Love is sweetest the second time around. A full-length, standalone, contemporary romance. An idealistic woman. A naïve man. A life-shattering mistake. Juliana is relentless, driven, focused. An archaeologist, she's clawed her way to the top of the heap. It's a lonely heap, but the only man she ever loved proved men aren't worthy of her time. Discarded by the woman of his dreams midway through college, Brice never offered his heart again. A world-recognized expert on lung diseases, he has his work. Usually it's enough. It's almost Christmas, and Juliana is called home from a dig to see her dying twin one last time. She and Brice are thrown together after a fifteen-year hiatus. She tells herself nothing's changed, but her heart sings a different song. If she listens to it, there's only one true love.

Series Backstory Sometime between the interminable wars in the Middle East and 9/11, the United States bred a race of super soldiers. Clandestine labs formed, armed with eager scientists who'd always yearned to manipulate human DNA. At first the clones looked promising, growing to fighting size in as little as a dozen years, but V1 had design flaws. Seven years ago, a rogue group turned on their creators, blew up the lab, and hit all the other breeding farms, freeing whomever they could find. In the intervening time, they retreated to hidden compounds and created a society run by men. Women are kept on a tight leash because the men fear if they discover their innate power, they'll launch their own rebellion.

Winning Glory Being a genetically altered human without a name grew old, so Glory named herself. Surrounded by a maze of unpleasant alternatives, she makes a bold choice and ends up a fugitive in the midst of a Minnesota winter. CIA agent, Roy Kincaid, devoted his career to hunting super humans who staged a rebellion seven years before. He's not making much headway, so he goes deep undercover. One blustery night, a striking woman staggers into the café where he's catching a late meal. Part waif, part runway model, the half-frozen woman arrows straight into his heart. Glory's flat out of alternatives, but death in the storm might be preferable to telling the tall stranger looming over her anything. Sensing Roy is dangerous, she pushes into his head seeking clues and discovers he hunts those like her. Maybe she can fool him, just for tonight. Get a hot meal and dry motel room out of the deal. If she's lucky, he'll never find out she's on the run from the same group he's targeted for death. The thing she didn't count on was falling in love. Honor Bound Honor takes a huge chance and flees her compound one wintry night. A genetically altered woman, she has no memories from before a rebellion seven years before. Because of her enhanced physiology, she finds a home working for the CIA alongside four other women just like her. There are still plenty of rules, but they're different, and she's figuring out how to blend in. Milton Reins burns through women and marriages. After the third one implodes, he swears off hunting for a replacement. Running the CIA is a more than fulltime job. There's no time for anything else in his life, which is fine until Honor comes along. Training in the gym throws their bodies together, and makes him

witness to multiple murders. When the mate bond strikes, she fights its pull. So does Blake. He can't believe the gods would be so cruel as to bind him and his lieutenants to a woman with blood ties to Hunters—their ancient enemy. She runs from her fate. So does he, but the bond burns bright, transcending everything. PRAISE FOR THE WOLF CLAN SHIFTER SERIES: "Let's hear it for the mate bond. WHEW!! What an ALPHATASTIC story! And WOW! I don't know how my tablet didn't melt!" Goodreads review "Ann Gimpel does a great job of making the characters speak like they are in the correct time period. The story was credible of its era. She also set a good foundation for the series explaining the relevance of the hunters and the lack of mates." Goodreads review "This story is super HOT and it kept me intrigued through each and every chapter. I love Ann's writing style and Alice's Alphas definitely did not disappoint. Highly recommend this steamy shifter tale!" "I was intrigued to read something from this time period and wasn't disappointed. I found myself several times looking up things like flashlights, cars and phones out of curiosity. This is the first book I've read by this author and it won't be the last. I liked her take on the Shifters and Hunters; and the magic was something unique too." Shifters keep their friends close and their enemies closer in a shadowy world where the line between hunter and hunted thins, blurs, and finally shatters Futuristic Shifter Paranormal Romance Author's Note: Blood Bond is book three in the Underground Heat Trilogy. All three novels are full length shifter romances with happy-ever-after endings! You can buy the books individually, or in the boxed set titled Underground Heat. Head of the shifter underground's security force, Johannes has his hands full. When Max, the underground's leader, is almost killed by sniper fire, Johannes breaks a cardinal rule to save his friend and makes a discovery about himself that changes everything. Daria's been a healer in one capacity or another for hundreds of years, but wholesale slaughter aimed at wiping out her kin is something new. Called to the

