coverage? Check out Lonely Planet Middle East guide. About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves. Note: The digital edition of this book is missing some of the images found in the physical edition

In *Iranian Hospitality, Afghan Marginality*, Elisabeth Yarbakhsh unpacks ideas around culture, identity, and the relationship between Iranian citizens and Afghan refugees living in Shiraz, Iran, and surrounding areas. Yarbakhsh highlights the ways in which shifting policies and practices toward refugees over the past forty years have run parallel to the transitive notions of what it means to be Iranian. Yarbakhsh exposes the complex interplay of identity and hospitality as it emerges out of variously competing and intersecting Islamic, historical, and literary narratives of Iranian identity, carefully illustrating how these factors circumscribe Afghan refugee life in the city of Shiraz.

Couchsurfer, hitchhiker, and rogue wanderer Jamie Maslin embarks on a couchsurfing adventure to the homeland of “firebrand,” “populist,” “anti-American” president Hugo Chavez: the Bolivarian Republic of Venezuela. Alone in the crime capital of the world Maslin immediately finds himself in trouble—arrested by knife-wielding police officers and inoculated with an unwanted vaccination. After a terrifying start in Caracas, he soon leaves the teeming city and travels to the places tourists never see, staying on the couches of people he befriended online just days earlier, and meeting everyone from fervent social revolutionaries to the country’s wealthy elite. He sets off in search of mile-high waterfalls, flat topped jungle plateaus, rolling deserts, and the famous lightning that appears suddenly in the sky with no rain or thunder. Visiting sprawling slums and opulent mansions, Maslin offers a fascinating and timely social, cultural, and historical introduction to a country increasingly in the headlines. Often irreverent, frequently informative, and habitually funny, this is the remarkable account of a young adventurer’s journey through a breathtakingly beautiful and dynamic country where the

politics of oil and social revolution are never far from the surface.

A lighthearted portrait of Iran's secret counterculture as observed by an American backpacker describes how he became immersed in the culture of friendly locals who revealed a world marked by western fashions, Christian worship, and black-market alcohol.

Traditional Chinese edition of The 86 Biggest Lies On Wall Street by John Talbott who worked as an investment banker at Goldman Sachs. He has foretold the housing crash in 2003 in a well analyzed book while everyone else dismissed his claim. In this book, he criticizes the government policies, lobbyist, media, etc. and advocates for some tough measures to get our economy back on tract. In Traditional Chinese.
