As our companions through the current spiritual Awakening, Jesus, the archangels, and other spiritual teachers have gathered as the High Council and now share with us in Love's Curriculum their messages of enlightenment. These Divine messages have a clear goal: To awaken us to the Love that connects all. You hold in your hands the High Council's gift to you—a guidebook for this journey. Through Divine grace and enormous trust, Jenny Hogg Ashwell travelled a path from lawyer to student of spirituality and mother of three, to spiritual counselor and intuitive, to learn of her soul's assignment to scribe Love's Curriculum for the High Council and bring forth their messages to the world. It is with great humility, courage, and gratitude that she has done just this. Now, it is your turn. Let Love's Curriculum gently awaken within you the memory of Love as you uncover your soul's Divine purpose. Let it guide you to ignite Love in the world. The time has come to join in the Awakening. "We wish for you to read Love's Curriculum. Within its pages you will find the Bounty of Love and Light to which you have been called—for which you have been dreaming and desiring to fill within you the void. Within its pages are the answers contained, the magic brought forth, the truth illuminated, for all to hear and see. Let Love's Curriculum help you on your journey to awaken to Love. It is time." —The High Council David Yonggi Cho, founder and pastor of Yoido Full Gospel Church in Seoul, Korea details his working relationship with the Holy Spirit whom he calls his "senior partner" in ministry.

"In the morning, while it was still very dark, he got up and went out to a deserted place, and there he prayed" (Mark 1:35).

Jesus taught by his words and actions. He went by himself to pray when he was tired, when faced with upcoming trying events, or when he just wanted to be alone in the presence of his Lord. He gave us guidance about what to pray, how to pray, and why to pray, and was very familiar with the Hebrew Scriptures. Thus, if we want to become Jesus' disciple we should follow his model and invest time and emotional energy into prayer, Bible study, and reflection. Nourishment For The Spiritual Pilgrimage provides an aid for those who want to participate in the spiritual pilgrimage of becoming a lifelong disciple of Jesus Christ. It offers insight and support for those who daily want to turn their hearts, souls, and minds to God's will in their lives, as they strive to help in bringing about God's kingdom in this present time. There are countless other devotionals, but hopefully this can offer something that many of the others may not, a specific focus on the concept of discipleship.

CHRISTIANS MUST KNOW and communicate with the Holy Spirit to fully understand the Christian experience. God gave Christians his Spirit to give them the power and teach them the wisdom and understanding so they can fully understand what God wants them to know. God has already given everyone the gifts for an abundant life for this journey on earth and eternity. In order for you to receive these gifts, you must have communication with the Holy Spirit. God declared three thousand years ago that everyone in this age could receive his Spirit. The Holy Spirit is received by first accepting Jesus as your Savior. He then asks the Father to send the Holy Spirit to you for your personal counselor for spiritual and personal growth. Jesus describes the Holy Spirit as your teacher, counselor, adviser, advocate, the living water, and many other things. He will live in you 24-7 to help you. He has a schedule for your life. This means when it is time for you to receive the gifts God has planned he will prepare you to receive them. You probably do not know that he has gifts like education and careers. God has a career for you already planned, but you must follow the plan. Do not say I know all this. That is a sure prescription for failure. You will never know it all. You will learn many things from this book. The Holy Spirit asked me to write this book to tell you what he wants you to know. He wants you to study your Bible with the Holy Spirit giving you understanding of all things.

Mind Traps and Breaking Free Through God's Love explains how our own thinking brings us into offense, rejection and depression. It is not caused by circumstances or people as some would suggest. Mind traps operate opposite of the characteristics of love that God has placed in our hearts. This book teaches how to recognize and circumvent wrong thinking and stop the progression into depression. It is possible to overcome this destructive pattern that makes our lives a painful roller-coaster existence. God promises in His Word that we can be "more than conquerors" [Romans 8:37]. We can live free from a tormenting thought life and enjoy God's rest in our souls. Learn how to be victorious in Christ today and overcome debilitating mind traps! If you've been praying for healing but it doesn't seem as if your prayers are getting through to God, it is because something is blocking them. Childhood molestation, trauma, divorce, generational curses and even witchcraft can block healing. This book helps you go through your life's experiences to find the barriers to your healing and then walks you through prayers and exercises to remove them by the power of Jesus Christ. This book is a combination of supernatural healing and self-deliverance. You will begin to feel healing flow through your body as you read and apply the content of each chapter.

We, as children of God, can stay holy and live in this world and still be committed to God. That's why we need the Holy Spirit to lead and guide us. But it is important that we understand when he leads and guides, we must submit to Him and follow instruction. Some people ask, "How do I know when it is God and not Satan?" Satan does not want us to do anything that's going to help us win for God. When God speaks, it is usually a soft voice. God is going to push us to break our flesh and yield more to Him. When we do this, it becomes a way of life for us. And hearing God's voice will not be a stranger but a normal voice for us.

My dear friends, as we try to live our lives in a society where faith is almost prohibited, let us not put God in the back of the bus, and let us not think of God as the one who takes from us. I know God has given you more blessings that you can count, but without our God our life is going to be complicated and meaningless. Let Him show you the way. There are steps and processes that we have to go through in order to achieve our purpose. Let your feet be God's fire. I encourage you to read this book with an open mind for revelation knowledge. Don't rush the reading process and let the Holy Spirit guide you on this daily walk with God. I know life can bombard us with fear and doubts, but, "trust God with all your heart and do not lean on your own understanding" (Proverbs 3:5).

His word. Read this book to find what His promises are and how to use them. Are you able to return from the grave and live forever? A lot of people have come alive again. This is an in-depth study guide into the Holy Spirit, who is not a mere force. He is not energy. The Holy Spirit is a person and part of the Trinity along with the Father and the Son. God is Sovereign, and just so God wills and moves according to His will. Just so, the Spirit of the Lord moves and acts never out of His own accord, but always follows the leading of the Father. So the Spirit is interdependent, as there is a mutual dependency within the Trinity. The work of the Spirit is far greater in scope than merely the spiritual gifts, for the Spirit of the Lord leads us in our calling on the narrow path to the glory of the Lord.
