed step by step guide on how to perform the Hajj and Umrah rites as well as provide you with example Dua's for each ritual.

It is not only the holy cities of Mecca and Karbala to which Muslim pilgrims travel, but a wide variety of sacred sites around the world. Journeys are undertaken to visit graves of important historical and religious individuals, the tombs of saints, and natural sites such as mountaintops and springs. Exploring the richness and diversity of traditions practiced by the 1.5 billion Muslims across the world, Sophia Rose Arjana provides a rigorous theoretical discussion of pilgrimage, ritual practice and the nature of sacred space in Islam, both historically and in the present day. This all-encompassing survey covers issues such as time, space, tourism, virtual pilgrimages and the use of computers and smartphone apps. Lucidly written, informative and accessible, it is perfectly suited to students, scholars and the general reader seeking a comprehensive picture of the defining ritual of religious pilgrimage in Islam.

Crucial to understanding Islam is a recognition of the role of Muslim networks. The earliest networks were Mediterranean trade routes that quickly expanded into transregional paths for pilgrimage, scholarship, and conversion, each network complementing and reinforcing the others. This volume selects major moments and key players from the seventh century to the twenty-first that have defined Muslim networks as the building blocks for Islamic identity and social cohesion. Although neglected in scholarship, Muslim networks have been invoked in the media to portray post-9/11 terrorist groups. Here, thirteen essays provide a long view of Muslim networks, correcting both scholarly omission and political sloganeering. New faces and forces appear, raising questions never before asked. What does the fourteenth-century North African traveler Ibn Battuta have in common with the American hip hopper Mos Def? What values and practices link Muslim women meeting in Cairo, Amsterdam, and Atlanta? How has technology raised expectations about new transnational pathways that will reshape the perception of faith, politics, and gender in Islamic civilization? This book invokes the past not only to understand the present but also to reimagine the future through the prism of Muslim networks, at once the shadow and the lifeline for the umma, or global Muslim community.
