The Butcher of Anderson Station is a short story that expands the world of James S. A. Corey's New York Times bestselling Expanse series - now a Prime Original TV series. One day, Colonel Fred Johnson will be hailed as a hero to the system. One day, he will meet a desperate man in possession of a stolen spaceship and a deadly secret and extend a hand of friendship. But long before he became the leader of the Outer Planets Alliance, Fred Johnson had a very different name. The Butcher of Anderson Station. This is his story. The Expanse series: Leviathan Wakes Caliban's War Abaddon's Gate Cibola Burn Nemesis Games Babylon's Ashes Persepolis Rising Tiamat's Wrath Praise for the Expanse: 'The science fictional equivalent of A Song of Ice and Fire' NPR Books 'As close as you'll get to a Hollywood blockbuster in book form' io9.com 'Great characters, excellent dialogue, memorable fights' wired.com 'High adventure equalling the best space opera has to offer, cutting-edge technology and a group of unforgettable characters . . . If you enjoyed The Expanse (TV show or Book 1 Leviathan Wakes) and want a fun, easy sci-fi, read this! What can a homesteader, a space pilot turned moon miner, and a drone hobbyist do to fight against terrorists, corporations, and aliens? On their own, not much. Earth doesn't have enough gigs or supplies to support everyone. Michelle is one of the lucky ones: a network consultant with a home in Colorado and a job on Mars. Or she was one of the lucky ones. Until boom! The space base where she was going to land explodes to rubble. Communication among the International Space Alliance is lost, and Michelle is stranded a long way from home. Was it the activist group that calls themselves Poneros and claims their #serious ideas will bring equality? Or was it the alien UFO that arrived at Earth? Michelle is determined to find out. One by one, she must connect unlikely heroes to reveal the truth before it's too late.
