All primary schools are required to administer SATs (National Tests) in English and maths at the end of KS1 and KS2. The use of optional tests in the other years is also becoming increasingly popular especially with the continuing pressure on schools to perform well in the Primary School league tables. This photocopiable book provides three complete tests with accompanying guidance and answers. The tests are set out to mimic the real thing and so are ideal for the practice and consolidation in the run up to the tests which take place in May each year.

A 64-page workbook with age appropriate revision guidance and practice questions. Prepare with confidence for the new format Key Stage 1 tests with Scholastic National Curriculum Tests. The national tests are changing in 2016, and Scholastic's new practice tests are fully in line with the new format Grammar, Punctuation and Spelling tests for children in Year 2. Each pack comes with three complete practice tests with an accompanying Guidance and Mark Scheme booklet. These practice tests have a similar look and feel to the new Grammar, Punctuation and Spelling test, to help familiarise children with both the content and format of these tests. The tests can be used to track progress in school, but can also be used in the home. The Guidance and Mark Scheme provides advice for parents and carers on how to use the tests and how to support children in preparing for them. Scholastic National Curriculum Revision: Year 2 is also available, offering children the opportunity to check their progress across the English curriculum and to develop the skills they need for these national
