This is a story about a young boy named Tim Hartwell who lives in Tenby, Pembrokeshire in Wales. He learns about his family's magical past from his mother, Mary. Later, after learning and wondering about his past, he meets two Wyvern gargoyles who guide him to seven Galon Keys. The keys protect him through a parallel world in Wales called Selwyn's Chancer. Once there, he must avoid a beast named Stratford Hartwell who wants the power of the Galon Keys and the Book of Hartwell for himself.

This is the story of an Irish family from Cork Ireland. It documents how they survived in the 50's and 60's and will take you on a roller coaster ride of every emotion, sometimes all on the same page. Here you will read of an inspiring mother, always encouraging her six children to laugh at life, and believe in tomorrow. She did this inspiring while battling a domineering old grandmother, and an alcoholic husband, as her children drank tea from their jam jars, and read by a candle. Its a book filled with humor, drama, and dreams that come true, culminating in the author meeting his American dream. It's said the book is like, Irish Stew for the Soul. You will feel uplifted when you finish reading a book that seems to be everyone's story.

A boastful hamster with exceptional talent as an escape artist recounts his experiences chewing, wriggling, or squeezing his way out of various closed areas in his quest for the great Outside. Reprint.

The Fairy Queen strictly forbids fairies from using their magic power on humans. But after Tiki accidentally meets Jan, a woman who is desperate for a baby daughter, she finds it impossible to resist fulfilling her wish. Now up against the dark and vicious power of evil, this fairy rebel must face the Queen's fury with frightening and possibly fatal results.

'Anybody But Anne' is the fifth in the 'Fleming Stone' series of detective novels by prolific author Carolyn Wells. Wealthy David Van Wyck has decided to become a philanthropist and leave his entire vast fortune to the local community. Whilst a noble intention, his family are opposed to the notion as it would leave them penniless. Following a meeting to certify his intentions, David is found dead in a locked room. His beautiful wife Anne is the obvious suspect, but there are many others who would have reason to want David out of the picture. A thrilling whodunnit from the popular author. Carolyn Wells (1862-1942) was a prolific American novelist and poet, best known for her children's literature, mystery novels and humorous verse. Following school in New Jersey, Wells worked as a librarian, where she developed her love of reading. It was during 1896 that Wells' first book 'At the Sign of the Sphinx' was published. From 1900 she dedicated herself to her literary career, writing over 170 novels in total across a range of genres. Some of her most loved works include the 'Patty Fairfield' and 'Marjorie Maynard' series for girls, as well as the 'Fleming Stone' mystery series for adults. Wells is also well-known for her humorous nonsense verse, and was a frequent contributor of verse to magazines. She published an autobiography 'The Rest of my Life' in 1937. Wells died in New York City in 1942.

Illusionist, escape artist, movie star, aviator, and spy—Harry Houdini was all these and an international celebrity and the world's most famous magician. This fascinating biography looks at all the facets of Houdini's amazing life and includes 21 magic tricks and illusions for a hands-on learning experience. Children will be inspired by this Jewish immigrant who grew up in poverty and, through perseverance and hard work, went on to become one of the most popular and successful entertainers of all time. Houdini was an artist who created his acts carefully, practicing them for years in some cases. He performed such seemingly impossible stunts as escaping several sets of handcuffs and ropes after jumping off a bridge into a flowing river.

Kids will learn how he devised his most legendary stunts and will also learn the science and logic behind many of Houdini's acts including his famous milk can escape. Kids can amaze their family and friends with these simple, entertaining, and fun tricks and illusions: Stepping through an index card Performing an odd number trick Making a coin appear Mind reading with a secret code Making a magic box Lifting a person with one hand Making a talking board And much more

He is the world's most famous magician: but before his name became legend, who was young Harry Houdini? London, 1886. Lady Flora Cusp, devoted to funding libraries for the poor, has been shot in her room. Who could possibly have wanted to harm her? It is up to Harry, Billie, and Artie to find out who did it, and to stop the gunman from striking again. But as they delve deeper the case takes a deadly turn. Harry may be an incredible escape artist, but with the assassin now on his tail, how will he get out alive?

At just twenty-two years of age, Briana Mils finds herself at a desperate crossroads. Once a promising student at the University of Oregon, she now finds herself alone on the streets of Portland with only the clothes on her back, memories of a happier time, and the stray dog that's adopted her. And she's got the drug that helps her forget. Briana's mistakes haunt her, lashing her with severe consequence, forcing her to make a decision few would ever make. Still, in a final attempt to make her young life count for something, Briana begins writing it all down—everything—so that others walking the crumbling precipice of rebellion might leap to safety before it's too late. She writes about her present struggles and the past. She writes about Michael, the boy she loved and left behind when she went off to college. She writes about the violent activism and drug that derailed her life. She writes about the demands placed on her by a socially conscious mother, and the adoration shown by a proud father. And Briana talks about Brody—the young activist leader who captured

