The Bible has a way of shocking us. If Americans could still blush, we might blush at the words, "Rejoice in the wife of your youth, a lovely deer, a graceful doe. Let her breasts fill you at all times with delight; be intoxicated always in her love" (Proverbs 5:18-19). But, of course, sin always tries to trash God's gifts. So we can't just celebrate sex for what God made it to be; we have to fight what sin turned it into. The contributors to this unique volume encourage you to do both: celebrate and struggle. This book has something for all-men and women, married and single-from contributors like John Piper, C. J. and Carolyn Mahaney, Mark Dever, Al Mohler, Carolyn McCulley, and others.

shattered marriage. Her husband, Louis of France has been more monk than monarch, and certainly not a lover. Now Eleanor of Aquitaine has one sole purpose: to return to her duchy and marry the man she loves, Henry Plantagenet, destined for greatness as King of England. It will be a union founded on lust, renowned as one of the most vicious marriages in history, and it will go on to forge a great empire and a devilish brood. This is a story of the making of nations, and of passionate conflicts: between Henry II and Thomas Becket; between Eleanor and Henry's formidable mother Matilda; between father and sons, as Henry's children take up arms against him - and finally between Henry and Eleanor herself.

Scrolls of Love is a book of unions. Edited by a Christian and a Jew who are united by a shared passion for the Bible and a common literary hermeneutic, this volume joins two biblical scrolls and gathers around them a diverse community of interpreters. Respectful of traditional biblical scholarship, the collection of essays moves beyond it; alert to contemporary trends, the volume returns venerable interpretive tradition to center stage. Most significantly, it is interfaith, bringing

together two communities that have read their Bibles in isolation from one another, in ignorance of the richness of the others traditions.
