"HOW TO MAKE MONEY ONLINE" EBOOK CREATION FOR ENTREPRENEURS DO IT LIKE THE BIG DOGS!! When you hire for a writer for your ebook, what you are doing is enlisting the services of a ghostwriter. A ghostwriter is a writer who publishes under someone else's name, with the consent of both parties. (It's legal and writers are available to provide the service). The straightest route to ebook profits is in the nonfiction ebook market. Fiction is making a story; journalism is finding one. That's the big difference. When I am writing a book, I am usually dealing with events or ideas that have already arranged themselves in memory. With nonfiction, you need to find your prospective before time has arranged it. The trick is to write about something as if you've been thinking about it for 10 years. Larry Bussey resides in Las Vegas, Nevada. He's an expert on Internet Marketing and Ghostwriting. He has successfully pinned numerous books as a ghostwriter. While there are numerous ways to earn money online, some of these might be fake. Also, do not expect to earn a huge amount quickly when using online avenues to earn money.

NO PRIOR EXPERIENCE REQUIRED. ALL INSTRUCTIONS ARE FULLY DETAILED AND STEP-BY-STEP SO ANYONE CAN FOLLOW THEM EASILY. Online passive income is the ultimate dream. Making money while you sleep. Everybody wants it. But is it really possible? The short answer is "YES" The longer answer is "yes, but it isn't easy to accomplish." If it was, wouldn't everyone be doing it? In my ebook, I give you a step-by-step plan on how to develop a passive income online business and show you how making money online actually works (with links to supporting lessons for extra clarity). The specific plan I teach is designed to make you \$5,000+ per month in passive income earnings, based on Blogging, Affiliate Marketing, Freelancing and Selling of Digital Products. Once you understand the process though, you can decide to work with any of them or with all. When you stop is up to you (and yes, there are people making tens of thousands of dollars per month on the Internet based on these concepts-they just love the work and don't ever stop. What's great about the business plan that I teach you is not only the income level you will accomplish if you follow through, but all that you will learn in the process. The skills you learn in this ebook will enable you to build all kinds of online businesses and open the door for all kinds of entrepreneurial projects you may have. Not only that, you will be able to evaluate business ideas much more intelligently once you've gone through this whole process. You will understand the fundamentals of keyword research & analysis, traffic & lead generation, social & affiliate marketing, monetization & conversion testing, and traffic analysis. These skills will help you immensely in ANY business you ever decide to start (online or not, passive or not). Generating an online passive income won't happen overnight and takes a lot of hard work, but going through the process is completely worth it and having an exact plan of action is the ONLY way to ensure success. Let me put it this way: if you were offered no pay for six months for 40+ hours of work per week, but after those six months, you got \$5,000+ per month for the rest of your life, would that be worth it to you? If that idea isn't unbelievably exciting to you, then this isn't the business for you. This isn't a get rich quick scheme. This is a business. Except with this business, instead of trading your time for money (like most jobs), you are investing your time. You work hard now and continue to reap the benefits indefinitely. Building an online business takes a lot of work and a lot of patience, but the rewards can be amazing. That's the kind of business that I teach you in this ebook. Here's what you will learn 1. The Truth Behind the Internet and making money online 2. The only ways you can truly make money online 3. Blogging - What is blogging? 4. Affiliate Marketing – What is Affiliate Marketing? 5. Freelancing - what is freelancing? and much more things you will learn.
