

## Journey From Petersburg To Moscow Russian Text

Gregory Afinogenov explores centuries of Russian spying and scholarship on the Far East. He argues that the approaches the empire took are closely related to its leaders' perception of Russia's place in the world. Espionage gave way to public-facing, academic study, as Russia sought to outdo Britain in a global contest for imperial prestige.

First Published in 1972. Routledge is an imprint of Taylor & Francis, an informa company. In a bucolic idyll, a terrorist agonizes over the act of violence he is about to commit. On a remote island in the South Pacific, the investigation of a case of mass suicide reveals further mysteries. In a far-flung colony, a cynical trio sends an unwitting man into the wilderness in search of a chimera. Mixing romance and high adventure, intrigue and the fantastic, these magnificent tales by one of Russia's most enduringly popular writers deftly probe the depths of human nature and desire. Fandango and Other Stories presents a selection of essential short fiction by Alexander Grin, Russia's counterpart to Robert Louis Stevenson, Edgar Allan Poe, and Alexandre Dumas. By turns a sailor, a dockworker, a vagrant, a gold prospector, a lumberjack, a soldier, a deserter, an agitator, an exile, a prisoner, and a runaway, Grin wrote seven novels and over three hundred short stories that transport the reader to a realm of pure art and imagination. His ingenious plots explore conflicts of the individual and society in a romantic world populated by a cast of eccentric, cosmopolitan characters. Fandango and Other Stories includes works drawn from across the entirety of Grin's varied career to encompass the range and sophistication of his writing. Bryan Karetnyk's elegant translations bring Grin's distinctive voice to a new generation of readers.

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

When people think of Russian food, they generally think either of the opulent luxury of the tsarist aristocracy or of post-Soviet elites, signified above all by caviar, or on the other hand of poverty and hunger—of cabbage and potatoes and porridge. Both of these visions have a basis in reality, but both are incomplete. The history of food and drink in Russia includes fasts and feasts, scarcity and, for some, at least, abundance. It includes dishes that came out of the northern, forested regions and ones that incorporate foods from the wider Russian Empire and later from the Soviet Union. Cabbage and Caviar places Russian food and drink in the context of Russian history and shows off the incredible (and largely unknown) variety of Russian food. Sumarokov and the literary process of his time -- Visuality and orthodoxy in eighteenth-century Russian culture.

Primarily an attack on serfdom and an appeal to the serfs voluntarily, Aleksandr Radishchv's Journey from St. Petersburg to Moscow has often been described as a Russian Uncle Tom's Cabin. Published in 1790, the book was banned immediately and the author first sentenced to death, then banished to eastern Siberia. On the order of the Empress Catherine II, who read the Journey very carefully, all copies that could be found were collected and burned. The few that escaped were widely circulated and laboriously copied out by hand, but the book was not freely published in Russia until 1905.

Short-listed for the Pushkin House Russian Book Prize More than twenty years ago, the NPR correspondent Anne Garrels first visited Chelyabinsk, a gritty military-industrial center a thousand miles east of Moscow. The longtime home of the Soviet nuclear program, the Chelyabinsk region contained beautiful lakes, shuttered factories, mysterious closed cities, and some of the most polluted places on earth. Garrels's goal was to chart the aftershocks of the U.S.S.R.'s collapse by traveling to Russia's heartland. Returning again and again, Garrels found that the area's new freedoms and opportunities were exciting but also traumatic. As the economic collapse of the early 1990s abated, the city of Chelyabinsk became richer and more cosmopolitan, even as official corruption and intolerance for minorities grew more entrenched. Sushi restaurants proliferated; so did shakedowns. In the neighboring countryside, villages crumbled into the ground. Far from the glitz of Moscow, the people of Chelyabinsk were working out their country's destiny, person by person. In Putin Country, Garrels crafts an intimate portrait of Middle Russia. We meet upwardly mobile professionals, impassioned activists who champion the rights of orphans and disabled children, and ostentatious mafiosi. We discover surprising subcultures, such as a vibrant underground gay community and a circle of determined Protestant evangelicals. And we watch doctors and teachers trying to cope with inescapable payoffs and institutionalized negligence. As Vladimir Putin tightens his grip on power and war in Ukraine leads to Western sanctions and a lower standard of living, the local population mingles belligerent nationalism with a deep ambivalence about their country's direction. Through it all, Garrels sympathetically charts an ongoing identity crisis. In the aftermath of the Soviet Union, what is Russia? What kind of pride and cohesion can it offer? Drawing on close friendships sustained over many years, Garrels explains why Putin

