This bundle offers books four, five, and six in one convenient file, with over 150,000 words of reading. In THE PERFECT SMILE (Book #4), criminal profiler Jessie Hunt is assigned a disturbing new case: a woman in her 30s has been murdered after using a dating website for her affairs with married men. Had she gotten too close to one of the married men? Was she the victim of blackmail? Of a stalker? Or was there some far more nefarious motive at stake? The list of suspects takes Jessie into wealthy, manicured neighborhoods, behind the veil of seemingly perfect lives, lives which are actually rotten to the core. The killer, she realizes, must lie behind one of these fake, plastic smiles. Jessie must plumb the depths of his psychosis as she tries to both catch a killer and hold her own fragile psyche together—with her own murderous father on the loose, willing to stop at nothing until he kills her. In THE PERFECT LIE (Book #5), when a gorgeous, popular gym trainer is found murdered in a wealthy suburban town, criminal profiler and FBI agent Jessie Hunt, 29, is called in to find out who killed her. Yet the twisted secrets that this affair-ridden town holds is unlike anything she has encountered before. Who was this woman sleeping with? How many marriages did she shatter? And why did they want her dead? In THE PERFECT LOOK (Book #6), when a man winds up dead in a hotel room in LA after a night with a prostitute, no one thinks much of it – until what seems like an isolated case turns into a pattern. It soon becomes clear that a prostitute has turned serial killer—and that criminal profiler and FBI agent Jessie Hunt, 29, may be the only one who can stop her. An emotionally wrought psychological suspense with layered characters, small-

town ambiance and heart-pounding suspense, the Jessie Hunt psychological suspense series is a riveting new series that will leave you turning pages late into the night. Books #7-#15 are also available!

When sixteen-year-old Chastity witnessed the murder of a pop star, her hopes of settling down with her mother in San Francisco seem to disappear.

Feeling desperate and alone, pregnant with a baby left behind during a rape, the last thing Bella needs is for her were-hunter sister to bring strange men home. Mac, a bear shifter traveling with his adopted wolf pack, scents pregnant Bella as his mate. Mac's first instinct is to provide for and protect Bella, but Bella's first instinct is to aim a shovel at his head. Secrets and shifters being welcomed into a house of were-hunters, who each hold secrets of their own. What could possibly go wrong? Alpha Hunted 2: Bella & Mac can be read as a stand-alone, but I would recommend reading Alpha Hunted: Keelyn & Bane first.

A relative newcomer to the paranormal-teen drama scene, the hit TV show Supernatural has already developed a rabid and deeply committed fan base since its debut in the fall of 2005. When their dad mysteriously disappears, brothers Dean and Sam Winchester join forces to bring him home and are pulled headlong into the world he knew best—one full of demons, spirits, monsters, and ghouls. Featuring essays from three lucky fans as well as leading writers and pop culture experts, this insightful anthology sheds light on a variety of issues, including why such a male-centric show has such a large female fan base, "Wincest" and homoeroticism, how Supernatural can be interpreted as a modern-day Brothers Grimm, and the questionable nature of John Winchester's parenting habits.

In a terrifying fortress decorated with dead soldiers, Hellboy reels from recent revelations about his bloodline and his connection to British history, and to the Queen of Blood herself. But there's little time for him to consider his destiny when Astaroth arrives, leading to a battle that will tear down the castle walls around the unconscious Alice.

Four children separated by vast distances all undergo the same ritual, watched by cloaked strangers. Four flashes of light erupt, and from them emerge the unmistakable shapes of incredible beasts - a wolf, a leopard, a panda, a falcon.

Suddenly the paths of these children - and the world - have been changed for ever.

With studies of China, India, West Africa, South America and Europe, this book provides a global perspective on food consumption in the modern world. Combing ethnographic, historical and comparative analyses, the volume celebrates the contributions of Jack Goody to the anthropology of food.

In 1869, the Cincinnati Red Stockings became the first all-professional baseball club. The history, geography, demography and economy of the area made Cincinnati a baseball town par excellence. During pro ball's early years, the city was almost always represented by a club called the Reds. In 1903 Reds owner Garry Hermann helped broker peace between the National and American leagues and became known as the "Father of the World Series." The Reds won the Series in 1919, 1940, 1975, 1976 and 1990. Under the ownership of the controversial Marge Schott and managed by the mercurial Lou Piniella, the 1990 Reds led the National League West, defeated the Pittsburgh Pirates in the NL Championship Series and swept the Oakland Athletics in the World Series. Stars such as Barry Larkin and Eric Davis—along with pitcher Jose Rijo and the trio of relievers known as the Nasty Boys—deserve much of the credit that year but lesser knowns like Billy Hatcher and Glenn Braggs made significant contributions. They have come close but the Reds have not won another pennant since.

