excited about drawing - especially when it involves their favorite superheroes. This learn to draw book will be a perfect introduction for your kids. Sometimes, learning a new skill can be frustrating at first - no one can draw perfectly straight away. This means that sometimes children can become disinterested or even upset. Not with this book! The informative, engaging and simple step by step instructions will allow children to enjoy learning how to draw at their own pace. In order to improve, they first need to develop an enthusiasm, which is exactly what this book is for. In no time at all, they will be reveling in their new talent! What's more, learning to draw is a stepping stone for a huge array of other skills. In no time at all your child's hand-to-eye co-ordination will advance, which is important for everything from writing to playing music. You should encourage your child to appreciate the magic of art as soon as possible - not just because it is an important talent but because it is an entertaining pastime. This should come first and foremost. If you want them to become a great artist, it is important that you allow them to take their time and learn from their own mistakes. Your child will only develop a passion for art once they start to enjoy it, which is exactly what this book will encourage!
