?????:The soul of a new machine

An authoritative overview of the developing field of public history reflecting theory and practice around the globe

This unique reference guides readers through this relatively new field of historical inquiry, exploring the varieties and forms of public history, its relationship with popular history, and the ways in which the field has evolved internationally over the past thirty years.

Comprised of thirty-four essays written by a group of leading international scholars and public history practitioners, the work not only introduces readers to the latest scholarly academic research, but also to the practice and pedagogy of public history. It pays equal attention to the emergence of public history as a distinct field of historical inquiry in North America, the importance of popular history and 'history from below' in Europe and European colonial-settler states, and forms of historical consciousness in non-Western countries and peoples. It also provides a timely guide to the state of the discipline, and offers an innovative and unprecedented engagement with methodological and theoretical problems associated with public history. Generously illustrated throughout, The Companion to Public History's chapters are written from a variety of perspectives by contributors from all continents and from a wide variety of backgrounds, disciplines, and

ruthless champion who has risen to the level of death incarnate. But The Reaper has collected a legion of enemies as he cut a bloody swath through the greatest of heroes and villains. And these dogs have finally had their day, exacting a revenge both cruel and creative. Wandering lost, horribly disfigured and unable to fight, Vykers stumbles across the bones of a half-buried skeleton that can transform his ruined body in an inconceivable way. But first he must make a devil's pact with... ARUNE A secretive, ghostly sorceress with ambitions of her own. If Vykers wants to wield a sword again, he must surrender to Arune that which he holds most dear. But can he trust this ethereal enchantress to hold up her end of their dangerous bargain? Vykers has few good choices, and he must make them quickly, for an impossibly talented and savage wizard has arisen to threaten all of humanity... THE END OF ALL THINGS Once an autistic boy hardly able to speak, The End has evolved into a supernatural terror bent on extinguishing all life. A fearsome and unequalled tactician, The End is the only person who doesn't fear "The Reaper." To have any hope of defeating this bloodthirsty mage, Vykers must gather the strangest, most dangerous cohort of killers ever assembled. Then he must seek out the only weapon that can defeat this terrible adversary... THE EPIC BATTLE Behold the greatest clash of men, monsters, and Fey that the kingdom has ever known. Vykers, at the head of his outnumbered contingent, launches a desperate attack against The End, with the fate of the world hanging in the balance. But The End is a creature worthy of his name. He has forged a secret weapon, a wicked and terrible instrument that will break through Vykers' defenses and exact a devastating toll. Only one thing is certain, this extraordinary battle will end in a way that no one could have predicted!
