New York Times bestselling author, K. Bromberg, is back with a new Kincade sister and a swoon-worthy football player in an all new standalone romance that will make you believe in first crushes and true love. I've signed numerous players to my family's agency—I assumed winning over my next client would be just as easy. The last thing I expected was to run into the boy who took my first kiss and broke my heart: only now Drew Bowman is all grown up. Sexy. Scandal-tainted. Second-string. The crush I never got over. I tell myself work is the reason I can't get him out of my head. I tell him his talent far outweighs his position, and I know I can help. I lie and lie, because admitting that I want a second chance at my first love is impossible. Some lines cannot be crossed, and ours was drawn in the sand years ago. *** I'm supposed to hate her. I've been told so time and again for ten years - her father ruined our family, smeared my name before my career even began. But that's not what I'm feeling now. Brexton Kincade just strode out of my memories and onto my field. Driven. Determined. Grown up. The Capulet to my Montague. Being with her would be an unforgivable sin against my father, but I can't resist the pull between us. Even if it means hiding what we have. Even if it means confronting the secrets I've always feared were lies. Read what others are saying about New York Times bestselling author, K. Bromberg: ". . . riveting, sexy and pulsing with energy. Rose Cassidy doesn't truly live; she just exists. Numbing herself to fear and pain is the only way she can survive in this cruel world. So when she's taken as collateral by the notorious Danny Black in a deadly game of power, she's thrown by the deep fear she feels rising within her. And, worse than fear, a profound desire. She's heard tales of The Brit. He's callous. Coldblooded. But no one ever said he was wickedly beautiful and darkly captivating. He sees past her mask, giving her a cruel sense of hope. But she must fight their twisted attraction or risk losing the one thing she survives for. When Danny Black took an enemy's beautiful lover as security, he never anticipated the repercussions. Or the warped attraction they would share. Rose Cassidy pushes Danny to the brink of madness with her impenetrable façade and savage allure. He has to remind himself that she's bait. A solution to a problem. Yet she evokes powerful feelings in Danny, and feelings are risky when you're wanted dead by endless enemies. The most dangerous game is about to be played. But can either of them win?

New York Times bestselling author K. Bromberg is back with an all new second-chance, standalone hockey romance. At first, the request seemed simple—sign a new athlete to the agency. Then I found out the new athlete was none other than the most wanted man in hockey today: Hunter Maddox Gifted. Sexy. At the top of his game. And the only man who has ever broken my heart. If signing him will help save our family business, I'll swallow my pride and do what's asked. But when it becomes clear his uncharacteristic antics off the ice are a hint of something deeper, keeping things strictly professional between us becomes more than complicated. But I know better than to cross that line. I'll never date a client. Not even for him. *** Win the Stanley Cup and do it before time runs out. Not a small feat, but it's what's motivated me since the start of my career. And time is running out. Enter Dekker Kincade. Feisty. Dogged. Damn gorgeous. The one I let get away. I have no idea why she's traveling with the team, but hell if resisting her is going to be easy. But I have a job to do, and I refuse to lose sight

of that end game. Even if she confuses me. Even if she sees parts of me I've hidden from the world. I can't lose focus. Not even for her. I know veterans protect each other. So I pretend to be a graduate student. Sparks. Flame. Fire. I accidentally got in too deep. I didn't expect to develop feelings for Gunner Camden. And there's no way I can admit to my lies now, not without destroying what we share. So I'll keep faking it. *** There are two versions of me: before, and after deployment. Back then I was a screwup kid. I'd lie, cheat, and steal my way out of everything. My only love was baseball. After I started fighting, I found out there had been another path for me. One that involved my dream. But by then I had seen too much. The old me was dead, so I put my dreams to rest, too. Then Chase Kinkade walks into my bar and reminds me that life is meant to live. His chiseled abs, irresistible smirk, and crystal blue eyes are too perfect to be real. So, what do I do? Get drunk and humiliate myself, of course. I'm ready to forget the awkward night, yet Noah has no intention of allowing me to move on. Instead, he arranges for me to write a feature on him, ensuring a lot more time together. One embarrassing moment after another, one kiss after another, and before I can stop myself, I realize—I'm falling in love with him. But when the unthinkable happens, can I even blame him for cutting his losses? What I wouldn't give for just one last time . . .
