Why do some actors make it and others don't? Ken Womble sets out to find the answer to this question, one that has fascinated and tormented him for years, in his new book, *INSIDE ACT: How Ten Actors Made it and How You Can Too*. *INSIDE ACT: How Ten Actors Made it and How You Can Too* identifies what sets successful actors apart. For Womble it's about the inner choices, the inside acts of working actors acts that have propelled them to thriving careers in one of the most competitive professions on the planet. Ken Womble interviews actors Debra Monk, Eric Ladin, Krysta Rodriguez, Tony Yazbeck, James Earl, Gary Beach, John Tartaglia, Robert Clohessy, Jose Llana and Richard Portnow about their inside acts, the important choices of their acting careers. The interviews explore the intriguing journeys that have led these actors to successful careers, and to Tony, Emmy and Screen Actors Guild Awards, the most prestigious acting awards in theater and television. Actor interviews are followed by interviews with two of each actor's success team, the agents, managers, directors and coaches who know them well. Womble then identifies the actor's most frequently used actions, skills and beliefs the keys to each actor's success.

Kobus Botha was raised in the Karoo, but this 'boerseun' has firmly established himself in France. Setting up his custom-made mobile barbecue at fêtes, functions and outdoor events, he dishes up a taste of South Africa in his own unique style. *Le Braai* is a collection of recipes that capture the larger-than-life spirit of this genial giant, whose personality is matched by the boldness of his dishes. Cooking over an open fire has been a way of life for as long as Kobus can remember; his dishes evoke the camaraderie that comes when friends gather around the braai. Favourites such pork ribs, burgers, prawns peri-peri and homemade sausage are given touch of French flair, while brief introductions provide anecdotes as well as insight into how to turn your 'tjop n wors' into a meal with a touch of 'ooh la la'!

French Phrases Vol.3 English & French 2 Language Books

French Phrases Vol.3: English & French THIS EDITION: French Phrases seeks to bridge the gap between knowing individual words and knowing how to create or understand sentences. Sentences are phrases or a combination of phrases, and phrases are a combination of words. The simplest phrases are the simplest ways of combining words. Exposure to a wide variety of phrases, especially in increasing complexity, provides the basis for obtaining a solid grasp

of a new language. The reason being, phrases can be combined with other phrases to create endless possibilities in language. French Phrases contains a wide variety of phrases, but it also demonstrates how phrases can increase in complexity – through the inclusion of individual words or other phrases. The reader can choose between four formats: Section 1: English to French Section 2: French to English Section 3: English Section 4: French The text can be used to obtain a fundamental grasp of French grammar. An understanding of the rules that underpin the way words combine into phrases, or phrases combine into sentences, allows the language learner to expand their capacity exponentially simply by increasing vocabulary. With this in mind, the text includes an introductory section summarising the important aspects of French grammar. The dual-language text has been arranged for quick and easy cross-referencing. The text can be used on its own. However, the content is ideal for reinforcing and expanding on a basic grasp of the language. With an increasingly robust grasp of the language, the language learner can easily and fruitfully move on to more advanced bilingual text — like in 2Language Books editions —, or suitable French only text: a simple novel, a French news website, etc. Many basic language books offer some form of audio support. Internet services — primarily news based radio stations — offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. However, if audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS technology (in a device that supports the relevant content), and the above mentioned resources (as digital content), an entire language learning system is available for not much more than a cup of coffee! There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on ‘premium’ content and resources.
