I wrote this book to give people hope, and to not be afraid of death. I know that the majority of people do not believe that there is a life after death, I was doubtful, also, but, I am here to tell you that that there really is life after death, I saw it, and I am still allowed to see it.. I have read some of Sylvia Browne's books, as well as John Edwards, James Van Praagh, and others. Having had psychic abilities since I was a little girl, I can relate to many of the things that happened to them in their lives, some of these events have happened to me. Sylvia taught me about my spirit guide. I've learned a lot more about, "Patience," my spirit guide, since then I have seen her, and heard her trying to capture my attention. I am more certain and confident today in my beliefs than ever before, that you will not die like that proverbial bug on the sidewalk, squashed under someones shoe, never to be heard from again, that life is forever. My husband allowed me to see this, and I know it to be true. Read my book and learn how he did this. More than anything I don't want you to be afraid of death, I want to give you comfort in knowing that, your spirit is eternal.

World-renowned author and psychic James van Praagh has spent years communicating with spirits on the other side, but he is far from alone in this experience. Joined by psychic medium Sunny Dawn Johnston, best-selling author Lisa McCourt, and over twenty others who have had direct contact with the spirit world, *When Heaven Touches Earth* is proof that you don't need to be a household name in mediumship to receive love and guidance from the spirit world.

"He helps a lot of people. He really is a healer. I think he's basically on this earth right now at this time and place to heal. He is the real thing. I can't tell you how many times he's been right with me." — Shirley MacLaine "It has such a hopeful message. Even though he's telling stories of the dead, it's really about living your life better and inspiring people to not have unfinished business." — Jennifer Love Hewitt James Van Praagh, world-famous medium, co-executive producer of the primetime series *Ghost Whisperer*, and author of the New York Times bestseller *Ghosts Among Us*, is back with *Unfinished Business*. Fans of Sylvia Browne and John Edward will find this a useful and reassuring guide for the living... from those who have passed on.

chats, read other books, and learned from others. I studied anything that had to do with the Psychic Medium Awareness. As I tell my stories, I will also be speaking of others that inspired me along the way and gave me the courage to continue on my path of the Psychic Medium Studies. I tell this now because these same wonderful people are still in my life and will be mentioned time and again in my other books. They continue to help me through the good times and the bad. Many people that knew me all my life could not believe I was a Medium. There was so many around me at this time that did not believe in Psychic Medium Awareness. We are all psychic to some degree is what I was taught. Today I teach this also. I hope my story will inspire others to search and find their true self as I have done and to learn exactly all they can become. I was told in the beginning in Alcoholics Anonymous that I had to get to the bottom in order to be willing to get sober and stay sober. Recently in a detailed reading from Alison Baughman, Visible by Numbers, she tells and explains in a life chart number reading, how each step of my life went. Not only from my past, in between, and present, but how my life would unfold in the future. Alison even told me how I would be moving forward from the day of her reading to me on the phone. So far, everything that was said has been totally accurate. Right today I am living what she predicted. Alison also told me, "that I had to experience everything I did to be able to help and teach others." This reminds me of what my Father always said, "You have to walk in another man/woman's shoes to truly know him/her." I had to experience losses, struggles, and trials. I needed to do this and help others from my experiences to help them work through theirs. I guess we could say I was to learn compassion, empathy, and unconditional love. In the stories that follow, it may seem I am scattered. It was recommended to me to be more organized in the stories. However, the way it happened was all scattered, confusing, and sometimes scary. I wrote what came to me in the order that it came to me. I hope the ones who read this book will keep in mind that I am not the most educated person. This is my fault I know. I am hopeful that all who read this book will find inspiration and insight, rather than focus on my writing ability and mistakes in this book. I start off my book with, "The Fatal Plane Crash", the prologue, for that was when I first started seeking answers to what happened to me that night. Join me in my journey and see how I found out the answer that I was searching to find for years. Namaste - May the Divinity in you find the Divinity in me! May the Divinity in me find the Divinity in you!

Even though Keith Richardson and his wife, Francesca, own a shop that specializes in angels, and Keith has written the definitive books on America's best-known angel artist, Andy Lakey, Richardson was beyond surprised and to say the least skeptical when, during a guided meditation, a fully formed spirit guide appeared to him and began to speak. The story unfolds. The spirit guide called himself Chang (a Chinese title for "Emperor," as it turns out.) Chang is currently spirit guide to seventeen people, several of whom make an appearance in this book--most notably, James Van Praagh. As Richardson is guided by Chang, he learns many important life lessons and receives information about the past lives he and his wife share along with several of their current acquaintances. Richardson's quest eventually brings him to the Qing Tombs outside Beijing where Chang offers him a life-changing message that leads him and Francesca to recognize the meaning of true love and forgiveness. This moving and inspiring story has chapters on reincarnation and how it works, plus information on karma and universal laws, i.e. abundance, forgiveness, attraction. A fast and fascinating read! This is a book in the tradition of best-selling New Age titles such as The Celestine Prophecy or Mutant Message Down Under, or Shirley MacLaine's groundbreaking Out on a Limb. * A true story of love and reincarnation, forgiveness and karma, with wide mass appeal.