governor's mansion after Max gets shot, she finds him wallowing in a river of his own blood. By rights he should be dead. She questions Johannes, but he remains stubbornly silent—after telling her an outright lie. If Johannes wasn't so knockout gorgeous, and she wasn't so wiped out, Daria would've left after treating Max. Instead, Johannes talks her into staying, then orders her to work for the underground. As head of security, it's his right to commandeer personnel. Daria is torn. Johannes is the most compelling man she's ever met, but he's also arrogant. Compounding the problem, her cat thinks he's their mate. After he runs roughshod over her, she doesn't care about anything except getting as far away from him as she can, but escape isn't possible. A series of lethal attacks throw Daria into Johannes's path—and keep her there. He's desperately attracted to her, but anything beyond sex with any woman isn't part of his life plan. His cat says she's their mate, but it doesn't alter Johannes's staunch refusal to consider anything that might turn into love. He has his reasons. They've served him well, and he sees no reason to change them now.

PRAISE FOR THE UNDERGROUND HEAT SERIES: “What a great read!! This one combines two of my fav things sci-fi and shifters!! Oh and loads of steamy action!!” Goodreads review “Ann Gimpel does it again, another fantastic shifter book! I loved the futuristic spin on the shifter tale, it's the first I've read of its kind. The characters were loveable, the story engaging. Romance Readers Retreat” “Ann Gimpel is frickin awesome!!!!!!!!!! I cannot explain how much I loved this book, the way she writes is so expressive, imaginative and real!” Goodreads Review “Excellent start to a new series by Author Ann Gimpel. I love her take on shifters and a futuristic California. The story is easily followed yet rich and complex”

Power so old, deep, and chilling it hurts to think about it will overrun Earth if nothing changes. Targeted, furious, and fighting back, Aislinn runs wide open, gathering allies and putting her life on the line. Aislinn Lenear has traveled a long road since the dark gods invaded Earth better than three years ago. After seeing her father slaughtered in front of her, and her mother sink into madness, Aislinn built strong walls around her heart. First her bond wolf, and then Fionn MacCumhaill, changed all that, but she and Fionn are far from home free. Four of the six dark gods are still sowing destruction, and they've joined forces with Lemurians, a desperate lot, running just ahead of the tide of their own mortality. In a bold move, they try to coopt a group of young dragons, and very nearly succeed. Dewi, the Celtic dragon god, and Nidhogg, the Norse dragon god, banish their brood to the dragons' home world, but they refuse to stay put. In a fast-paced, tension-riddled closure to this dystopian, urban fantasy series, Earth's Hope sweeps from Ireland to the Greek Islands to the Pacific Northwest to borderworlds where the dark gods live. Fionn's and Aislinn's relationship is strained to the breaking point as they struggle to work together without tearing one another to bits. Fionn is used to being obeyed without question, but Aislinn won't dance to his tune. If they can find their way, there may be hope for a ravaged Earth.

Power is intoxicating. Anyone who says you can overdo it is either incompetent or a very good liar. I've chased down every scrap of additional magic that crossed my path, drained it, and started the hunt anew. My obsession hasn't made me much of a companion. I wouldn't have blamed my bondmate for leaving, but the snow leopard has stuck by my side. It pains me to admit he's my sole connection to my better nature. He tempers my penchant for blowing holes in the world and asking questions later. Not that he has a soft side. He doesn't, but we've taken care of each other for all the years in my memory. Information just fell into my lap. Critical material I should have picked up on if I'd been paying attention. My next stop is Grigori, the werewolf who heads up a gang of paranormal assassins. Once I was part his Circle, but I left to sharpen my seer skills. No matter how adept I became, scrying the future—or the past—didn't augment my power, so I moved on. Flitting from this to that to the other has been the story of my obscenely long life. No more. It's back to the Circle for the leopard and me. We'll remain as long as we're needed.

Running for her life, a frantic witch finds the man of her dreams. Can she trust him not to betray her? A dark fantasy, historical romance novella with witches, vampires, a hunky mage. And Black Magick. Hacked at with knives and tossed in the Danube, Melis Andresen is in desperate straits. Her tormentors are certain she's dead, or they wouldn't have let her go. With survival on the line, she leverages witchcraft and her training as a healer, and it's just barely enough. By the skin of her teeth, she survives the river running at flood stage and is asleep in a bedraggled heap next to a small fire, when a man walks out of the surrounding

there. He's no sooner arrived when a cab jumps the curb, and he races over to investigate. There's not much he can do for the cabbie, but his passenger is still very much alive. Trying to hustle Tamara out of the cab is tough. She's frozen by fear, but when Lars lays out the rest of his plan to move her out of danger's path, her temper flares. He can't leave her alone in Monte Carlo. Can he convince her to trust him in time to save her life?

