by the yearning this awakens in her, one that complicates her feelings for her girlfriend, Alix, and causes her to look at relationships of all kinds - between partners, between employer and employee, and above all between men and women - in new ways. Tightly woven, humane and insightful, tracing the most intimate reaches of a young woman's heart and mind, Say Say Say is a riveting story about what it means to love, in a world where time is always running out.

With sly sophistication and ebullient charm, Lila Azam Zanganeh shares the intoxication of delirious joy to be found in reading - in particular, in reading the masterpieces of 'the great writer of happiness' Vladimir Nabokov. Plunging into the enchanted and luminous worlds of *Speak, Memory*; *Invitation of a Beulah*; and the infamous *Lolita*, Zanganeh seeks out the Nabokovian experience of time, memory, sexual passion, nature, loss, love in all its forms, language in all its allusions. She explores his geography - his Russian childhood, his European sojourns, the landscapes of 'his' America - suffers encounters with his beloved 'nature' hallucinates an interview with the master, and seeks the 'crunch of happiness' in his singular vocabulary. This rhapsodic and beautifully illuminated book will both reignite the passion of experienced lovers of Nabokov's work, and lure the innocent reader to a well of delights.

YA Pick “A Cuban Girl’s Guide to Tea and Tomorrow is an absolute delight. Cozier than a hand-knit gray cardigan and richer than Abuela’s pastelito recipe, Namey takes you from Miami to Winchester, and leaves your heart belonging to both.” —Rachael Lippincott, #1 New York Times bestselling author of *Five Feet Apart* Love & Gelato meets *Don’t Date Rosa Santos* in this charming, heartfelt story following a Miami girl who unexpectedly finds love—and herself—in a small English town. For Lila Reyes, a summer in England was never part of the plan. The plan was 1) take over her abuela’s role as head baker at their panadería, 2) move in with her best friend after graduation, and 3) live happily ever after with her boyfriend. But then the Trifecta happened, and everything—including Lila herself—fell apart. Worried about Lila’s mental health, her parents make a new plan for her: Spend three months with family friends in Winchester, England, to relax and reset. But with the lack of sun, a grumpy inn cook, and a small town lacking Miami flavor (both in food and otherwise), what would be a dream trip for some feels more like a nightmare to Lila...until she meets Orion Maxwell. A teashop clerk with troubles of his own, Orion is determined to help Lila out of her funk, and appoints himself as her personal tour guide. From Winchester’s drama-filled music scene to the sweeping English countryside, it isn’t long before Lila is not only charmed by Orion, but

Lila Nash is on the verge of landing her dream job—working as a prosecutor under the Hennepin County Attorney—and has settled into a happy life with her boyfriend, Joe Talbert. The police believe the woman's assailant is local photographer Gavin Spenser, but the case quickly flounders as the evidence wears thin. It seems Gavin saw this investigation coming—and no one can imagine how carefully he has prepared. The more determined Lila is to put Gavin behind bars, the more elusive justice becomes. Battling a vindictive new boss and haunted by the ghosts of her own unspeakable attack, which she's kept a dark secret for eight long years, Lila knows the clock is ticking down. In a race against an evil mastermind, it will take everything Lila's got to outsmart a killer—and to escape the dark hold of her own past. Can a lost girl save a found dog? Find out in this unforgettable story about discovering true friendship, finding home, and the possibilities of forgiveness. Hadley is angry about a lot of things: Her mom going to jail. Having to move to another state to live with her older sister, Beth, even though they haven't spoken in five years. Leaving her friends and her school behind. And going blind. But then Hadley meets Lila. Lila is an abandoned dog who spends her days just quietly lying around at the local dog rescue where Beth works. She doesn't listen to directions or play with the other dogs or show any interest in people. So when Lila comes and sits by Hadley (which is hardly anything, but it's more than she's done with others), Beth thinks maybe Hadley can help Lila. She tells Hadley they'll bring Lila home as a foster dog and she can teach her to follow commands, walk on a leash, and be more of a people dog so she's ready to be adopted. Only working with Lila is harder than Hadley thought, and so is the mobility training she starts taking to help with her failing vision. It feels like Lila is too stubborn to train and that learning to use a cane is impossible. But unless Hadley can help Lila, she'll never be adopted into a home. If Hadley could just let go of her anger, she might be able to save Lila... and herself. New York Times bestselling author Kody Keplinger
