Among all the texts and notes of Rabbi Baruch Shalom Halevi Ashlag (the Rabash), there was one special notebook he always carried. This notebook contained the transcripts of his conversations with his father, Rabbi Yehuda Leib Halevi Ashlag (Baal HaSulam), author of the Sulam (Ladder) commentary on The Book of Zohar and of many other works on Kabbalah. Not feeling well on the Jewish New Year in September 1991, the Rabash summoned his primary student and personal assistant, Michael Laitman, to his bedside and handed him that notebook. Its cover contained only one word, Shamati (I Heard). As he handed the notebook to him, he said to Laitman, "Take it and learn from it." The following morning, he perished in Laitman's arms, leaving him and many of his other students without guidance in this world. Committed to Rabash's legacy to spread the wisdom of Kabbalah, Laitman published the notebook just as it was written, thus retaining the text's transforming powers. Among all the books of Kabbalah, Shamati is a unique and compelling composition whose power persists long after the reading is through.

I Ching or the book of changes must be reached and understood by intuition. The original I Ching consists of six lines that constantly shift their position throughout 64 hexagrams. Their meaning has then been explained and elaborated by celebrated sages as King Wen, his son Duke Zhou, and later by Confucius. Lao Tzu (in Tao Te Ching) gave us the way to convert this outstanding book of wisdom to an Oracle. He told us that it is all about reaching contact with the nameless eternity. The book describes a concise way to create divinations and will give you a different gate to intuitive understanding of the Oracle.

Just as Antonia's world is collapsing around her, in swaggers a handsome stranger who completely upends her life. Little does she realize, this rugged merchant of mayhem is precisely what she needs. Simen Johan's ongoing series of photographs and sculptures, "Until the Kingdom Comes," begun in 2005, depicts a natural world that is at once familiar and otherworldly. Most (but not all) of the images are intricate digital constructs incorporating elements the artist photographed in various geographical locations. Towering giraffes, captured in various US zoos, populate a hazy, desolate landscape created from images taken in Turkey, Bali and Iceland; spectacular Javan peacocks from Asia are camouflaged within a Spanish pepper tree; and the interior of an Icelandic volcano forms the setting for a gooey tar pit where Peruvian yellow-hooded blackbirds nest. Each image confuses the boundaries between opposing forces such as the natural and the artificial, the serene and the eerie, the primal and the mindful. These dynamic tensions reflect the internal conflicts and contradictions inherent to human nature that fuel Johan's work. Only a limited quantity of this oversize, unbound volume is available.

An engrossing record of Mao's impact on China, an unusual window on the female experience in the modern world, and an inspiring tale of courage and love, Jung Chang describes the extraordinary lives and experiences of her family members: her grandmother, a warlord's concubine; her mother's struggles as a young idealistic Communist; and her parents' experience as members of the Communist elite and their ordeal during the Cultural Revolution. Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a "barefoot doctor," a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history.
