Windows 8.1 continues the evolution of the most radical redesign in Microsoft's history. It combines the familiar Windows desktop with a new, touchscreen-friendly world of tiles and full-screen apps. Luckily, David Pogue is back to help you make sense of it—with humor, authority, and 500 illustrations. The important stuff you need to know: What's new in 8.1. The update to 8.1 offers new apps, a universal Search, the return of the Start menu, and several zillion other nips and tucks. New features. Storage Spaces, Windows To Go, File Histories—if Microsoft wrote it, this book covers it. Security. Protect your PC from viruses, spyware, spam, sick hard drives, and out-of-control kids. The network. HomeGroups, connecting from the road, mail, Web, music streaming among PCs—this book has your network covered. The software. Media Center, Photo Gallery, Internet Explorer, speech recognition—this one authoritative, witty guide makes it all crystal clear. It's the book that should have been in the box.

This book is the result of a unique experience: a research mathematician teaching in an elementary school. It summarizes this experience and quickly became a bestseller in Israel. It tells about a fascinating discovery made by the author that elementary mathematics has a lot of depth and beauty, and that the secret to its teaching is to understand its deep points. The first part of the book discusses the nature of mathematics and its beauty. The second part tells about the teaching principles the author distilled from his experience. The third part is an excursion through the arithmetic studied in elementary school, accompanied by personal stories, historical anecdotes and teaching suggestions. The appendix relates the fascinating story of modern day politics of mathematical education. This is a unique guide for parents and teachers, describing vividly and informally the principles of teaching mathematics in elementary school. It is written from the perspective of a mathematician, and goes into the delicate mathematical points that are the secrets to teaching well.

After launch of Hemang Doshi's CISA Video series, there was huge demand for simplified text version for CISA Studies. This book has been designed on the basis of official resources of ISACA with more simplified and lucid language and explanation. Book has been designed considering following objectives: \* CISA aspirants with non-technical background can easily grasp the subject. \* Use of SmartArts to review topics at the shortest possible time. \* Topics have been profusely illustrated with diagrams and examples to make the concept more practical and simple. \* To get good score in CISA, 2 things are very important. One is to understand the concept and second is how to deal with same in exam. This book takes care of both the aspects. \* Topics are aligned as per official CISA Review Manual. This book can be used to supplement CRM. \* Questions, Answers & Explanations (QAE) are available for each topic for better understanding. QAEs are designed as per actual exam pattern. \* Book contains last minute revision for each topic. \* Book is designed as per exam perspective. We have purposefully avoided certain topics which have nil or negligible weightage in cisa exam. To cover entire syllabus, it is highly recommended to study CRM. \* We will feel immensely rewarded if CISA aspirants find this book helpful in achieving grand success in academic as well as professional world.

Teach writing skills using the Four Square method, which has been proven to work in classrooms just like yours. This revised and updated edition of the book also includes PowerPoint files filled with additional Four Square examples, activities, and writing exercises. The Four Square method can be used with all forms of writing and will fit any reading or language arts program. This step-by-step approach is built around a simple graphic organizer that first shows students how to collect ideas and then helps them use those ideas to create clear and polished prose. Open-ended reproducibles make the technique accessible to writers of all ability ranges. It is also great for content area writing.

Get creative with this super cute lined Notebook Journal for Kids! This French ruled paper workbook also known as Seye ruled paper. Filled with 100 pages If you are interested in spending some time on your handwriting, French ruled paper, or Seyes ruled paper, could be something to help you out. Calligraphers also use this paper, sometimes ignoring the rules for standard handwriting, but using the lines to help get a consistent size. Use this ruled paper to practice handwriting skills. Become more proficient at letter formations, size and spacing. There are three light lines between two darker lines. The letters start on the bottom darker line. There are five rules for writing using the Seyes ruled paper. 1. Capital letters go up to the third line. 2. Lower case letters; a, c, the round portions of d or p - go up to the first line. 3. The loop branches of b, f, h, k, & l go up to the third line. 4. The straight branches of d, and t go up to the second line. 5. f, g, j, p, q, y, z - go down two lines below the main body of the letter. Use this notebook to practise your handwriting in French language.

Relearn the beautiful art of cursive handwriting! In this type, tap and swipe world, you have few opportunities to write in cursive. As a result, your skills diminish. Then, when the critical moment arises and you need to personally write something in your own hand, the results are not very impressive. In fact, they're embarrassingly bad. Written and designed specifically for an adult audience, this book's program for relearning cursive is guaranteed to take your penmanship to a new level. You will relearn the strokes and techniques and practice with the workbook pages. The instructions are easy to follow but designed for adults, so they present the information in a more compelling way. You'll find no "a is for apple" practice pages in this book. The exercises and sample pages are geared specifically for a more mature audience to help you relearn and practice cursive handwriting in a fun and friendly way.