## Download Free Journey From Petersburg To Moscow Russian Text

commands the loyalty of so many Russians, even those who decry the abuses of power they regularly encounter. Correcting the misconceptions of Putin's supporters and critics alike, Garrels's portrait of Russia's silent majority is both essential and engaging reading at a time when cold war tensions are resurgent.

Journey from St. Petersburg to Moscow is among the most important pieces of writing to come out of Russia in the age of Catherine the Great. Alexander Radishchev's account of a fictional journey blends literature, philosophy, and political economy to expose social and economic injustices and their causes at all levels of Russian society.

Winston Churchill famously described Russia as 'a riddle wrapped in a mystery inside an enigma' and even today it remains a country little understood by the West. In this revealing portrait, Jonathan Dimbleby crosses eight time zones and covers 10,000 miles in an attempt to get to the beating heart of the new Russia. His epic journey takes him from the Arctic city of Murmansk in the west to the Asian port of Vladivostok in the east, and he encounters an extraordinary range of people: urban intellectuals and entrepreneurs, war veterans and migrant labourers, spiritual leaders and aging rock stars, bootleg vendors and fish poachers, loggers in the forests of Siberia and fellow journalists under siege in an increasingly autocratic society. Russia is both a deeply personal odyssey and a mesmerizing account of a country undergoing profound economic, cultural and political change.

Alexander Radishchev's major work, *A Journey from St. Petersburg to Moscow*, first published in 1790, was the most scathing denunciation of serfdom and autocracy that had ever appeared in Russia. Its author was immediately arrested, tried for treason, and condemned to death, the sentence being later commuted to exile in Siberia. Catherine the Great, who had provided

Radishchev with a schooling in despotism in the Corps des Pages and with an introduction to the Enlightenment at the University of Leipzig, saw in his book a gratuitous insult to herself as well as an attempt to incite a revolt that would bring him to power. Forgetting that many of its ideas were the same as those she had herself expressed earlier, she denounced it as the fruit of foreign abstract theories acting on an excitable, ambitious and resentful man. The Journey was effectively suppressed for more than a century. Any mention of Radishchev was discouraged by the censor for seventy years. A generation after Radishchev's death in 1802, Pushkin's biography of him was refused publication permission on the ground that the subject of it was forgotten and deserved to remain so.

David Green decides to travel thousands of kilometres from Moscow to Vladivostok on the iconic Trans-Siberian line. On the train and in the many Siberian outposts he stops at he meets a wide range of ordinary Russian people - from a group of Beatles-singing babushkas to soldiers and struggling entrepreneurs - with situations arising that are at times comical, awkward or poignant. Travelling in third class, he learns to adhere to the train's unwritten social codes and to navigate the unfamiliar environment of Siberia, occasionally shadowed by security agents.

University Press since its founding in 1905.

This collection of short essays on texts in the history of democracy shows the diversity of ideas that contributed to the making of our present democratic moment. The selection of texts goes beyond the standard, Western-centric canonical history of democracy, with its beginnings in ancient Athens and its climax in the French and American revolutions, recovering some of the significant body of democratic and anti-democratic thought in Latin America, Asia, and elsewhere. It includes discussions of well-known philosophers like Plato and Aristotle, but also of a variety of thinkers much less well known in English as writers on democracy: Al Farabi, Bolívar, Gandhi, Radishchev, Lenin, Sun Yat-sen, and many others. The essays thus de-center our understanding of the moments where the idea of democracy was articulated, rejected, and appropriated. Spanning antiquity to the present and global in scope, with contributions by key scholars of democracy from around the world, *Democratic Moments* is the ideal text for all students wishing to expand their understanding of the ways in which this contested concept has been understood.