Fate's dark design brings them together ... in a mating neither is ready for. Five years after witnessing her father's death, Keelyn has become what she never wanted to be: a were-hunter. Surprisingly good at the career she'd had thrust upon her that fateful day, she heads to the yearly gathering to pay her farm's rent with money earned from hunting werewolf hearts and pelts. Bane and his wolf pack are also headed to the yearly gathering when Bane, the pack's Alpha, finally scents the female his wolf says is to be their forever mate. There's only one problem- she also scents of death and wet wolf hide. When Bane follows Keelyn into the woods, neither are prepared for the passion, or the truths, they're each about to face. Can they survive the revelations that lie ahead? Or has fate doomed them to an impossible love? The Alpha Hunted Series Recommended Reading order: Before The Hunt: Sandra & Naythan (Prequel) Alpha Hunted: Keelyn & Bane Alpha Hunted 2: Bella & Mac Alpha Hunted 3: Ivy, David & Ryker Alpha Hunted 4: Enid & The King An Impawsible Christmas (Sequel) Each paranormal shifter romance can be read as a stand-alone, though the Alpha Hunted saga does have an over-arching, bigger story that carries through the entire series.

On the Hunt is the story of deer hunting in Wisconsin and how this annual tradition became a mainstay in the lives of generations of Wisconsinites. Meticulously researched by one of the state's most prolific outdoor writers, On the Hunt draws from old Wisconsin Department of Conservation papers, hunting and fishing magazines, local and state newspapers, and the personal stories of hunters and deer managers. From Wisconsin's original deer hunters—the Paleo-Indians—to the settlers and pioneers who hunted deer for survival, to the decimation of the state's deer in the early 1900s and the management policies that brought them back, On the Hunt chronicles the people, practices, and traditions that make deer hunting an intrinsic Wisconsin tradition.

LeKrista Scott survived three separate vampire attacks, almost drowned, and turned down her boyfriend's proposal. What else

could possibly go wrong? Apparently, if it's not one thing, it's another. Lizette, a brand new vampire with a grudge, blames LeKrista for being turned into a monster. In retaliation, she decides to go straight for the throat, so to speak, and attack LK's ailing mother at her rest home. LeKrista enlists the help of her "vampire liason" Roman, but it could never be that easy. Not for her. A daywalker, a born vampire who can walk in the sun, has been hired by the head of the Vampire Council to collect LeKrista and the debt she owes him. As payment, her great great aunt is taken. Once again, the Mages refuse to help, so what is a girl to do, but rescue her family herself? With her back against the wall, LeKrista will rise up stronger and teach the preternatural world to fear the Vampire Hunted.

Stranded on our earth over five years ago, these two heroes from Earth 2 are forced to fight evil in strange new surroundings, all while trying to find their way home. Power Girl and Huntress continue to find links back to their home world, but are derailed by mysterious attackers who have connections to Michael Holt, a.k.a. Mister Terrific. What could their old ally have to do with a group that wants the Worlds' Finest dead? Legendary creators Paul Levitz and artists George Perez and Kevin Maguire continue their critically acclaimed run on WORLDS' FINEST VOL. 2, which collects issues #6-12.

When ancient giants begin to rise from their graves across England, Hellboy is invited to join a mysterious group called the Wild Hunt and help bring them down. But the hunt leads to betrayal, and Hellboy finds himself up against enemies as angry about what he is as what he's done. "The fading children of the earth" gather in the shadows, waiting for the promised return of the Queen of Blood, and a chance to once again "shake the trees, crack mountains, and make the daytime world weep in fear." Mike Mignola and Duncan Fegredo reunite with the follow-up to events set in motion in their 2007 *Hellboy* miniseries *Darkness Calls*.

Features the art collection of William B Ruger, the famed arms-maker, who passed away in June 2002. Christie's conducted a multi-million dollar auction in December 2002 of the paintings that appear in the book. The book includes approximately 20 paintings sold by Christies, NY and includes 83 colour photos of William B Ruger's private collection. The pieces depict the

American West, hunting, wildlife, historical and classic art, and seascapes by artists such as Frederic S Remington, Maxfield Parrish, Albert Bierstadt, Arthur Fitzwilliam Tait and many others. Seth Eastman's 'Winnebago Encampment', Alexander Phimister Proctor's 'The Indian Warrior', and Frank Tenney Johnson's 'Cowboy on Horseback' are examples.

The book tells for the first time the remarkable life story of John Hunt, one of the world's greatest medievalists and someone whose legacy to Ireland lives on today with most of the major cultural attractions in the Shannon region including Bunratty Castle and Folk Park and the Hunt Museum, owing their existence to either his initiative or generosity. Details of his family background are also provided which differ greatly from those previously published. This biography brings together a host of information about one of the most remarkable figures in the 20th century art scene, who collected treasures can be found in some of the world's major museums.

In the fast-paced, tech-heavy future, even hackers need to take a break. Bits isn't working right now, and instead spends her days in VR, making necessary additions to the immersion's neglected night sky. When Dolly shows up with a problem that needs solving, Bits can't just boot her. Especially not when she finds out Bristol's been arrested and they have a narrow window of opportunity to bust her out. There's something wrong, more than jail, more than the effects of all that time in VR, but she can't remember. She and Dolly have to hit the road first and figure out the details later, because if they lose track of Bristol now, they might never get a second chance.
