Fifty entrepreneurs offer real-life wisdom, insight, and practical advice. They teach that failure is the pathway to success, a burning passion the essential fuel, and having a purpose greater than oneself is the key to fulfillment.

Fourteen-year-old Jackson Elderberry Monroe is an indigo with unusual abilities. Due to acceleration codes imbedded in his DNA, he is picked by a group of Guardian extraterrestrials to help protect the planet Earth from sinister alien technology deliberately designed to pull Earth into a black hole in the center of the galaxy. The Guardian extraterrestrials choose TeTe, a strangely weird but wise representative from the sixth dimension to prepare and train the young indigo for what portends to be a very dangerous time travel mission and to open his mind to the true history of the planet, which has been safely kept on selenite crystals until now. Intrigued by an adventure that includes taking hyperspace leaps while transcending time, making new alien friends, and indulging in off planet retrieval missions and recreational opportunities, Jackson decides to give the training program a try. Now only time will tell if Jackson and the Guardian team will be successful in altering the timeline of Earth's fall. *Why Me?* is the continuing science fiction tale of a gifted teenager's journey through hyperspace, with the help of an alien mentor, in an effort to save Earth from a horrifying fate.

If you are looking for a book that will divulge the secret to making millions of dollars in a short amount of time without working hard at it, then you have the wrong book. If you do find a book providing that information, then put it down and walk away. If that book existed, wouldn't every reader be a millionaire? Wealth Virtues by James Ward simplifies the definition of wealth as "the ability to acquire more money than you spend, and to save more than you owe." This ability comes from understanding both your behavior, and the cyclic nature of money. By applying the practice of the Thirteen Virtues of Benjamin Franklin with the Cycle of Positive Wealth, anyone can be wealthy regardless of their current income. It is simply a matter of applying the things you already know into practice. Wealth Virtues reveals the simple path to get you there. James Ward is wealthy. Not "John D. Rockefeller wealthy," but rather has more money flowing in than flowing out. He is or has been a successful computer scientist, Coast Guardsman, Army Officer, analyst, musician, graphic designer, skier, manager for a defense contractor, business owner, and a writer. He is also a successful investor, but lives well within his means. As the owner of Poor Richard Web Press, he helps businesses, non-profits, and individuals succeed with their Internet marketing goals. He also helps other writers with free online marketing tools at BiblioScribe.com, and is a contributor to First Book, and organization that provides new books to children in need. Although his savings and investments continue to grow from the continual practice of Dr. Benjamin Franklin's Thirteen Virtues while following the Cycle of Positive Wealth, he realizes that his only true and most valuable treasure is his family. In Life Tuneups, Loren Slocum empowers and reminds all women—single, married, working, with or without kids—to recognize their unique gifts, celebrate their inner beauty, and take care of themselves as they juggle the myriad facets of their lives. She insists that when a woman is true to herself, she really can have it all—that she can wake up each day feeling motivated, energized, inspired, and passionate about her life. Each chapter begins by defining a word—woman, journey, passion, great, feminine, balance, space, rituals—and then examines what it means in women's lives today. Writing in the first and second person, Loren speaks to readers in the same warm and reassuring tone that has earned her such distinction as a personal development seminar leader, speaker, life fulfillment coach—and mom. Life Tuneups shows how true leadership emerges when a woman steers away from the fast lane to martyrhood and begins to move toward rediscovering her inner core. It encourages women to think about the important things in life, and gives examples of others—both everyday women and famous women—who have pulled through difficult situations. And it guides women through the process of achieving balance and happiness in the little things—whether in morning rituals, journaling, or pampering themselves. Self-assessment prompts and questions throughout help women reconnect with their dreams and passions. Ultimately, Life Tuneups teaches women that they must take time for themselves, and it gives them the tools to go from ideology to action, to incorporate real—and lasting—change into their lives.

In praise of You Are God's Best Idea! Divine Acceptations and Living the Undeniable Life: In You Are God's Best Idea! Divine Acceptations and Living the Undeniable Life, Douglas E. Holzmeier does an amazing job of helping us understand that life is essentially a spiritual experience whether we are aware of it or not. We could not be any more "spiritual" if we tried because life is a sacred continuum. There is no area of our lives that is any more, or less, spiritual than another...spirituality is the conscious mindful practice of the awareness of God's presence in every holy instant. This book is a call to awakening--to help you remember to remember that on the day you were born God had a "One-derful" idea; a desire to know Itself and express Itself in an entirely new and unique way...and that idea is YOU. ~ Dennis Merritt Jones, Author of *The Art of Being~101 Ways to Practice Purpose in Your Life*
