

How To Retire Happy Fourth Edition The 12 Most Important Decisions You Must Make Before You Retire

There is no end in sight as the Fourth Industrial Revolution becomes more prevalent across the world. Artificial intelligence (AI) is making it imperative that machines and technology be integrated within the workplace. As the workforce ages, there has to be a way to acquire the tacit and explicit knowledge of these workers. The fields of human resource development and workforce development must lead in efforts to train and develop these workers for continuous technological change. Strategies for Attracting, Maintaining, and Balancing a Mature Workforce is an essential reference source that examines efforts for engaging, retaining, and utilizing an aging workforce in a workplace that is increasingly becoming more technology-centered and provides reskilling and upskilling strategies to address the skills gaps. The title compiles vital human resource and workforce development strategies that assist these professionals with helping all employees at all levels within the workforce attain work, keep their jobs, and grow in their development to assist others. Featuring research on topics such as organizational culture, career learning, and agile workforce, this book is ideally designed for managers, executives, recruiters, hiring professionals, managing directors, human resources professionals, business researchers, industry professionals, academicians, and students.

The latest take on aging well from Nancy K. Schlossberg looks at the basic issues facing a growing group of Americans over 55-health, finances, and relationships. With this book, readers will be able to think about and develop a deliberate plan to age happily.

Shows you how to turn retirement into a new lease of life. This book offers tried and tested templates which you can adjust according to your own inclinations and needs to produce a master plan for a successful and rewarding journey into the third age. It shows how to set new goals, learn something new, participate in volunteer work, and more. When you retire, you'll have 45-50 a hours week of extra free time. Even the most absorbing hobbies and interests are unlikely to fill that gap. If a job is what gave you your life structure, you'll need to replace that structure in retirement. Your happiness depends on understanding your own needs and structuring both time and activity to meet those needs. People's definitions of a successful retirement will differ. If you have financial freedom, you may want to get the most out of your new found leisure time, pursue new interests or hobbies, and maybe do some voluntary work. For others, it may be an

So, you think you're gonna retire? Are you being forced to retire? Either way, "Retirement 20/20" will give you the direct steps to take on the how and why you must find the right advising team, why a detailed plan is essential for true happiness in retirement, and why tax planning will become more critical in the future. Taxes are still on sale in 2020, and herein lies a massive opportunity to look at taxable conversions to guard against future impending tax hikes. This is the 4th modern retirement planning book from author Jeff Cirino. As a practitioner for 26 years, Jeff gives the reader real-world guidance on what to ask advisors and what you should know about having a plan that protects you from mistakes and helps to affords a stable and happy retirement. Very straightforward, and an indispensable read for anyone over 50! Does your ideal retirement involve spending time each day watching the stock market ticker drive up or down its daily roller coaster? Probably not. Yet, many approaching retirement are facing that very prospect, with a blurry idea of what their future might look like or what their needs truly are. With twenty-five years of industry experience, Jeff Cirino brings his professional insights to clarify your vision for retirement. Taxation, inflation, fees, market risk, and longer life spans are just some of the risks you face in retirement, many of which are downplayed by the professionals in glass towers on Wall Street. Jeff's non-nonsense approach cuts through the blur of the industry to help clarify each risk and ways to address each one. If you're ready to take a clear look at your financial future, Retirement 20/20 is for you. Jeff Cirino, MBA, CFP(R), ChFC, EA, CLU is a fiduciary advisor who hosts workshops year-round on Social Security, tax planning, and investing. He has a passion for helping retirees and the soon-to-be-retired through the myriad decisions of their retirement finances. He has three previous books: The Complete Guide to College Funding, The Skinny on How to Have a Fat Retirement, and The BIG Squeeze: How Boomers Can Survive and Thrive in the New Retirement Frontier.
