Have you noticed that sometimes what you need just

falls into place or comes to you from an out-of-the-blue telephone call? Or you've bumped into someone on the street you've been thinking about? Perhaps you've met the perfect client or life partner, just by fate or being at the right place at the right time. All of these experiences are evidence of the Law of Attraction in your life. Have you heard about people who find themselves in bad relationships over and over again, and who are always complaining that they keep attracting the same kind of relationship? The Law of Attraction is at work for them too. The Law of Attraction may be defined as: I attract to my life whatever I give my attention, energy and focus to, whether positive or negative. By reading this book you'll come to understand why and how this happens.

The law of attraction is the Universal Law that states like attracts like. More than likely you have heard of this law and even are currently practicing and applying the principles associated with the law of attraction however you have yet to see the results that you are looking for. You probably have questions like why didn't God and the universe answer my prayers? I'm meditating but nothing is happening, why? I'm affirming and doing everything the book said, but nada, zilch, nothing. You might be thinking "this stuff just doesn't work for me." This all boils down to the same thing, you want something from the Creative Energy and you can't seem to get it. The question is why? What are you not doing? Or better yet, the right question to ask might be, "what am I doing?" In his book entitled Banned Law of Attraction Secrets author Daniel Smith gives you the reasons why the law of attraction is not working for you and he shows you the

common mistakes people make that violate this very universal law. He also provides you with the solutions for correcting these mistakes that will put you on the path of manifesting your dreams and living a healthier and happier life full of abundance.

familiar with that wonderful manifestation of Law which draws and holds together the atoms of which matter is composed - we recognize the power of the law that attracts bodies to the earth, that holds the circling worlds in their places, but we close our eyes to the mighty law that draws to us the things we desire or fear, that makes or mars our lives. When we come to see that Thought is a force - a manifestation of energy - having a magnet-like power of attraction, we will begin to understand the why and wherefore of many things that have heretofore seemed dark to us. There is no study that will so well repay the student for his time and trouble as the study of the workings of this mighty law of the world of Thought - the Law of Attraction. When we think we send out vibrations of a fine ethereal substance, which are as real as the vibrations manifesting light, heat, electricity, magnetism. That these vibrations are not evident to our five senses is no proof that they do not exist. A powerful magnet will send out vibrations and exert a force sufficient to attract to itself a piece of steel weighing a hundred pounds, but we can neither see, taste, smell, hear nor feel the mighty force. These thought vibrations, likewise, cannot be seen, tasted, smelled, heard nor felt in the ordinary way; although it is true there are on record cases of persons peculiarly sensitive to psychic impressions who have perceived powerful thought-waves, and very many of us can testify that we have distinctly felt the thought vibrations of others, both whilst in the presence of the sender and at a distance. Telepathy and its kindred phenomena are not idle dreams.

We speak learnedly of the Law of Gravitation, but ignore that equally wonderful manifestation, THE LAW OF ATTRACTION IN THE THOUGHT WORLD.

In her first book, Susan Lee bridges the Law of Attraction with God's plan. Secular teachings of the law of attraction focus only on efforts from within and universe manifestation as the paths to financial freedom and a fulfilled life. God's Law of Attraction demonstrates that Christians too can have life purpose, goals, accomplishment; and yes, financial abundance—without guilt or materialism taking over. In God's Law of Attraction, Susan uses numerous Bible story themes to demonstrate God's genuine interest in providing a rich and fulfilling life for his children. Then, she applies how God's Law of Attraction works in our lives daily—whether we recognize its divine origins or not. Susan's interpretations of the stories result in a series of God-given steps that you can use every day to live your walk with God and enjoy life and its many gifts. Specifically, you will discover how to: Live in true abundance without guilt because God wants you to succeed! Find joy in your relationships again by releasing negative vibrations that have hurt in the past Use the Natural Law God Himself put in place to help us set goals and achieve them Trust in God on a new and exciting level Apply five steps: ask, believe, act, allow and receive to achieve God's best!

“Finally a book that recognizes the law of attraction as God's and provides real world guidance, as well as tools, to assist Christians in asking for and recognizing God's blessings.” — Carol Bills “Made me look at the law of attraction differently. I especially appreciated the tips and strategies for how to carry out the 5 steps (Ask, Believe, Act, Allow, Receive) effectively.” — Anonymous