The Rubicon International Series bundle contains the complete books of Garen and Lars. Garen Book Description: As an agent for an international espionage firm, Miranda has her hands more than full. Between secretly lusting after her boss, Garen, and making sure the dirty little secret about her double life as a wolf shifter remains hidden, she's still a virgin at nearly thirty. Sent to eliminate the head of a human trafficking organization in Amsterdam, she barely escapes with her life. Injured, frightened, and under attack the second her private jet lands in the U.S., she's not certain where to turn. Garen's watched Miranda just as surreptitiously as she's been eyeing him. Unfortunately, the fact that she works for him is a showstopper. Plus, he has a few secrets of his own that have kept him single. When Miranda insists on heading up a covert operation, he can't come up with a plausible reason to stop her. Watching her sprint headlong into danger damn near kills him. He wants to hold her, love her, protect her.

Miranda's life is on the line. Will Garen risk exposure to save her? Lars Book Description: Tamara MacBride has a much bigger problem than hiding her shifter side from the world. By the skin of her teeth, and with a smattering of Irish luck, she manages to kill her sister's murderer. Escaping from the scene of the crime is much harder than she anticipated. Just when she thinks she might be safe, her cab driver shrieks and slumps over the wheel. An unknown assailant terminates Lars Kinsvogel's target. Pleased by the outcome—after all dead is dead—he exchanges the glitz of Monte Carlo for a nearby airport, intent on collecting the private plane he left there. He's no sooner arrived when a cab jumps the curb, and he races over to investigate. There's not much he can do for the cabbie, but his passenger is still very much alive. Integrity Taylor should have been a Clan princess. Instead she's lived a life on the very periphery of society. Now that she's learnt more about her heritage, however, and the magic that she's capable of wielding, she's not going to hide in the shadows any longer. The once-in-

a-generation Sidhe Games are going to provide the perfect opportunity for her to win back her birthright - and the fact that she'll be going head to head, toe to toe and mouth to mouth with golden haired Byron Moncrieffe might just be the icing on the cake. This is the second book in the Highland Magic series.

Dark. Daunting. Unforgettable. Survival adds a demanding edge to love in the wilds. Urban fantasy romance laced with myth and magic. Book Description: *Alphas in the Wild* is an urban fantasy romance collection that contains three full-length books. *Hello Darkness*: Earth magics collide, forcing Moira Shaughnessy to take a chance on a man who hurt her so badly she never forgave him. A ranger for the U.S. Park Service, Moira is in serious trouble. Fleeing from her cheating husband, who's a Native American shaman, she stumbles into the arms of a man she never thought she'd see again. He hurt her once by choosing his magic over her. Would she be a fool to take a chance on him now? *Alpine Attraction*: Tina made a pact with the devil seven years ago. It's time to pay the piper—or die. Independent to the nth degree, Tina meets everything in her life head-on—except love. Caught between misgivings and need, Tina signs on as team doctor for one of Craig's climbing trips to the Andes. Though he was the love of her life, she pushed him away years before to keep him safe. Even if he doesn't love her anymore, there's still no one she'd rather have by her side in the mountains. And if she's going to die, she wants to make things right between them. *A Run For Her Money*: Sara's day begins like any other. A routine extraction in tandem with a local Search and Rescue team. Routine crashes to a halt when she ends up trapped in a hut, high in the Sierras. Four days later, running out of food for herself and her dog, she makes a bold dash for safety. Jared's walking the Muir Trail when all hell breaks loose. After hunkering beneath a boulder pile for days, he dares a difficult cross-country route, hoping it'll put him into position to approach a backcountry ranger station. He locates the station, but it's locked tight. He's packing up to leave when a helicopter lands, with Sara at the helm. There's no time to trade war stories. It takes a leap of faith, but they throw in their lot together. Can they face the impossible and come out the other side unscathed? **PRAISE FOR THE ALPHAS IN THE WILD COLLECTION:** "I love books with Magic in them and I loved how this book came at it from a completely different angle than I have read before, making this book a completely refreshing read. Some choices tear your heart out, but they can never be undone. Lara and Trevor flee Seattle in the wake of rising chaos. Demons converge on what's left of civilization, urging it to implode even faster. Constantly hungry, besieged by dark forces, Lara and Trevor need every resource they've developed as a couple to keep from ripping each other apart. Neither of them trust Lara's half-baked magic, but it's all that stands between survival and certain death for them and their unborn child. The remote location that was supposed to solve all their problems actually made them worse. Rash choices throw Trevor into a confrontation with his deepest fears, but he doesn't back down. Lara's life hangs in the balance, and he'll do anything to get her back. Anything.