her heart, took it to the altar, and then crushed it. What develops is an engrossing record of a young and troubled life, one both beautiful and ugly, innocent and corrupt, lost and then found. And wrapped in its literary sinew is a cast of characters as diverse and engaging as the stars, and an impassioned love story sure to transcend time. What readers are saying: "Timeless...provocative." "Characters so real you'd swear this was a true account." "A brilliant read!" "Alone Among People is D. M. Anthony's first novel. He lives in California where he's at work on his next book. This review is from: Alone Among People (Paperback) A Compelling and Heart Warming Story, September 25, 2012" "Alone Among People is at once an engaging, moving story and a provocative statement about the thin line between thriving and sinking into an abyss as inescapable as quicksand. Its timeless and uplifting messages of hope conquering despair, healing borne of love and care, and peace at discovering one's identity are an inspiration. The author's empathy for the characters and their plight betrays knowledge of what he writes, and offers the reader a unique glimpse into a vulnerable and intimate place... his heart. I recommend this book to anyone who has traveled through the anguish of darkness and longed for the light; it may just guide your way."

Draws on newly uncovered archives and the co-author's expertise in magic to reveal Houdini's secret work as a spy for the United States and England, his post-war efforts to expose the fraudulent activities of spiritualist mediums, and the plot organized by Arthur Conan Doyle to have him murdered. Reprint.

Harry Houdini escaped from prison cells, swallowed needles, and made elephants disappear. How did he do such amazing tricks? Some people believed he was actually a wizard with secret powers. But Houdini knew his only "secret powers" were hard work and imagination. This is the story of the poor boy who grew up to be the most famous magician in the world. He was fearless and determined to amaze his audiences, and there seemed to be no limit to the risks that The Great Houdini would take.

Ali Ferguson has just moved into Lever Tower with his mum. It's not long before he meets Caitlin and the Alsatian dog she looks after, Falcon, who doesn't take too kindly to being walked on a lead. Caitlin introduces Ali to her best friend, Gez, and together the three set out to discover, firstly, why the foxes have disappeared from the area, secondly, why the owls have appeared and, thirdly, why Miss Osborne has, it seems, vanished . . . And how exactly her disappearance is related to the previous two. With the help of his friends and, significantly, Caitlin's dad, Ali and his mum begin to feel comfortable and happy in their new life without Ali's dad.

In the early 20th century, in the English-speaking world, Arthur Conan Doyle and Harry Houdini were two of the most feted and famous men alive. And their relationship is extraordinary: As strange as it may seem Arthur Conan Doyle, the creator of the ultra-rational detective Sherlock Holmes, was a believer in Spiritualism. He came to his belief, that one could communicate with the dead, after his son was killed in World War I, and became an expert in the field. Harry Houdini, the world's foremost magician, was a friend of Conan Doyle's, but was sceptical of his belief in the supernatural. Houdini took every opportunity to use his knowledge of illusion to expose psychics who he thought were fakes, particularly incensed by their exploitation of grief and insecurity. Based on original research, this sensational dual biography of two popular geniuses conjures up the early 20th century and the fame, personality and competing beliefs. Joe Posnanski enters the colorful world of Harry Houdini and his legions of devoted fans to explore the illusionist's impact on global culture—and why his legacy endures to this day. Nearly a century after Harry Houdini died on Halloween in 1926, he feels as modern and alive as ever. The name Houdini still leaps to mind whenever we witness a daring escape. The baby who frees herself from her crib? Houdini. The dog who vanishes and reappears in the neighbor's garden? Houdini. Every generation produces new disciples of the magician, from household names in magic like David Copperfield and David Blaine to countless other followers whose lives have been transformed by the power of Houdini. In rural Pennsylvania, a thirteen-year-old girl finds the courage to leave a violent home after learning that Houdini ran away to join the circus; she eventually becomes the first female magician to saw a man in half on television. In Australia, an eight-year-old boy with a learning impediment feels worthless until he sees an old poster of Houdini advertising "Nothing on earth can hold Houdini prisoner," and begins his path to becoming that nation's most popular magician. In California, an actor and Vietnam War veteran finds purpose in his life by uncovering the secrets of his hero. But the unique phenomenon of Houdini was always more than his death-defying stunts or his ability to escape handcuffs and straitjackets. It is also about the power of imagination and self-invention. His incredible transformation from Ehrich Weiss, humble Hungarian immigrant and rabbi's son, into the self-named Harry Houdini has won him a slice of immortality. No one has withstood the test of time quite like Houdini. Fueled by Posnanski's personal obsession with the magician—and magic itself—The Life and Afterlife of Harry Houdini is a poignant odyssey of discovery, blending biography, memoir, and first-person reporting to trace Houdini's metamorphosis into an iconic figure who has inspired millions.
