

How To Release God S Healing Power Through Prayer

God's desire has always been the same, being fully connected with his people through authentic relationship. In a relationship, commitment breathes intimacy. Intimacy oftentimes expresses itself through connectivity and communication. In the Old Testament, God related to his people through the law and prophets. In the New Testament, everything changed. Yet for many Christians, this authentic connection and relationship can still seem elusive?how do we cultivate such a relationship with God, as Christ showed us? In *Carrying His Heart*, author Felix Manzanares shares some of his struggles with receiving God's love as well as his victories over some of his greatest setbacks in life and faith. *Carrying His Heart* is a very interactive and applicable book, and in it you will join Felix on a journey together, receiving and releasing the heart of God.

Many things can hinder our prayers from being answered; but often a major hindrance is a lack of understanding of the those who long for more power in their prayer life, Barbara Wentroble provides insight and understanding in this area of the believer's authority-activating the authority Jesus has given us-in the spiritual realm to give commands, take action and cooperate with what God is doing. The will of God for the life of the believer is revealed through the Scriptures. God desires the best for us! This fascinating collection of God's guarantees will bring a renewed sense of His power into people's lives. Starting with the command of the Scripture and finishing with the promise of God, readers will understand their role in receiving God's blessings. If you will humble yourself...God will lift you up (1 Peter 5:6). In order for these promises to be realized, readers will find a prayer on the opposite page that will help them activate God's Word.

Based on the keynote message that so moved government leaders at the 2017 National Prayer Breakfast, U.S. Senate Chaplain Barry Black's *Make Your Voice Heard in Heaven* shows us how to pray prayers that God will hear. Now more than ever, we are fighting for our voices to be heard on earth. We march, we tweet, we advocate on behalf of the voiceless, calling those in power to listen and come alongside us. Sometimes it feels as if we're never going to be heard and nothing will ever change. Known for his powerful prayers, Chaplain Black challenges us, individually and collectively, to make ourselves heard in a way that really changes things—by calling upon the one who holds ultimate power. Through personal story and practical insight, *Make Your Voice Heard in Heaven* helps us learn to pray in a way that releases God's power and unleashes His blessing.

Over the last 12 years, God has opened many doors and allowed me to counsel people who have come across my path. I've noticed from talking to people, that we do more wishing and complaining to God, than we do praying His Word. I started writing confessions for people to help them release the Word of God over their situations. God's Word is His covenant and He is faithful to perform His Word in our lives. It is His Word that He swore by an oath to perform; however, if we are not confessing the Word, then we will not see these promises manifested in our lives. We'll continue to be in a state of wishing that our circumstances would change. This book of confessions was designed to help believers to pray with authority and power using the Word of God. I am a witness that the power of God's Word is the only thing that brings results in our lives. All of heaven is backing up the Word, when we release it. Start confessing the Word, be consistent and see the Hand of God move on your behalf.

