last three of which have been spent intensively studying, reflecting on, and writing about the critical role of beliefs in the businesses and organizations of which we're a part. The fruits of that labor are now available in this new 600-page book. We could tell you more about what's in the book but we think John U. Bacon, author of the New York Times' bestseller, *Endzone: The Rise, Fall and Return of Michigan Football*, said it better than we ever could! "Some business leaders know practice. Some know theory. Ari Weinzweig is one of the few who knows both. He has built a famously successful organization, while giving it more thought than do the business gurus who merely philosophize about such things. The insights Ari shares here are both deeply perceptive and highly practical, from the ideas of Howard Zinn, Viktor Frankl and Anais Nin on one page, to the importance of learning your employees' names on the next. Like its author, this book is uncommonly smart, helpful, and just plain fun."

Patsy was diagnosed with Stage IV colon cancer February 25th, 2013. She was 34 years old, a happy, healthy mother of 3 with no symptoms or family medical history of colorectal cancer. Her next 3 years would be filled with chemo, surgeries, CT/PET scans and disappointments as treatment failed to clear the cancer. But they were also filled with happiness, faith, love, laughter, advocacy and dancing. We put her writings together in order that others can benefit from her amazing spirit and so we can share her with the world. This is the book she always wanted to write.

Father Jehovah that inspires us spiritually to draw the reader inward, in order to have an intimate walk within our heart to walk with Him. It is without question that it is God who awakens one's heart to seek His son, Jesus. It is He that wants His plan and purpose to be fulfilled in our lives and to show us that in the midst of life trials, there is still a word from the Father. God has always been concerned about you, the saints of God in Christ Jesus. He loves you with an everlasting love. He showed humanity His agape love, when He thought it not robbery to give His Son, Jesus, to take our place, by being on the cross. That was designed for the sins of humanity ... each and every one of us individually! Thank God for His Son! We have been redeemed by His blood! IT IS FINISHED! His immeasurable love raised Jesus from the dead. Hallelujah! For He sent forth His Son that we might have life and life that more abundantly, so that we will have true intimacy, fellowship, communion, and relationship with Jesus. After all is said and done, after we have repented, we shall have true forgiveness from our sins, thereby receiving healing, growth, and restoration for ourselves as we restore love to one another with forgiveness! With the sword of the spirit in my mouth, I decree as well as command, that I am a victorious woman of God, without any constraints to do the will of the Father Jehovah in Jesus' name. Amen! It is God's will for all the saints of God to seek and to save those who are lost-to teach the found to go after the lost, so that all shall be saved and none perish.

He was visibly moved when he read them, so I knew I was on the right track. After he was stricken with ALS, I decided maybe I could put together a book of poems in his memory. I hope they are enjoyed by all.

Could the festive road trip from hell actually lead to love? Catherine Birch is a lonely workaholic who hates Christmas. This year, she is being forced to celebrate with her best friend's family in the Highlands of Scotland. Having missed her flight, Catherine reluctantly ventures on a road trip with beautiful stranger Holly Daniels. Although polar opposites, the intense attraction between them is unmistakable. Just as Catherine begins to think spending Christmas with Holly might not be so bad, a raging snowstorm leaves them stranded in the middle of nowhere. Huddled together, with little chance of rescue, they forge a pact: if they escape, they'll make this a Christmas to remember. But will it be remembered for the right reasons?

We often think of celebrations as centering around special occasions, like Birthdays, Christmas, or other holidays. But there is no need to wait for those times. Everyday is a cause for celebration. The very fact that you are alive, the wondrous world around you, and the special people in your life are all reasons to rejoice. That's what this book is all about. Over 500 suggestions for living life to the fullest. A compendium of "glass half full" common sense, these witty and wise words from both the rich and famous, as well as the not-so-rich and the not-so-famous, will, I hope, inspire you to make every day a
