Honolulu --where surfers and hula dancers mingle on pristine beaches beneath a volcano. The capital of paradise, Honolulu is more than just the gateway to surf, sand, and sun. Beyond the beaches and behind the palm-lined streets there's a bustling city of culture and the arts, of fine dining and clubs. It's a city by the sea where cultures melt and mingle and the beautiful surroundings are a backdrop for even more incredible goings on. The Monocle team has set sail to bring back more than just picture postcard sunsets, reporting on the vibrant nightlife in Chinatown, the starred chefs and farmers markets, the pan-Pacific arts scene, and more. This guide also provides unique possibilities for getting away from it all: make Honolulu your base for hikes up volcanic mountains and relaxing beach excursions --or finally learn how to surf. The city is truly a world apart. And now you've got the key.

OUR STORY Traveling is a passion of the Greater than a Tourist book series creator. Lisa studied abroad in college, and for their honeymoon Lisa and her husband toured Europe. During her travels to Malta, an older man tried to give her some advice based on his own experience living on the island since he was a young boy. She was not sure if she should talk to the stranger but was interested in his advice. When traveling to some places she was wary to talk to locals because she was afraid that they weren't being genuine. Through her travels, Lisa learned how much locals had to share with tourists. Lisa created the Greater Than a Tourist book series to help connect people with locals. A topic that locals are very passionate about sharing.
