Sonny, a college student from Mississippi, discovers ancient journals while working on a dig in Scotland. Hidden for hundreds of years, these journals detail the adventures of Tom Cook, Jack's Dad. Tom is sold to a merchant ship that will become the first to sail around the Cape of Good Hope from Europe to the Pacific. In South Africa, Tom helps the native Bushmen survive when threatened by starvation and a hungry lion. In Java, he saves a friendly tribe from vicious savages, and in New Zealand he encounters wonders he has never imagined, as well as a little magic. Tom and his mates on the ship gain wealth and prestige on their visit to Kowloon (Hong Kong), and he and his best friend Sean save their ship Destiny in Zanzibar. Their return to Scotland results in the biggest surprise, when Tom learns that his son Jack has become famous. As the journals are discovered and translated, Sonny falls in love amid burglaries and plots to suppress the discoveries and steal a fortune in gold and silver that has been hidden for centuries.

Taking an original approach to Robert Browning's poetics, Britta Martens focuses on a corpus of relatively neglected poems in Browning's own voice in which he reflects on his poetry, his self-conceptualization and his place in the poetic tradition. She analyzes his work in relation to Romanticism, Victorian reactions to the Romantic legacy, and wider nineteenth-century changes in poetic taste, to argue that in these poems, as in his more frequently studied dramatic monologues, Browning deploys varied dramatic methods of self-representation, often critically and ironically exposing the biases and limitations of the seemingly authoritative speaker 'Browning'. The poems thus become devices for Browning's detached evaluation of his own and of others' poetics, an evaluation never fully explicit but presented with elusive economy for the astute reader to interpret. The confrontation between the personal authorial voice and the dramatic voice in these poems provides revealing insights into the poet's highly self-conscious, conflicted and sustained engagement with the Romantic tradition and the diversely challenging reader expectations that he faces in a post-Romantic age. As the Victorian most rigorous in his

cover the early pioneers who dreamt up the concept initially some 120 years ago; the work of modern day scientists and engineers who have developed the concept into doable plans; how the concept has been portrayed in novels, films and art; the conferences at which interested people could present and discuss their work and ideas; the global community that has grown up around space elevators and the competition challenges that have been held; and what the future may hold.

A lift-the-flap, pop-up fairy tale with an audio CD. In Lift-the-Flap Fairy Tales: The Three Billy Goats Gruff, the traditional fairy tale is retold in irreverent, playful rhyme that's perfect for reading aloud, and brilliantly accompanied by Nick Sharratt's bright and vibrant illustrations. There are flaps to lift and pop-up surprises on every page: take a peek under the bridge to see who's hiding there, see the troll jump out at the goats, and watch him go tumbling down into the river - splash! Includes a free audio CD read by Anna Chancellor, with two tracks: listen to the story alone, or follow along with the book by turning the pages when you hear the chime. Look out for the other five stories in the Lift-the-Flap Fairy Tales series: Goldilocks, Jack and the Beanstalk, The Three Little Pigs, Cinderella and Little Red Riding Hood.

Jack is a high school student whose life is almost as boring and painful for him as it is for the reader—until he finds a magical ring that transports him into a world where fairy tale has been coded into fact. Jack stumbles into a civilization where every town is founded on a different animal—an animal that gives the citizens its name, its language, and even the ability to transform into its bestial likeness. Here the hapless sophomore finds himself the reincarnation of “the first Jack,” the hero who once saved the Valley from the giants that brood in the mountains above. But if Jack is to live up to his legendary roots, he'll have to survive Cat Town's blood feud with Rat Town, the secretive ventures of Dragon Town, and the haphazard savagery of the Ringless who keep loyalty to no town at all.

Once upon a time, Jack climbed a giant beanstalk and found his fortune... Peep through the pages to follow Jack's adventures in this magical book, with delicate cutaway scenes, flaps to lift and stunning illustrations from Davide Ortu. A beautiful way to introduce children to the classic fairytale.
