Complete Guide to Completing both IELTS writing tasks. Easy 1-2 approach to writing the excellent essay Writing Practice to build your confidence Step-by-step System for revising your writing Author: Amanpreet Kaur

Traditionally, millions of students view IELTS Writing as the most difficult task out of all the four modules. IELTS statistics for 2012 proves that both male and female candidates score about 0.5 less for writing than for other modules. Why does it happen? First, many students are not used to letters, graph analyses or essays in English. They need to study the structure, cohesion markers and style parameters. Second, most people lack the knowledge of less common vocabulary and grammar structures. Third, even those who train hard do not understand examiners' criteria well enough. Even IELTS coaches, who train students specifically for this exam, seldom understand in detail each criterion. Personally, I studied and analysed IELTS band descriptors, but it was only after two seminars with IELTS Principal Examiner that I actually grasped their meaning. Those who want to feel deeper IELTS criteria can take advantage of an excellent course: This ebook that explains in detail various strategies and requirements.

The book covers all the vocabulary needed by students aiming for band 6.5 and above in the IELTS tests and provides students with practice of exam tasks from each paper. Cambridge Vocabulary for IELTS Advanced focuses on moving students to 6.5 and beyond by working on vocabulary-building strategies necessary for success at advanced levels. It includes useful tips on how to approach IELTS exam tasks and covers especially tricky areas such as paraphrase and collocation. It is informed by the Cambridge English Corpus to ensure that the vocabulary is presented in genuine contexts and includes real learner errors.

Writing Task 2 is designed to test your ability to write an academic style essay. You must present the information in your own words as complete sentences within paragraphs. You are required to write over 250 words, and the task should be completed in about 40 minutes (both part 1 and 2 must be finished in 1 hour). Types of Topics There are many different topics for essays in the exam, but typical topic areas include: education, crime, media, technology, social issues, technology and the future, and the environment. In this case it makes sense to build up vocabulary in these key areas in order to have sufficient language to write an essay well. Types of Questions There are three main types of essay questions that are included in the IELTS writing exam. It is important to learn how to structure each of these types. Each of these will be described more fully in the sections that follow. Briefly, they are an opinion essay, where you are asked to give your own personal opinion on a topic; a both sides and opinion essay, where you are required to discuss both sides of an argument and then give your own personal opinion on the topic; and a two question essay, which involves responding to two different questions.

Happy to present new course on preparation for IELTS speaking test. The course is based on 270+ recent speaking questions asked in IELTS tests; we have collected these questions from our students who appeared for IELTS test in different parts of the world. The suggested answers are created by a group of experienced trainers, some of whom have recently appeared for IELTS test themselves and successfully cleared the test.

Introducing IELTS Writing Task 2 - Expert Preparation. This book focusses on one of the most important and difficult tasks for many IELTS test-takers worldwide. The approach of this book is unique. It introduces essay writing frameworks based on 13-14 sentences, which when followed, enable students to write an essay which is cohesive, complex and most importantly addresses the IELTS examination criteria. In particular, the included frameworks help students develop the skills necessary to identify specific question types, conceptualise topic sentences and supporting statements and to formulate more complex contrast sentences within paragraphs. Few textbooks on the market provide such clear and concise frameworks for constructing essays specifically geared to IELTS. In terms of content, IELTS Writing Task 2 - Expert Preparation is as much about planning as it is about writing a response. Focussing on the different question types used in the IELTS test, this book outlines the essay planning process for each before featuring entire essays broken down using the outlined frameworks. For each question type, the text includes essays indicative of Band 9 responses (the highest possible score). These are excellent model texts, particularly since they make use of the ten unique 'grammar points' presented in the final pages of the book. Overall, being both concise and practical, IELTS Writing Task 2 - Expert Preparation is an excellent resource for classroom-based IELTS courses or students' self-study. By taking a fresh and detailed approach, this book demystifies essay writing, allowing both students and educators alike to very quickly understand what is involved in achieving more improved IELTS Task 2 writing scores.