Big authority shifts changed history. Jesus announced the gospel of the Kingdom of God, but his message is hard for us to understand, because real kingdoms no longer exist. Modern kings are just ceremonial figureheads trotted out for special occasions and the covers of women's magazines. These rock star kings give a distorted view of the Kingdom of God, because they are worshipped, but they have no authority. Real kings had absolute authority over every person and thing within their kingdom. A king without authority was not a real king. He is a pretender. Authority is the heart of a kingdom. If there is no authority, there is no kingdom, so to understand the Kingdom of God, we must understand the nature of authority, and how it interacts between heaven and on earth. Most kings imposed their authority with military force. God has a totally different approach. He uses Free authority to accomplish his purposes on earth. This book describes the difference between Imposed Authority and Free Authority and explains why this has constrained God's ability to work on earth. Everything in this universe is shaped by authority. In the beginning God said, "Let it be" and it was. He had authority over everything. Two chapters later, God said, "Let us give authority to humans." Why on earth did he do that? When Jesus was being tempted, the devil said, "I have authority over all the kingdoms of the world." How did that happen? When Jesus preached the gospel, the people recognised his authority. Who gave him authority? By the end of the gospel Jesus was saying, "All authority in heaven and on earth has been given to me." How did that happen? The Book of Revelation says that Jesus has authority to open the scrolls that release God's activity on earth. How does that work? Kingdom Authority describes the history of authority in both the spiritual and physical realms. It explains the big authority shifts that have had massive impacts on earth. Most theologies jump from the fall straight to the cross, without much need for the stuff in between. That is a mistake, as if we ignore the events described in the Old Testament, we will fail to understand everything God is doing, and the big authority shifts that have constrained him. If we do not know about authority, we will not understand why evil has been so active on earth. God gave authority over the earth to humans. The forces of evil have been active on earth, because humans gave them authority, while God did not have the authority he needed to deal with evil. It took a special human do that, and until he came the powers of evil had a ball. Over the last fifty years, Christians have rediscovered the power of the Holy Spirit. Power is really important, so we need the power of the Holy Spirit working in our lives. However, the Holy Spirit has not had a free hand to bring in the Kingdom of God. He is often constrained by lack of authority. If we want to experience the fullness of the Spirit and see him working to accomplish God's purposes on earth, we must understand the working of authority. That is why the New Testament speaks about authority, as much as power. Jesus has given us the keys of the kingdom. He said that what we bind or release on earth will be bound or released in the spiritual realms. Understanding the nature of authority transforms intercessory prayer. Prayer is not pleading with God to do things that he is reluctant to do, it is finding out what he wants to do and giving him authority to do it. We have a marvellous gospel and the Holy Spirit is up to the job, but the Kingdom of God has still not come in the fullness that Jesus promised. The reason is authority. Two big authority obstacles stand into its way. This book explains how they will be removed, so that God's Kingdom can come as Jesus promised.

Today individuals and families are being defeated by seemingly insurmountable problems. People grow increasingly desperate, unaware that there is an invisible realm charged with God's power and superabundance called the Kingdom of God. It is available to those who seek it! Jesus was never limited by the physical. He understood how to release God's blessing and provision into human need. Jesus taught his followers the keys to unlocking the power of this kingdom. Though often neglected today, these principles remain the blueprint for how life works and are the secret to transforming your life and world!

What would happen if we actually applied the principles found in our Bible to our lives? What would happen in our church, if Christians learned and lived or actually believed what they were taught? In ME POWER, Adam Aziz takes an "in-your-face" approach to applying biblical principles to relevant, "real-life" issues. He uses the reader's common response to scriptures, used in the "Sunday Message", to help them come to grips with the reality that within themselves they are completely unable to face the process called, "life". He reveals what will happen to our lives when we apply the scriptures to our everyday living. He helps readers tap into their "me power" - the power that makes them stand out among other Christians. ME POWER reveals the core of the human soul and how to: overcome our identity crisis, overcome our broken state, maximize our God created potential, and walk in destiny living. Join Adam on the journey that bridges the gap between spirituality and everyday living. Discover basic principles and insights that end this human struggle and start a fresh outlook on life. Jump-start your destiny and release God's power in your life with...ME POWER! If Jesus promised that those who had faith in Him would do the same works as He did, and even greater, why are we not seeing them manifested consistently in many churches? Did Jesus lie? How often are we actually experiencing God's promises written in His Word in our lives? If signs and wonders follow those who believe, why do they sometimes seem to be the exception rather than the rule? What can cause the Word of God to become ineffective? Sound doctrine is vital for a victorious Christian life and to be able to manifest power of the Holy Spirit. This book addresses the main questions taught in the body of Christ concerning physical healing with the intent of analyzing and presenting a true Biblical perspective on this important matter, that is the basis of the faith necessary to produce Christ-like disciples. This book discusses the following topics: - Am I Acting In Faith? - The Kingdom Of God - God's Sovereignty - Suffering For Being A Christian - Paul's Thorn In The Flesh - Did Jesus Ever Deny Healing Anyone? Hell has no fury as a man or woman scorned. Relationships, like storms blowing swiftly and fading away into nothingness—only to gather again for the next storm. A storm that does not respect age, race, sex, or economic status; this is an equal opportunity condition. I experienced a relationship storm that shook the core of my marriage. I had waited many years and believed this was the right choice for me; the waiting was over at last. I would be happy—I had found Mr. Right! This was my marriage in 2014: Ms. Commit Phobia and Mr. Over-Committed, united in holy matrimony! *Peace Be Still* is a walk on the wild side from a spiritual perspective: re-gaining and conquering what the enemy had stolen.

