Have you always wanted to learn how to speak French, Italian, Spanish, or Portuguese but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If your desire is to learn complicated grammatical rules or to speak the language perfectly proper and precise, this book is not for you. However, if you need to actually hold a conversation while on a trip to Europe or Latin America, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc., can come later. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With *Conversational Languages Quick and Easy: Boxset 1-4*, is all you need. Learn French, Italian, Spanish, and Portuguese today, not tomorrow, and get started now!

The Verb Set method is an innovative approach created by the author that promotes learning through speaking. Every set contains six verbs and a practice objective, such as mastering a tense or a theme. The questions aim to develop conversation and to help to generate other ideas and phrases. Through the necessity or curiosity of formulating responses, the student actively searches for information, contrary to most conventional methods which simply deliver information to a passive student. The level of difficulty increases progressively as each section is completed.

Anything and everything may come under the rubric of violence in a society that is by and large addicted to the images of violence that are an inescapable part of contemporary reality. In the wake of recent international events, many have come to accept the perpetration of violence as morally acceptable and a just enterprise towards peace. But what is violence? How do we identify something or somebody as violent? Is violence justifiable? If so, under what circumstances? *Violent Depictions* addresses these and other questions on the role and nature of violence in a range of different national and historical contexts. *Violent Depictions* is a reflection on the relationship

between violence and representation and includes a number of thematic categories such as youth violence in films, violence against women in literary and cinematic texts, gendered representations of terrorism, the violence of colonial encounters and of the remembering of institutionalised violence.

In recent years, Italian cinema has experienced a quiet revolution: the proliferation of films by women. But their thought-provoking work has not yet received the attention it deserves. *Reframing Italy* fills this gap. The book introduces readers to films and documentaries by recognized women directors such as Cristina Comencini, Wilma Labate, Alina Marazzi, Antonietta De Lillo, Marina Spada, and Francesca Comencini, as well as to filmmakers whose work has so far been undeservedly ignored. Through a thematically based analysis supported by case studies, Luciano and Scarparo argue that Italian women filmmakers, while not overtly feminist, are producing work that increasingly foregrounds female subjectivity from a variety of social, political, and cultural positions. This book, with its accompanying video interviews, explores the filmmakers' challenging relationship with a highly patriarchal cinema industry. The incisive readings of individual films demonstrate how women's rich cinematic production reframes the aesthetic of their cinematic fathers, re-positions relationships between mothers and daughters, functions as a space for remembering women's (hi)stories, and highlights pressing social issues such as immigration and workplace discrimination. This original and timely study makes an invaluable contribution to film studies and to the study of gender and culture in the early twenty-first century.

«C'è un che di straordinario in Alain de Botton. Combatte la guerra contro il conformismo con armi e tattiche tutte sue: è erudito ma non minaccioso, ha curiosità e sensibilità. Guida il lettore verso la piena comprensione delle cose,

miscelando la giusta dose di forza espressiva e moderazione.» THE INDEPENDENT Ci sono luoghi cui non prestiamo attenzione, aree extraurbane spesso costellate da anonimi edifici privi di fascino. E ci sono professioni strane, apparentemente lontane dai nostri interessi più vivi e immediati, eppure indispensabili a garantire l'esistenza che consideriamo normale. Alain de Botton si è messo sulle loro tracce, e il frutto di questa ricerca sul mondo del lavoro, tra racconto e reportage, è l'incontro con realtà e personaggi di irresistibile presa. Un solitario pittore che per tre anni dipinge la stessa quercia, inventori di scarpe per camminare sull'acqua, manager di biscottifici tenacemente impegnati nella produzione di snack al sapore di gambero, tutti accomunati da un'irrefrenabile vocazione: buttarsi a capofitto nel lavoro per innalzare una fragile protesta contro la natura effimera dell'esistenza umana.

Lavorare è un'opportunità di autorealizzazione e di successo. Il lavoro è un'attività che concentra in sé molteplici aspetti della personalità umana: l'intelligenza, l'emotività, la creatività, la competizione. Deve dunque essere un piacere oltre che un dovere. Molti non hanno difficoltà a riconoscere nel lavoro una fonte appagante di divertimento e gratificazione personale, ma tanti altri detestano il loro lavoro, non fanno che lamentarsi e, intristiti, riescono a realizzare poco o niente (e sono tanti!).

