Official organ of the book trade of the United Kingdom.

Jesse Cook - Works

Reconstructs the life of Emma Goldman through significant texts and documents.

A collection of 51 plays that features previously unpublished works, contemporary plays by women, and the modern classics.

In *Pagan Theology*, Michael York situates Paganism—one of the fastest-growing spiritual orientations in the West—as a world religion. He provides an introduction to, and expansion of, the concept of Paganism and provides an overview of Paganism's theological perspective and practice. He demonstrates it to be a viable and distinguishable spiritual perspective found around the world today in such forms as Chinese folk religion, Shinto, tribal religions, and neo-Paganism in the West. While adherents to many of these traditions do not use the word “pagan” to describe their beliefs or practices, York contends that there is an identifiable position possessing characteristics and understandings in common for which the label “pagan” is appropriate. After outlining these characteristics, he examines many of the world's major religions to explore religious behaviors in other religions which are not themselves pagan, but which have pagan elements. In the course of examining such behavior, York provides rich and lively descriptions of religions in action, including Buddhism and Hinduism. *Pagan Theology* claims Paganism's place as a world religion, situating it as a religion, a behavior, and a theology.

Vols. for 1871-76, 1913-14 include an extra number, *The Christmas bookseller*, separately

paged and not included in the consecutive numbering of the regular series.

Titles include: Alone * Bogota by Bus * Cafe Mocha * Cascada * Dance of Spring * Fields of Blue * Luna Llena * Mario Takes a Walk * Rain * Switchback * Tempest * Virtue.

"While much has been written about Bruce Lee as a martial arts instructor and as an actor, very little has ever appeared about the years he spent training with James Yimm Lee, a talented kung fu stylist. This training period left a lasting impression on the "Dragon's" ideology and shaped his outlook on the martial arts for years to come. This title offers an in-depth account of the emergence of Bruce Lee's Jeet Kune Do."--Publisher description.
