

Halloween Stories Spooky Short Stories For Kids Halloween Collection Book 3

Welcome, foolish mortals, to spooky Halloween stories about all things Disney! Step into the dead center of the book to learn about the ghosts, devils, witches and other nightmare creatures that haunted the magical worlds of Disney to give us all moments of humor and horror. Chapters are devoted to Disney animation, Disney live-action movies, Disney theme parks, Disney witches and much more including the Ben Cooper Halloween costumes, the Halloween comic book stories of Carl Barks, Walt Disney's connection to Halloween, and Disney Halloween television specials among many other things. While living in Marceline, Missouri as young boys, Walt Disney and his older brother Roy loved exploring and playing in an old house that was rumored to be haunted. Some unknown incident happened on one of those visits and they never returned but it effect Walt even though he never spoke of it again. Did actor Bela Lugosi famous for his portrayal of Dracula actually pose for the Chernabog demon in Fantasia (1940) using his Dracula cape? Why was the Silly Symphony short The Skeleton Dance (1929) considered too grotesque to be shown to theater audiences? What were the secret stories behind Billy the Zombie in Hocus Pocus (1993) in his own words? What were the behind-the-scenes shenanigans in the Halloweentown made-for-television movies? What details are at Walt Disney World's Twilight Zone Tower of Terror that don't exist at any other version of the attraction at other Disney theme parks worldwide? What was the story behind Imagineer Yale Gracey who created so many of the iconic special effects in The Haunted Mansion including quotes from people who knew and worked with him? Discover what made the Wicked Witch from Snow White, The Marvelous Mad Madam Mim, and The Enchanting Magica De Spell some of the most memorable and beloved spell-casters around the world for decades. And there's much more to enhance your trick-or-treating fun with over a dozen additional short stories about Disney's connections with the Halloween holiday. Dedicated to Jack Hannah, the director of the Disney Halloween short Trick or Treat, who was the first Disney animator I ever interviewed and who always gave me little treats of information. Like me, he loved that particular cartoon and, of course, the lesson that was in its theme song: "Trick or Treat. Trick or Treat for Halloween. When ghosts and goblins by the score ring the bell on your front door, better not be stingy or your nightmares will come true."

Fourteen terrifying ghost stories chosen by the master of the macabre, Roald Dahl. 'Spookiness is the real purpose of the ghost story. It should give you the creeps and disturb your thoughts . . .' Who better to choose the ultimate in spine-chillers than Roald Dahl, whose own sinister stories have teased and twisted the imagination of millions? Here are fourteen of his favourite ghost stories, including Sheridan Le Fanu's The Ghost of a Hand, Edith Wharton's Afterward, Cynthia Asquith's The Corner Shop and Mary Treadgold's The Telephone. Roald Dahl, the brilliant and worldwide

from their most intimate and terrifying fears. The Mammoth Book of Halloween Stories brings you a dark feast of frightening fiction by some of the most successful and respected horror writers working today, including Ramsey Campbell, Neil Gaiman, Joe R. Lansdale, Helen Marshall, Richard Christian Matheson, Robert Shearman, Robert Silverberg, Angela Slatter, Steve Rasnic Tem, and many more, along with a very special contribution by award-winning poet Jane Yolen. Here you will encounter witches, ghosts, monsters, psychos, demonic nuns, and even Death himself in this spooky selection of stories set on the night when evil walks the earth . . .

Brave bear hunters go through grass, a river, mud, and other obstacles before the inevitable encounter with the bear forces a headlong retreat.

A vengeful phantom lurks in a country graveyard. A whaling crew becomes trapped on a haunted ship. A human skull is kept locked in a cupboard, but sometimes at night, it screams. . . . This collection of tales transports the reader to a time when staircases creaked in old manor houses, and a candle could be blown out by a gust of wind, or by a passing ghost. Penned by some of the greatest Victorian novelists and masters of the ghost story genre, each story is illustrated with exquisitely eerie artwork in this special gift edition featuring an embossed textured case and a ribbon marker.
