Your Pregnancy Journal You have the miracle of life growing inside of you so why not write down how it feels on a daily basis? A pregnancy diary is something you will cherish for the rest of your life. It can be just a memory to reflect on or your own personal instruction manual for the next pregnancy. You have ample space to write down all your emotions, morning sickness (sorry), cravings and how much you want to hurt uh... love your significant other for doing this to/with you. Write down anything you feel is important for details and make sure to write down how you are actually feeling. Journaling can help get you through those emotional days. The times when everything feels fantastic or the days you just aren't sure how in the world you are going to pull this off. Don't forget there will be baby's first kicks, how beautiful your baby belly is and names. All the names you need to consider. You can keep this journal to yourself, share it with a loved one, or wait and give it to your child when they choose to start a family. You don't want to miss out on any of the memories that might get lost with the baby brain so why not scroll up today and hit the orange buy button as added insurance.
