Everlasting Love is a book which depicts the relationship between two people—a man and a woman—whose paths divinely meet and culminate a more than thirty-year journey of learning about God's love through friendship, separation, adversity, marriage, and beyond. Love does not begin with a mere infatuation or affection that two people have for each other but, in essence, comes forth from the revelation of first knowing that we, as individuals, are loved by God. When we, in our hearts, comprehend how much God loves us, then we are more easily able to reciprocate that love back to Him (1 John 4:19). Secondly; as we learn how precious we are to Him, we then take a different look at ourselves, and upon doing so, we place a higher degree of value on the deposits and the spiritual gifts imparted to us by Him. "For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life" (John 3:16). Do you see the word everlasting? Does this give you and me a clue that when it is over here, that it is really not over? This book is meant to help settle that question that many may have, especially them who have accepted Jesus Christ as their Lord and Savior. We have to change the ways in which we think about life, love, and even death. For we should know that God is

not the God of the dead, but of the living (Luke 20:38). Everlasting Love will help to transcend your thinking about prayer and God's plan for your destiny in this life, and what ramifications one life can have on turning even generations to Him. Make your impact in this world through revelation of His everlasting love.

**MILESTONES - THE BUILDING BLOCKS OF OUR LIVES** They make us who we are and who we become.... A Milestone is a great achievement in life that cannot be forgotten. One way that will be accomplished is by saying goodbye to the past and hello to the future. No one ever successfully drives forward looking in the rear view mirror. This in itself is a major accomplishment: Letting go of what is behind of the old life and pressing forward and walking into what lies ahead in Christ Jesus. Some typical examples of milestones are when one learns how to drive, graduates from school, leaves home for the first time, marriage, a first child, a first job, getting saved, and for some it could even mean the first day sober! There are three components that make up Milestones: the spoken Word of God, the empowerment of the Holy Spirit and substituting thinking - changing the way we think. This workbook will not just help you to take the right steps towards lasting recovery from addictions, but it will create crucial landmarks in your life's journey. So that you will become full of God's faith and power to venture on into your destiny! Milestones can be used for individual or group growth. Some may just want to work it alone as a personal reflection tool to solidify their faith. But most will benefit from working it together in a support setting where the Milestones can be discussed in depth.

Pastor A. T. Samuel, in this book, captured very well one of the major problems ravaging Christian homes, societies, and churches throughout the world today. Those problems are related to the lack of the spirit of forgiveness in the daily interaction among people. It was Alexander Pope, an English poet in the eighteenth century, who said that to err is human and to forgive is divine. This book shows clearly, with numerous references to biblical passages, that the wounds caused by lack of forgiveness can be healed only through the intervention of the Holy Spirit. Christian brothers and sisters together with others in our societies who are burdened with unforgiveness will gain tremendously by reading this book, which is written in simple English and reinforced with many relevant and valuable biblical quotations.

lectures, Brock obeyed his strong urge to write a book on the end times. This heart-gripping treatise will guide you into the truth as you uncover the mystery of the end of times. This book is written to give you a clear incite into the end of this age. The end begins with peace when a worldwide 7 year peace agreement is signed in the next few years which will be backed by a one world government run by the United Nations. Then in the middle of the 7 year period, the peace agreement will be broken and all hell literally breaks loose which leads to a time of trouble such as never has been or ever will be again. During this time of the last 3 1/2 years, which is called great tribulation, most of the people on the earth will die. However, if you are a Christian you will not go through this terrible time. You will find this book is the most in-depth study on what is called 'the rapture, ' which is the catching away of the Christians to not go through great tribulation, and you will find that it is by far the most in-depth study of 'The Revelation' which shows what will happen during this time of great trouble.

There is a genuine flow of the Holy Spirit! . . . and many worthless imitations. Mel Montgomery learned about spiritual gifts and prophetic ministry from the Goodwins, who were mentors to Kenneth Hagin, John Osteen, Billye Brim, Pat Harrison, and many others. Eventually, Brother Mel was entrusted with rare early Pentecostal recordings, most of which had never before been copied or released to the public. These recordings were by: Howard Carter, Stanley Frodsham, F.F. Bosworth, and other faith giants of yesteryear. Mel discovered that the deep truths of the Holy Spirit, as taught by the Goodwins and the early Pentecostal

giants, had been largely obscured in our day. In *The Genuine Flow*, Mel presents the teachings of the early faith giants, combined with his own experiences in ministry. You will learn how the faith giants flowed in the Spirit, and how you can too. Brother Mel ministers in local churches and in ministers meetings. Mel's website, [www.brothermel.com](http://www.brothermel.com), has been accessed over 2 million times by people downloading his teachings and recordings in more than 150 countries. His podcast, "Voices of the Faith Giants," is heard around the world.
