fast, had children too young, and drink too much. Yet beneath their unpolished exteriors, these women are flesh and blood, and their wants and needs are as severe and deep as any. Davis's characters relate their stories in voices as complex and raw as their southern environment. Each tale may sound slightly familiar—an unwanted pregnancy, a fast car flying down a country road—but Davis moves beyond the familiar stories of the rural South to expose the gaps that connect these women, creating startlingly real and vibrant characters. Although often bleak and sometimes disturbing, *Her Kind of Want* is a celebration of southern people, their perseverance, their spirit, and their determination to make the ugly beautiful.

"We know by now that you have to work to get a girl to orgasm, and I mean a genuine orgasm. The sad truth is that most women end up faking an orgasm to avoid the awkward tension when her male knows he hasn't got her there. But not anymore. You now finally understand that the female orgasm is about more than just the physical act and you now know pretty much all you're going to need to get to that wonderful place." "I want you to remember exactly that. The orgasm isn't purely physical; the emotional and psychological elements are still so, so important. It's possible for a person to orgasm without even being touched. It's hard, sure, but it is certainly possible. I just need to demonstrate to you the significance of the mind here. It's a key part of getting a female to her ultimate climax. Think about tantric sex. Now, you might not know a lot about tantric sex, but the idea is that sex is considered virtually spiritual in nature - it's linked to a higher state of being. So clearly sex is more than the mere physical act of stimulating the nerves." "If you're successful here, then the chances are that she won't have anything to say - she will quite literally become speechless! When a female experiences such a hard orgasm she physically won't be able to say anything! She will be so overwhelmed by the sensation that there is no need for words. If you accomplish this then well done, you've done what very few guys ever manage to accomplish because they simply don't know or understand how to. But you do." Want to know more and learn 101 exciting sex positions? You know what to do.

Reminding women that motherhood is an option, not a given (much less an instinct), New York psychotherapist Phyllis Ziman Tobin contends that choosing to be or not to be a mother is the defining rite of passage for today's woman. She draws on the composite struggles of real people to show how the dilemma is rooted in unexamined assumptions about normalcy, fear of change and loss of control, and the not always audible voices of our own mothers. Dr. Tobin challenges mental health professionals to recognize that coming to terms with the motherhood question is an act of maturation proper to every woman, an opportunity for self-creation. She herself recognizes that, for women

who find themselves infertile or uncoupled or unconventionally situated, the question is compounded and painfully revisited as reproductive technology fails, adoption is considered, time passes. Whichever option a woman ultimately selects, she loses something, Dr. Tobin acknowledges - yet she gains by weighing the fear of now against the fear of never and being the agent instead of the victim of her regrets. Illustrated with the real-life stories of a diverse group of fathers--from a truck driver to an NFL player, from a stay-at-home dad to Lorne Michaels, the producer of Saturday Night Live--this guide helps dads sort through their own father's legacy, communicate with their kids, nurture a relationship with their children's mother, and balance work and family life. HER TEEN DREAM: Summer Heartbreak is the second novel in this realistic coming of age series for teenagers from Devon Vaughn Archer, author of the runaway bestseller, Her Teen Dream. After finding her true love in senior basketball star Reese McKenzie, sixteen-year-old Karin Blanch attends summer school for some extra credits at Elmwood High in Crescent Heights, California. As in the first book of the series, she experiences the ups and downs of first love. While Reese prepares to go to college in LA, Karin continues her strong friendship with next-door neighbor Lesley Rochester, makes new friends, and has to deal with summer heartbreak. As her summer rolls along, Karin also finds herself attracted to a new guy at school, gets caught up in a school lockdown where she comes face to face with a bank robber, and catches Reese kissing his ex-girlfriend and cheerleader, Cheryl Green. Meanwhile, Lesley, sixteen, is still dealing with being the victim of sexual abuse. She starts dating Marcus again, and her mother begins dating a friend of her late father's. When Lesley receives some devastating news, her own romance is threatened. Fans of the first book in the series will find themselves equally entertained by this novel.
