From New York Times bestselling author Lexi Ryan comes a sexy new standalone romance about a woman torn between two men from her past, searching for missing memories that could hold the key to her future. I'm in love with a man who tried to kill me. At least that's what they tell me . . . Six weeks ago, paramedics found me unconscious in my own home. Beaten. Bruised. Hardly breathing. When I woke up, I couldn't remember the last three years or anything about my life in Jackson Harbor. They tell me my fiancé, Colton McKinley, is on the run for what he did to me. They tell me I'm safer if I stay away. I don't care if my memories ever come back. I want nothing to do with those missing years . . . until a sexy stranger with angry eyes shows up on my doorstep and demands I stop ignoring him. Levi Jackson is my fiancé's best friend, but seeing him sparks something inside me. As the truth unravels in my mind, I know they're wrong about Colton. My own secrets are far more dangerous than the man I was engaged to. I return to Jackson Harbor to search for answers and find myself running from a faceless boogeyman and seeking refuge in Levi's arms. And in his bed. I can't deny my feelings for Levi. But as the pile of lies between us grows, I realize that sometimes the truth can't set us

free. Sometimes, it's the very thing that can destroy us.

The entire New Buffalo Harbor, located on the southeast shore of Lake Michigan, the proposed breakwater system, and sufficient adjacent shoreline and offshore bathymetry to permit accurate simulation of storm-wave action were reproduced in a 1:75-scale hydraulic model equipped with wave-generating and wave-height-measuring devices. The purpose of the model investigation was to determine the efficacy of the proposed breakwater system in providing a haven of refuge and protection for pleasure craft and fishing boats in the harbor during storm-wave action.