Through a series of prayers—I had to go into the house of the strongman and regain what he took, applying strong prayers, fasting and taking risks; I did what God directed me to do and walked in obedience. I was willing to step out in faith and took risks, unwilling to play it safe under spiritual attacks. Jesus met me at the point of my need and honored my faith—the restoration of my life and my home. As according to Joel 2:25-26: restoration of what the worms ate (lost years); the Lord restored and planted me in my promised land, flowing in abundance with love, joy, peace and happiness. *Peace be Still* is not for the faint-hearted in faith or prayer. Faith, and taking possession of your possessions by exercising spiritual authority in persistent prayer—bombarding the camp of the enemy and destroying the works of the enemy will allow you to gain access to the promised land that is yours—and yours by divine right! Nothing is impossible through faith—believe what you set your heart and mind to attain will become your reality. As you conquer your promised land flowing with bountiful blessings of milk and honey—Love, Joy, Peace and Happiness is your reward in Jesus' name.

Warning—Prayer Zone—proceed with caution!

When you learn to pray faith-filled words, you release God's ability and bring Him on the scene in your behalf. Under the New Covenant contract sealed by the Lord Jesus Christ in His own blood you have a legal right to enter the throne room of God. You can stand in God's presence without fear and be completely free from a sense of guilt. You can ask God to intervene supernaturally in your behalf. God gave you His Word to put you over. He designed it to work in every area of life. His Word works, and it isn't limited by time or distance. "What every Christian needs to understand..." "Joseph Edhuine has written an excellent book on a topic that needs to be understood by every Christian." ----Tom Quaid, Associate Pastor, Vineyard Church of North Phoenix One of the biggest challenges in the body of Christ today is for the born again believer to truly believe and accept the fact that they are indeed free. While we know that Jesus died for our sins, most of us still struggle in the mind of a performance-based righteousness and a sin-centered consciousness. The Consciousness of Righteousness: How to Release God's Power Within You!, takes the reader on a step-by-step journey from a sin consciousness to the revelation knowledge of who they are and what they are. Instead of constantly thinking about sin and their individual performance, the reader is now able to focus on Christ and His performance; His work and His sacrifice and the reader comes to understand that they are free indeed! "I highly recommend this book for all who seek answers to the age-old question, 'Why is there suffering in this world, and what can I do to transcend it?'" ---Elaine Deering, PhD. Professor, Lynne University

Everything around us is clear witness to the fact that there is a powerful God behind the entirety of creation. Our Father is not a weak, impotent, empty and powerless God. He is the source, centre and author of power (Ps. 62:11). If power belongs to God, then it is very absurd that His church is so feeble in our time. The church that started in power cannot survive without it. The power bankruptcy massively evident in the body of Christ today is not only retarding the advancement of our kingdom but making a mockery of the cross. A lot of the victims of hell are forced to look elsewhere for help since the accredited channels of hope are unable to deliver Calvary dividends to ailing humanity.If satanic counterfeits must not overshadow the original works of the Holy Ghost, bearers of genuine fire must arise now. God is willing and able to restore apostolic mantle back to the church, if men who angry at their emptiness will rise to pay the price for unction. Being angry at emptiness and hungry for fullness are the two catalysts of virtue release. God's servant James Ejuh is a man sold out to God and passionate about the restoration of the church to her position of purity, purpose and power. God has used him to meticulously and elaborately discuss this critical and timely matter, in this spirit motivated and monitored book.He did not write as one exempted from this dearth but in a graphic manner showed us how he personally travailed and of course still travails, to lay hold on the full grace of God. This is a book that if read well will surely keep you on your knees until you are engulfed in fire from above. It will help you to groan for grace.This is one book that will not show your need alone but dwelt greatly on what you can do to attain and retain the supernatural. I encourage all Christian leaders in particular and Christians in general to read this book.