Shortlisted for the Stanford Dolman Travel Book of the Year Award'A gem of a book, informative, companionable, sometimes funny, and wholly original.

MacLean must surely be the outstanding, and most indefatigable, traveller-writer

## Download Free Journey From Petersburg To Moscow Russian Text

of our time' John le Carré In 1989 the Berlin Wall fell. In that euphoric year Rory MacLean travelled from Berlin to Moscow, exploring lands that were - for most Brits and Americans - part of the forgotten half of Europe. Thirty years on, MacLean traces his original journey backwards, across countries confronting old ghosts and new fears: from revanchist Russia, through Ukraine's bloodlands, into illiberal Hungary, and then Poland, Germany and the UK. Along the way he shoulders an AK-47 to go hunting with Moscow's chicken Tsar, plays video games in St Petersburg with a cyber-hacker who cracked the US election, drops by the Che Guevara High School of Political Leadership in a non-existent nowhereland and meets the Warsaw doctor who tried to stop a march of 70,000 nationalists. Finally, on the shores of Lake Geneva, he waits patiently to chat with Mikhail Gorbachev. As Europe sleepwalks into a perilous new age, MacLean explores how opportunists - both within and outside of Russia, from Putin to Home Counties populists - have made a joke of truth, exploiting refugees and the dispossessed, and examines the veracity of historical narrative from reportage to fiction and fake news. He asks what happened to the optimism of 1989 and, in the shadow of Brexit, chronicles the collapse of the European dream. I left too early, before tanks rolled into Moscow in 1991, and before Gorbachev was put under home arrest in a failed coup. I left before Russia and Ukraine

became separate countries, before the KGB archives were opened, before the Russian version of Wheel of Fortune, before the word 'Gulag' appeared in textbooks. I left before Chechnya, before ...

A Brown Man in Russia describes the fantastical travels of a young, colored American traveler as he backpacks across Russia in the middle of winter via the Trans-Siberian. The book is a hybrid between the curmudgeonly travelogues of Paul Theroux and the philosophical works of Robert Pirsig. Styled in the vein of Hofstadter, the author lays out a series of absurd, but true stories followed by a deeper rumination on what they mean and why they matter. Each chapter presents a vivid anecdote from the perspective of the fumbling traveler and concludes with a deeper lesson to be gleaned. For those who recognize the discordant nature of our world in a time ripe for demagoguery and for those who want to make it better, the book is an all too welcome antidote. It explores the current global climate of despair over differences and outputs a very different message – one of hope and shared understanding. At times surreal, at times inappropriate, at times hilarious, and at times deeply human, A Brown Man in Russia is a reminder to those who feel marginalized, hopeless, or endlessly divided that harmony is achievable even in the most unlikely of places.

The Enlightenment privileged vision as the principle means of understanding the world, but the eighteenth-century Russian preoccupation with sight was not merely a Western import. In his masterful study, Levitt shows the visual to have had deep indigenous roots in Russian Orthodox culture and theology, arguing that the visual played a crucial role in the formation of early modern Russian culture and identity. Levitt traces the early modern Russian quest for

## Download Free Journey From Petersburg To Moscow Russian Text

visibility from jubilant self-discovery, to serious reflexivity, to anxiety and crisis. The book examines verbal constructs of sight—in poetry, drama, philosophy, theology, essay, memoir—that provide evidence for understanding the special character of vision of the epoch. Levitt's groundbreaking work represents both a new reading of various central and lesser known texts and a broader revisualization of Russian eighteenth-century culture. Works that have considered the intersections of Russian literature and the visual in recent years have dealt almost exclusively with the modern period or with icons. *The Visual Dominant in Eighteenth-Century Russia* is an important addition to the scholarship and will be of major interest to scholars and students of Russian literature, culture, and religion, and specialists on the Enlightenment.

