How To Be Parisian Wherever You Are Love Style And Bad Habits By Berest Anne Diwan Audrey De Maigret Caroline Mas Soph 2014 Hardcover

From the best-selling authors of How to be Parisian, this book delivers the things smart, savvy, fabulous French women think, feel and advise as they hit 40--on life, love and everything else. Older, but Better, but Older has the playful wit, self deprecation and worldly advice we have come to expect from these best-selling authors, but now it is focused on the French woman's mindset as she hurtles towards 40. Caroline de Maigret and Sophie Mas are back to amuse you with how they find they are modifying their favorite bad girl behavior as they advise on beauty, love, seduction as well as lifestyle, family, work and living alone. They are still bohemian iconoclasts saying what you don't expect to hear. They will tell you things aren't what they used to be--When a thirty-year-old guy arrives at a party and does not even glance at you; when you wake up feeling great and everyone tells you how tired you look; you know you're an adult when you're excited just to go home. Neuroses vs confidence, resistance vs acceptance, passion vs serenity, de Maigret and Mas, through spirited short stories, capture the different stages of ageing--as nostalgic but modern Parisian women. From the privately absurd to the strangely universal, this book captures moments of everyday life that will make the reader nod, cringe and laugh out loud.

Includes The Claverings, by Anthony Trollope interspersed through vols. 1-3, 1866-67.

Septembre 1908. Gabriële Buffet, femme de 27 ans, indépendante, musicienne, féministe avant l'heure, rencontre Francis Picabia, jeune peintre à succès et à la réputation sulfureuse. Il avait besoin d'un renouveau dans son œuvre, elle est prête à briser les carcans : insuffler, faire réfléchir, théoriser. Elle devient « la femme au cerveau érotique » qui met

tous les hommes à genoux, dont Marcel Duchamp et Guillaume Apollinaire. Entre Paris, New York, Berlin, Zürich, Barcelone, Étival et Saint-Tropez, Gabriële guide les précurseurs de l'art abstrait, des futuristes, des Dada, toujours à la pointe des avancées artistiques. Ce livre nous transporte au début d'un xxe siècle qui réinvente les codes de la beauté et de la société. Anne et Claire Berest sont les arrière-petites-filles de Gabriële Buffet-Picabia.

Paris is a state of mind. When I'm there, I feel more creative, invigorated and young at heart, free to relax and reflect. Jazzed, (no pun intended) I see a painting around every corner. I feel as energetic as a teenager, ready to walk all day and dance all night, drinking and eating whatever I want. Sometimes, I fear I will never again feel that alive-and then I go back to Paris. Paris never fails me. Almost magically, I feel inspired and ready to tackle any obstacle. This is one reason I wrote this guide. I would love for everyone to discover my Paris. That's why I paint Paris almost every day. And that's why I curate a monthly subscription box-Passport to Paris. Details can be found on my website-
