sea, to the massive caves that herald the Land of the Spirits, encountering unthinkable monsters. Darius risks it all to save the love of his life, Loti, even if he must face the Empire alone. And Volusia continues her rise, to consolidate her hold on the Empire and become the ruthless Goddess she yearns to be. In *AN OATH OF BROTHERS* (Book #14), Thorgrin and his brothers emerge from the Land of the Dead more driven than ever to find Guwayne, and set sail across a hostile sea, leading them to places beyond their wildest dreams. Darius stands up to the Empire, boldly waging a guerilla war, amassing an army, as one freed slave village after the next rallies to his cause. Gwendolyn leads her people into the Great Waste, deeper into the Empire than anyone has ever journeyed, on a quest to find the legendary Second Ring—the last hope for survival. Godfrey finds himself deep inside the city of Volusia and deep in trouble as his plan goes from bad to worse. Volusia forges a pact with the darkest of sorcerers, and driven to even greater heights, she continues her ascent, marching all the way to the Empire capital. In *A DREAM OF MORTALS* (Book #15), Thorgrin and his brothers struggle to break free from the grips of the pirates, and to continue their search for Guwayne at sea. Darius and his few friends survive the massacre of their people—but only to find themselves thrown into the Empire Arena. Gwendolyn wakes from her slumber to discover that she has survived the trek across the Great Waste—and even more shocking, that they have arrived in a land beyond their wildest imagination. Erec and Alistair, still captive at sea, struggle to break free from the grips of the Empire fleet in a bold and daring nighttime escape. Volusia is surrounded on all sides as she strives to take and hold the Empire capital—and she will have to summon a more powerful magic than she's ever known if she is to prove herself a Goddess, and become Supreme Ruler of the Empire. With its sophisticated world-building and characterization, *THE*

SORCERER'S RING is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. "A spirited fantasyOnly the beginning of what promises to be an epic young adult series." —Midwest Book Review (regarding A Quest of Heroes) "A quick and easy read...you have to read what happens next and you don't want to put it down."

—FantasyOnline.net (regarding A Quest of Heroes) "Action-packed Rice's writing is solid and the premise intriguing." —Publishers Weekly (regarding A Quest of Heroes)

This entertaining book presents a collection of 180 famous mathematical puzzles and intriguing elementary problems that great mathematicians have posed, discussed, and/or solved. The selected problems do not require advanced mathematics, making this book accessible to a variety of readers. Mathematical recreations offer a rich playground for both amateur and professional mathematicians. Believing that creative stimuli and aesthetic considerations are closely related, great mathematicians from ancient times to the present have always taken an interest in puzzles and diversions. The goal of this book is to show that famous mathematicians have all communicated brilliant ideas, methodological approaches, and absolute genius in mathematical thoughts by using recreational mathematics as a framework. Concise biographies of many mathematicians mentioned in the text are also included. The majority of the mathematical problems presented in this book originated in number theory, graph theory, optimization, and probability. Others are based on combinatorial and chess problems, while still others are geometrical and arithmetical puzzles. This book is intended to

be both entertaining as well as an introduction to various intriguing mathematical topics and ideas. Certainly, many stories and famous puzzles can be very useful to prepare classroom lectures, to inspire and amuse students, and to instill affection for mathematics.

A CHRISTIAN MYSTERY, SUSPENSE & ROMANCE SERIES by an award winning & USA Today Bestselling Author Hurts from a brutal past turned her cold and unfeeling—and a lover of guns. Scars from bondage made it impossible for him not to care—and a hater of guns. ? When an unexpected kiss happens, it changes them both—and alters everything they thought about each other. John Martinez had seen firsthand how dangerous to human life guns were when he was kidnapped and forced to live in captivity with guns held over his head. Working with the cops to assist with the rescue of others behind captivity, he hated guns. Now a free man and forced to flee his sister's home when danger follows his younger brother home, John did not expect their temporary shelter—the home of his sister's friend, Liberty—to be that of a gun lover. Trying to keep his brother safe, will he lose his heart to a woman who loves guns just as much as she loves him? Famous actress Liberty Stone was one woman nobody messed with. Rich, classy, beautiful, and confident, she was armed and knew how to protect herself when the need arose, thanks to multiple assaults she'd survived—assaults that turned her into a cold and unfeeling person, to protect her heart. When her friend, SSPD Officer Angel Martinez, requested temporary shelter at her Fortitude Homes Estate for her brothers amid a police case, Liberty readily obliged. What Liberty hadn't expected was a chance run-in with John, falling in love with a gun-hater with a tender heart, and an unplanned kiss leading John right into her locked-up heart. Together, will they find healing from pain and discover that God gives second chances and connects people in His time, in His way, and to fulfill His purpose—despite

When will humans return to the moon? When will we land on Mars? Looking ahead, see how space heroes struggled to survive in outer space half a century ago, challenging the limits of technology with wisdom and courage. In April 1970, during the heyday of the Apollo space program, the Aerospace Administration sent Lowell and three others to fly the Apollo 13 for the third moon landing mission in the United States. On the third day of the mission, an unexplained explosion severely damaged the spacecraft, causing a large amount of oxygen and power loss, and the astronauts were forced to enter the lunar module for temporary shelter. The focus of the story is not only the spacecraft, but also the dedication of the control center personnel, and the stories of Lowell's relatives. When Lucas decides to skip school because he wants to discuss football with a firefighter friend of his father, he finds himself caught up in the terrorist attacks on New York City.