The destructive power of obsessive love was a defining subject of eighteenth- and nineteenth-century Russian literature. In *Febris Erotica*, Sobol argues that Russian writers were deeply preoccupied with the nature of romantic relationships and were persistent in their use of lovesickness not simply as a traditional theme but as a way to address pressing philosophical, ethical, and ideological concerns through a recognizable literary trope. Sobol examines stereotypes about the damaging effects of romantic love and offers a short history of the topos of lovesickness in Western literature and medicine. Read an interview with the author: [http://www.rorotoko.com/index.php/article/valeria\\_sobol\\_interview\\_febris\\_erotica\\_lovesickness\\_russian\\_literary\\_imagin/](http://www.rorotoko.com/index.php/article/valeria_sobol_interview_febris_erotica_lovesickness_russian_literary_imagin/)

For years Daniel Moss has been fascinated with Russia. Now, he's finally taking his dream vacation to St. Petersburg and Moscow. Just when he thinks his interesting but uneventful tourist trip has come to a safe end, Daniel's greatest fears about traveling to such a strange

and exotic country on the other side of the world start to materialize. Dan and his Russian tour guide, Sasha, find themselves in the middle of a perilous journey as they are taken hostage by Separatist militants of Chechnya, the tiny country still bitterly struggling for independence from Russia. Along the way, Dan and Sasha become acquainted with smugglers and bandits, learn about a side of Russian history they never knew about, and fall in love. They soon discover the truth about the War on Terror and how it relates to the conflict between Chechnya and Russia and the dark secret about the most dangerous and sought-after terrorist leaders in the world is revealed. Miraculously, Dan and Sasha get one chance to earn their freedom, but if they fail, they will die. If they succeed, they will accomplish one of the greatest missions of all time-and earn the ultimate victory in the War on Terror.

In the shadow of Pushkin's Golden Age, Russia's eighteenth-century culture was relegated to an obscurity hardly befitting its actually radical legacy. Why did nineteenth-century Russians put the eighteenth century so quickly behind them? How does a meaningful present become a seemingly meaningless past? Interpreting texts by Lomonosov, Derzhavin, Pushkin, Viazemsky, Turgenev, Tolstoy, and others, Luba Golburt finds surprising answers.

Russians have often been characterized as people with souls rather than selves. *Self and Story in Russian History* challenges the portrayal of the Russian character as selfless, self-effacing, or self-torturing by exploring the texts through which Russians have defined themselves as private persons and shaped their relation to the cultural community. The stories of self under consideration here reflect the perspectives of men and women from the last two hundred years, ranging from westernized nobles to simple peasants, from such famous people as Tolstoy, Dostoyevsky, Akhmatova, and Nicholas II to lowly religious sectarians. Fifteen

distinguished historians and literary scholars situate the narratives of self in their historical context and show how, since the eighteenth century, Russians have used expressive genres—including diaries, novels, medical case studies, films, letters, and theater—to make political and moral statements. The first book to examine the narration of self as idea and ideal in Russia, this vital work contemplates the shifting historical manifestations of identity, the strategies of self-creation, and the diversity of narrative forms. Its authors establish that there is a history of the individual in Russian culture roughly analogous to the one associated with the West.

### Journey from St. Petersburg to Moscow Russian Library

In this classic of Russian humor and social commentary, a fired cable fitter goes on a binge and hopes a train to Petushki (where his "most beloved of trollops" awaits). On the way he bestows upon angels, fellow passengers, and the world at large a magnificent monologue on alcohol, politics, society, alcohol, philosophy, the pains of love, and, of course, alcohol.

Moscow – the city of mail order Russian Brides, endless winters, and rivers of vodka. Or is it? Follow one man's extraordinary real-life journey through the harsh and absurd realities of existence as a British expat in a metropolis so alien, it could be on another planet.
