A storybook celebrating Thomas the Tank Engine's birthday--plus stickers, a party game, and a poster! Train-loving boys and girls ages 3 to 7 can celebrate Thomas the Tank Engine's best birthday ever with this Thomas & Friends storybook featuring stickers, a poster, and a party game! In the early 1940s, a loving father crafted a small blue wooden train engine for his son, Christopher. The stories that this father, the Reverend W Awdry, made up to accompany the wonderful toy were first published in 1945 and became the basis for the Railway Series, a collection of books about Thomas the Tank Engine and his friends--and the rest is history. Thomas & Friends(TM) are now a big extended family of engines and others on the Island of Sodor. They appear not only in books but also in television shows and movies, and as a wide variety of beautifully made toys. The adventures of Thomas and his friends, which are always, ultimately, about friendship, have delighted generations of train-loving boys and girls for more than 70 years and will continue to do so for generations to come.

When Bertie won't race with him and the Fat Controller sends him to the Steamworks, Thomas thinks he's not a Really Useful Engine anymore. But little does he know that the Fat Controller and the rest of Thomas' friends are planning a party to celebrate his birthday!
