When Caleb MacLean found himself thrust from 16th century Scotland to 21st century America, the last thing he expected was to fall in love. But when he returned to his own time without Amber, he was devastated. Begging Ariella to send him back, Caleb is in San Francisco once again but Amber has no recollection of their first meeting. Can Caleb make her fall in love with him again, or will he have to go to extraordinary measures before she believes him? My Soul To Keep is the story of Clan MacLean told by three brothers, Calen, Caleb, and adopted brother, Arion. In Calen the story begins with The Fortress and its all-female inhabitants. Fantasy, mystery, and adventure are mixed with sensuous details that take our hero, Calen through time to modern day San Francisco to save the love of his life, hopefully saving the entire future of Clan MacLeod. Each additional book, Caleb & Arion, will take the reader farther into the family's rich history with plenty of adventure, love, and romance.

"Keep My White Sneakers, Kit Carson" is a book about the Blackfeet Indians and the mountain men, trappers who tried to survive in the same, stunningly beautiful land just northwest of the Great Plains in what is now Colorado, Utah, Wyoming and Montana. That they would get in each other's way was a given if one understands the fiercely independent nature of both. In a twist of science fiction, Ted, a high school student, is hurled back in time to join the man reputed to be the greatest mountain man of them all, Jim Bridger, and his friend, Kit Carson. They are the enemies of the Blackfeet, wily rulers of what was in the 1830's called the Edge of the Rockies. Into this fierce struggle comes Wind-Singing-in-Grass, the Blackfoot princess who rivals the charisma of Sacajawea. Her unique personality touches all in this chaotic region, including her father's captives such as Ted and the mysterious Shoshone, Sit-Near-Fire. Does Ted ever get back to the Twenty-first Century? Does he survive a Blackfoot onslaught that promises to put an end to Jim Bridger and Kit Carson? You'll enjoy the pace of a book written for young adults.

Jesus was asked in St. Matthew 22, "Teacher, which is the greatest commandment in the law?" He replied with two, "Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbour as yourself. All the Law and Prophets hang on these two commandments." (St. Matthew 22:36-40). The Christian community celebrated that Jesus reduced 613 commandments found in the Old Testament to only two under the New Covenant. As I meditated on this, I realized that we were missing something, and while loving God, and loving people may seem straight-forward enough, it was not quite evident in the lifestyles of many Christians. While we get some part right, in other areas we were not doing so well. The Words of Jesus kept resonating in my soul, "If you love Me, you will keep My commandments." (St. John 14:15 - ESV). The part I think we missed is, "All the law and prophets hang..." I went on a personal retreat to revisit the New Testament and extract everything that would look like a command from Jesus. I numbered them as I went along, and was very surprised to see that when this journey ended, the number was 613 -- the exact number of commands given in the Old Testament. I knew then that this book had to be released. The stars aligned and I've promised myself to Ace forever. Now we can move on with the next steps of our lives, together. But life has a way of getting in the way of keeping things simple My new roommate has a dangerous link to my past. One I can't even tell her about. And the one person who I thought was my biggest confidante is now pulling away. I thought my life was coming together. Now I have to figure out if I can keep everything from falling apart. **This book was formerly titled How to Mary an Alien and the third book in the Alien Romance series. The cover and synopsis have changed but the content is the same. This book is geared more toward Upper YA readers and does contain the discussion or marriage equality and gay marriage themes that were hinted at in the first two books. There is also a little more heat in this one, but nothing that would keep one out of the kitchen.**

The authors in this compilation address the issue of legalism from a variety of angles. John MacArthur shows, first that obedience to God is not an issue of legalism, but an issue of love. In his second chapter, he deals with the inevitable response of people who are confronted with Biblical standards, "Judge not that ye be not judged." Here MacArthur shows what our Lord

meant when He said that, and shows what biblical discernment really is, that there is a vast difference between judgmental and holding people accountable to God's standards. Phil Johnson, in his first chapter, deals with Christian liberty. In his second chapter, he takes a critical look at two kinds of legalism, then explores the relationship of Christian love and Christian liberty. Joel Beeke shows that enthusiasm for God's law is not necessarily legalism. One can be zealous without being legalistic. As David wrote: "Oh, how I love Thy Law!" Bruce Bickel explains that legalism is due to a weak understanding of what Christ accomplished on the cross. Jim Elliff makes clear that legalism is an attack on unity within the Body of Christ, particularly local congregations. Ken Talbot helps us to see that legalism is inconsistent with and incompatible with the doctrine of justification by faith alone. He points out that the doctrine of "free will" leads to this dangerous position. Rick Phillips explores the relationship to loving God and obeying His law. Some today believe that love is all that matters, and that the law as a guideline to love is extinct. Then this author shows that Biblical sanctification is the antidote to and the opposite of legalism. Steven J. Lawson shows that legalism is the result of holding to man-made traditions over the truth of God's Word. Second, he points out how dangerous and deadly a thing legalism is and why.
