You Can Teach Yourself Piano is a revolutionary concept in piano instruction. No other piano method comes close to matching this book's scope in teaching not only basic music reading skills, but also the essential technique and theory for playing in all contemporary keyboard styles. Central to the philosophy of the You Can Teach Yourself series, this beginner's book is written to give the serious adult student a solid foundation while studying on their own without the advantage of having a private teacher; it will show you all you need to know to get an authoritative start on the instrument, presenting technical and theoretical concepts as needed while offering carefully graded, challenging material to hold your interest. In addition to the incalculable assets of ear training and development of taste in modern harmony, upon completion of this method the student will be fully prepared to handle the demands of modern piano music.

A simple, yet consistent and effective piano course that promotes good playing skills and fingering techniques, resulting in a "feel" for the piano keys while eyes remain focused on the music. The course incorporates a 5-note scale teaching method and includes online video instruction. It is designed for adults but easily adapted to any age. Although a beginning course, it is an excellent review and skill-enhancing course.

Wish you could sit down at the piano and effortlessly play without years of lessons? Now you can! Many people wish they could sit down at the piano and simply play, their hands flying over the keys as melodies pour out. With this simple, achievable program that's possible . . . in just six weeks. Using Dan Delaney's innovative chord playing techniques, as opposed to more classical methods, musical newcomers and lapsed musicians can quickly and easily gain skills. Each of the six weeks' worth of lessons contains several exercises. The classes build on each other, becoming progressively more difficult as the player's ability improves, and every lesson includes sheet music, practice advice, and an evaluation at the end. Plus, MP3 audios of the lessons will be available for free on Delaney's website.

In this remarkable memoir, Anna Goldsworthy recalls her first steps towards a life in music, from childhood piano lessons with a local jazz muso to international success as a concert pianist. As she discovers passion and ambition, and confronts doubt and disappointment, she learns about much more than tone and technique. This is a story of the getting of wisdom, tender and bittersweet. With wit and affection, Goldsworthy captures the hopes and uncertainties of youth, the fear and exhilaration of performing, and the complex bonds between teacher and student. An unforgettable cast of characters joins her: her family; her friends and rivals; and her teacher, Mrs Sivan, who inspires and challenges her in equal measure, and who transforms what seems an impossible dream into something real and sustaining.

Now you can master Bach's most beautiful prelude—even if you've never sat down at a piano before! Do you have a piano (or keyboard) and forty-five spare minutes every day? Then spend the next six weeks with acclaimed concert pianist James Rhodes. By the end, you'll be able to perform Bach's Prelude No. 1 in C major—no prior musical experience required! Rhodes reveals How to Play the Piano step by step—how to read the treble and bass clefs as well as sharp and flat notes, and then how to practice—before teaching the Prelude in easy, bite-size segments. His method is free of tedious drills, and filled with inspiration: "If listening to music is soothing for the soul, then playing music is achieving enlightenment." Before you know it, not only will you have learned how to play one of Bach's most beloved masterpieces—you also will have unleashed your creativity, exercising your mind (and fingers) and accomplishing something you never thought possible. Bravo! Includes four instructional videos supported by select e-reader devices.
