

In Company Intermediate

In addition to comprehensive teaching notes, the teacher's book contains interleaved pages from the student's book with overprinted answer keys. Photocopiable worksheets provide further teaching material.

The second edition Student's Books contain clearly defined topic and skills-based units, real-world tasks and more case studies, all which are instantly relevant to everyday business life development. The CD-ROM has an interactive glossary and class audio as MP3 downloads.

The In Company 3.0 Teacher's Book Premium Plus Pack includes a print Teacher's Book with webcode access to an Online Workbook, which allows you to track classes and individual students' progress via an automatic gradebook, and a Teacher's Resource Centre with downloadable video and audio, tests, worksheets and much more. This pack also comes with access to a Presentation Kit and Digital Student's Book.

'In Company' is a multi-level business English course for professionals. The course aims to develop language skills by focusing on activities, examples and exercises drawn from the real world of modern business.

A pack that contains the Student's Book and webcode access to online components. It allows students to practise language online and on the move and see their progress. It also gives access to additional material such as audio, video, answer key, glossary, phrase banks and worksheets.

A pack that includes the Teacher's Book and access to the Big tree platform, which includes the Online Workbook and Teacher's Resource Centre through a webcode, where teachers can access a wide range of additional resources including one-to-one and fast-track options, and see students' progress via an automatic gradebook.

An innovative, new multi-level course for the university and in-company sector. Business Advantage is the course for tomorrow's business leaders. Based on a unique syllabus that combines current business theory, business in practice and business skills - all presented using authentic, expert input - the course contains specific business-related outcomes that make the material highly relevant and engaging. The Business Advantage Intermediate level books include input from leading institutions and organisations, such as: the Cambridge Judge Business School, IKEA, Emirates NBD, Isuzu and Unilever. The Teacher's Book comes with photocopiable activities, progress tests, and worksheets for the DVD which accompanies the Student's Book.

"In Company is a fast-paced four-level business English course for professional adults who need to communicate

Where To Download In Company Intermediate

in everyday business situations. It has established itself as the English course for professionals because of its immediate results through topic-based content, active skills, and real-world tasks that are instantly relevant to everyday business life development. In Company recognizes that students need to go beyond talking about their work in English: they need English skills that are immediately transferable to their day-to-day routine. Each lesson is a stand-alone fast-track unit to competence in a particular skill that students will need in their working life."--Editor.

"The course systematically develops key language skills through motivating activities that reflect the real world of modern business. It has been specifically designed for the in-company language training sector"--Publisher's website.
