This package includes a copy of ISBN 9781118018699 and a registration code for the WileyPLUS course associated with the text. Before you purchase, check with your instructor or review your course syllabus to ensure that your instructor requires WileyPLUS. For customer technical support, please visit <http://www.wileyplus.com/support>. WileyPLUS registration cards are only included with new products. Used and rental products may not include WileyPLUS registration cards. Human Geography 10th Edition includes all of the important concepts and theory on Human Geography as previous issues with a more succinct and engaging narrative while going in depth to touch on all the major themes of the topic. The text focuses on identity and how every human being forges an identity in a globalized world. It includes recurring coverage of "identity" and how people make places and shape identities to see global, local and individual implications of decisions that people make every day. The main objective of this issue is to provide more understanding of human systems from a spatial perspective; ways to think globally; and ways to understand real-world implications of Human Geography. The text will help encourage a better understanding of how to create an identity in a globalized world and how decisions happen in a global context and can have global impacts.

Written to support Human Geography: People, Place, and Culture 11e AP Edition, the study guide provides students with the tools and understanding they need to

succeed in the AP® course and on the AP® exam.

Three books in one, the first section of the study guide will help students understand the AP® Human Geography course and how it is organized. Section two includes reading strategies and a chapter-by-chapter study tool, while the third section provides study tools and practice for the AP® Human Geography exam.

Human Geography gets general readers to think geographically across scale and across a wide range of geographical phenomena and global issues. All concepts and themes are touched on with the historical background one would expect, but also with current examples to make the reading more relevant. The content is written in such a way that it is approachable and appealing. It includes all of the important themes in a succinct and engaging narrative style that can easily be understood. From the Field boxes and opening vignettes help anyone who has not personally traveled much of the world. General readers will also find the latest data as they build their understanding of important concepts.

Human Geography: People, Place, and Culture

Canadian edition is an engaging presentation of the dynamic and complex relationship between peoples and the worlds they inhabit. Each chapter is organized around five key themes and begins with a set of core questions that will keep students focused on the foundational concepts of this exciting field. Set within a global context and written with today's students in mind, we have included several unique topics that make this text the most up to date and relevant offering currently available for Canadian Human Geography classrooms.

Human Geography: People, Places, and Culture 12th Edition teaches students to appreciate the diversity of people, places, and cultures, and understand the role people play in shaping our world. The goals of this edition are to provide geographic context to global, regional, national and local issues and to teach students to think geographically and critically about these issues. Human Geography features beautifully designed maps, dozens of vibrant photographs taken by the author team, and author and guest field notes that help students see how geographers read cultural landscapes and use fieldwork to understand places. Human Geography now integrates Threshold Concepts to help students develop their ability to think geographically. Once they learn and apply one of these concepts in the context of a given place, students integrate it into their thinking and can draw from it as they learn new material and explore other places.
