The New York Times bestselling author of Beautiful Exiles conjures her best novel yet, a pre-World War II-era story with the emotional resonance of Orphan Train and All the Light We Cannot See, centering on the Kindertransports that carried thousands of children out of Nazi-occupied Europe—and one brave woman who helped them escape to safety. In 1936, the Nazi are little more than loud, brutish bores to fifteen-year old Stephan Neuman, the son of a wealthy and influential Jewish family and budding playwright whose playground extends from Vienna's streets to its intricate underground tunnels. Stephan's best friend and companion is the brilliant Žofie-Helene, a Christian girl whose mother edits a progressive, anti-Nazi newspaper. But the two adolescents' carefree innocence is shattered when the Nazis' take control. There is hope in the darkness, though. Truus Wijsmuller, a member of the Dutch resistance, risks her life smuggling Jewish children out of Nazi Germany to the nations that will take them. It is a mission that becomes even more dangerous after the Anschluss—Hitler's annexation of Austria—as, across Europe, countries close their borders to the growing number of refugees desperate to escape. Tante Truus, as she is known, is determined to save as many children as she can. After Britain passes a measure to take in at-risk child refugees from the German Reich, she dares to approach Adolf Eichmann, the man who would later help devise the "Final Solution to the Jewish Question," in a race against time to bring children like Stephan, his young brother Walter, and Žofie-Helene on a perilous journey to an uncertain future abroad. Early one morning the little train wakes up in his home town, Little Snoreing, and decides to go on an adventure. He chugs and puffs his way

Brevity is the soul of beauty in these tiny masterworks of short short fiction Gorgeously translated by Lydia Davis, the miniature stories of A. L. Snijders might concern a lost shoe, a visit with a bat, fears of travel, a dream of a man who has lost a glass eye: uniting them is their concision and their vivacity. Lydia Davis in her introduction delves into her fascination with the pleasures and challenges of translating from a language relatively new to her. She also extols Snijders's "straightforward approach to storytelling, his modesty and his thoughtfulness." Selected from many hundreds in the original Dutch, the stories gathered here—humorous, or bizarre, or comfortingly homely—are something like daybook entries, novels-in-brief, philosophical meditations, or events recreated from life, but—inhabiting the borderland between fiction

and reality—might best be described as autobiographical mini-fables. This morning at 11:30, in the full sun, I go up into the hayloft where I haven't been for years. I climb over boxes and shelving, and open the door. A frightened owl flies straight at me, dead quiet, as quiet as a shadow can fly, I look into his eyes—he's a large owl, it's not strange that I'm frightened too, we frighten each other. I myself thought that owls never move in the daytime. What the owl thinks about me, I don't know.

"In April 1945, the funeral train carrying the body of Franklin D. Roosevelt embarked on a three-day, thousand-mile odyssey through nine states before reaching the president's home where he was buried. It passed with darkened windows; few gave thought to what might be happening aboard. A closer look inside the train, however, would reveal a Soviet spy about to leak a state secret, a newly widowed Eleanor Roosevelt, who just found out that her husband's mistress was in the room when he died, and the entire family of incoming President Harry S. Truman. The thrilling story of what took place behind the Pullman shades, where women whispered and men tossed back highballs, has never been told. On the occasion of the sixty-fifth anniversary of FDR's death, Klara chronicles the action-packed three-day train ride during which, among other things, Truman hammered out the policies that would galvanize a country in mourning and win the Second World War"--Provided by publisher.
