This best selling learning package uses a simulation approach to provide students with a working knowledge of the most common medical reports. Reports transcribed include history and physical examination, operative, pathology, radiology, and discharge summary.

Includes suggestions for teaching the course, evaluation procedures, and production standards. It also includes the transcripts for 10 outpatient case studies and 25 outpatient medical reports and correspondence, 10 written quizzes with answer keys that correlate with case studies, 3 written quizzes with their answer keys that correlate to the prefixes, combining forms, and suffixes, a written review of grammar, punctuation, style, and rules plus the solutions, and answer keys to the proofreading exercises and crossword puzzles. It also includes an instructor's resource CD-ROM that contains the Microsoft Word files to every report in the Instructor's manual plus instructions on how to use the compare feature.

Traditional Chinese edition of Zoo by Anthony Browne, the award winning children's author. With his usual uncanny wit, Browne describes a less than perfect family outing to the zoo with mom, dad and little brother and leaves some food for thought. In Chinese. Distributed by Tsai Fong Books, Inc.

This innovative text uses a simulation approach to give readers interested in healthcare documentation and medical transcription careers a working knowledge of medical reports common in both acute and chronic care settings. Readers have access to transcription of 107 patient medical reports, including 56 new reports exclusive to the Eighth Edition. This edition also features 20 new speech recognition technology/medical editing (SRT) reports, as well as information on electronic health records (EHRs), quality assurance (QA), and scribes to keep readers up-to-date on the latest advances in the field. Organized by body system, the text includes full-color anatomy and physiology illustrations to make medical terminology easier to master. In addition, the authors have included a review of proper formatting, grammar, and style in accordance with the AHDI's BOOK OF STYLE, and a master glossary list compiles key terms in one section for convenient study and quick reference.