book with ten self-contained yet progressively linked lessons. Each lesson is carefully structured to introduce new language via an episode of the sitcom series followed by graduated conversation practise, ranging from limited to more open-ended dialogues where students apply the language they've acquired. Listening and responding activities are integral to each lesson, as are the simple explanations and deductive activities enabling students to understand the grammar. Writing activities are given at the end of every lesson and may be completed in class or later. Tutto bene! sitcom In the Tutto bene! sitcom series we follow an almost-normal group of friends through their quotidian ups and downs living and working in Rome and on holidays in other parts of Italy. The off-beat humour, original soundtrack and idiosyncrasies of the characters in these short episodes are both entertaining and a great stimulus for learning, while importantly also serving to make the language memorable. By viewing an episode multiple times at intervals and particularly before starting a new lesson, students will recognise their progress with the language and gain a sense of accomplishment. The sitcom series is the foundation of the course, with a short episode of under four minutes' duration introducing the new language and themes for each lesson in the book and on the app. All episodes of the series can be easily accessed in and out of the classroom: search for Lingopont Tutto bene! on YouTube or download the Lingopont Italian app. Lingopont Italian app: Tutto bene! The app delivers the Tutto bene! course in an interactive mobile format allowing maximum learning flexibility. It is both a vibrant alternative to the classroom for wholly independent learners as well as a rich resource for classroom students to further revise, consolidate and practise. The app offers an engaging and culturally-immersive learning experience with instant feedback for students to monitor their progress. With a transparent structure and supported step-by-step learning in all the skills, students have the choice of working progressively through the course or working selectively on a particular area. Each lesson comprises an episode of the Tutto bene! sitcom series followed by vocabulary building, speaking, listening, pronunciation and writing activities and culminates in a quiz. There is also a grammar reference for each lesson. Download the Lingopont Italian app from the app store.

Da uno dei più brillanti autori inglesi della nuova generazione, una love story molto attuale e una riflessione sottile sul tema amoroso alle soglie del Duemila. Iniziata e finita su un volo Parigi-Londra, la vicenda si svolge ai nostri giorni nella capitale inglese, tra musei, supermarket e ristoranti esotici, e ci fa vivere ogni tremito, ogni desiderio, ogni fase di una normalissima ma esemplare storia d'amore. L'ironia, la verve, la sensibilità, l'arte di leggere le passioni nella loro quotidianità: queste le migliori qualità dell'opera prima di Alain de Botton.

A basic guide to Italian, that presents lessons with questions designed to develop vocabulary, pronunciation, and grammar skills

John Cassavetes (1929-1989), attore poliedrico e regista di film quali Ombre, Volti, Mariti e Gloria (Leone d'Oro a Venezia), è considerato il padre del cinema americano indipendente. I suoi film, realizzati con budget minimi e la collaborazione, sia dietro le quinte che sulla scena, di amici e parenti – tra cui gli «attori feticcio» Seymour Cassel, Ben Gazzara, Peter Falk e Gena Rowlands – hanno inaugurato un nuovo modo di fare cinema lontano dall'egemonia degli studios hollywoodiani, libero da sceneggiature rigide e incentrato sulla massima improvvisazione degli attori. In questo libro, l'autore raccoglie e raccorda fra loro una quantità imponente di citazioni da interviste edite e inedite con il regista e i suoi amici e i collaboratori più stretti: dalle vicende personali ai dietro le quinte della realizzazione dei film, fino alle battaglie per la loro diffusione, quello che ne emerge è il ritratto completo, onesto e appassionato di uno dei cineasti più geniali e coraggiosi di sempre.

Primo Levi (1919-1987) is one of Italy's most distinguished writers. A survivor of the Holocaust, his memoirs on the Nazi death camps (If This Is a Man and The Truce) are internationally recognized as among the most powerful and profound testimonies to have come out of the extermination of European Jewry. This book is the first comprehensive introduction to Levi and his writing for English-speaking readers. The author draws attention to the literary worth of Levi's entire output -

not just the Holocaust testimonies for which he is primarily known - and situates his works in the context of Italian culture and society from the 1920s to the 1980s. A man with many identities - chemist, industrial manager and writer - he tried, through his writing, to build bridges between different cultures and fields of enquiry.

"Meno finanza e più società": così suona oggi l'appello condiviso da più parti quando si tocchi il tema della crescita. Alla ricerca di una via nuova per generare quel valore che l'accumulazione capitalistica non è più in grado di garantire, in un contesto di complessità e connessione crescenti, dominato dai fattori intangibili della conoscenza e della capacità di innovazione, e dalla richiesta di un'efficienza sempre più spinta, il modello alternativo deve ripartire dall'interno delle imprese e dalle capacità delle persone. La domanda posta dal titolo di questo libro implica allora nella realtà molto più di un semplice shift pratico, facilitato dalla tecnologia "social" del momento. Arriva a racchiudere un profondo riesame del proprio "essere impresa" prima ancora di incontrare il mercato e focalizza un punto cruciale della sfida che le organizzazioni si trovano ad affrontare: chiudersi o aprirsi? Resistere sul fronte dell'"«abbiamo sempre fatto così»" o mettersi in gioco e misurarsi con la riscoperta di un "sì" collaborativo e comunitario all'interno di un processo di massa? Ridefinire il concetto di giornata, così come di luogo di lavoro; immaginare strutture organizzative ad hoc anziché gerarchiche; sconvolgere abusi semantici tipici del secolo scorso come team o riunione; sfidare il caos; mettere in discussione anni di leadership cristallizzate; confrontarsi con il perimetro labile di una privacy tutta da reinventare: è arrivato il momento di iniziare a collaborare.
