

less respectable. Yet, while in the annals of those few of our predecessors, to whom this species of writing is indebted for being saved from contempt, and rescued from depravity, we can trace such names as Rousseau, Johnson,(1)Marivaux, Fielding, Richardson, and Smollett, no man need blush at starting from the same post, though many, nay, most men, may sigh at finding themselves distanced. The following letters are presented to the Public-for such, by novel writers, novel readers will be called,-with a very singular mixture of timidity and confidence, resulting from the peculiar situation of the editor; who, though trembling for their success from a consciousness of their imperfections, yet fears not being involved in their disgrace, while happily wrapped up in a mantle of impenetrable obscurity. To draw characters from nature, though not from life, and to mark the manners of the times, is the attempted plan of the following letters. For this purpose, a young female, educated in the most secluded retirement, makes, at the age of seventeen, her first appearance upon the great and busy stage of life; with a virtuous mind, a cultivated understanding, and a feeling heart, her ignorance of the forms, and inexperience in the manners of the world, occasion all the little incidents which these volumes record, and which form the natural progression of the life of a young woman of obscure birth, but conspicuous beauty, for the first six months

Available either with or without an answer key (for classroom use or self-study), this grammar book deals with problems encountered by ELT students at elementary level. It draws on everyday situations, real people and the student's own experiences to provide help in understanding the language.

Reference and practice sections are graded in difficulty, to make the book suitable for students from beginner to upper-elementary level. Grammar points are introduced in the order in which students will meet them in most coursebooks, and the book has an American English appendix.
