In *The Charge*, world renowned motivational speaker and bestselling author Brendon Burchard argues that in the hyper-digitized world in which we are living, the time has come to revise the classic 'hierarchy of needs' - which places the basic needs of safety and sustenance at the bottom. Burchard makes the case that it's time to re-examine what it takes to feel alive and fulfilled in a stressful, chaotic world. Using pioneering studies from the fields of positive psychology and neuroscience, as well as great stories from his own experience, Burchard identifies the ten simple drives of human emotion and happiness: Control, Competence, Congruence, Caring, Connection, Change, Challenge, Creative expression, Contribution, Consciousness. He shows how the 10 Cs, which you can use to evaluate all your thoughts, feelings, and behaviour from the past 10 days -- and in every moment of your life -- are the gateways to your psychological health and happiness. *The Charge* provides the keys to understanding and activating these drives in clear and concrete ways that will inspire and help everyone find the one thing we all are searching for: more life in our lives.

THESE HABITS WILL MAKE YOU EXTRAORDINARY. Twenty years ago, author Brendon Burchard became obsessed with

answering three questions: 1. Why do some individuals and teams succeed more quickly than others and sustain that success over the long term? 2. Of those who pull it off, why are some miserable and others consistently happy on their journey? 3. What motivates people to reach for higher levels of success in the first place, and what practices help them improve the most After extensive original research and a decade as the world's leading high performance coach, Burchard found the answers. It turns out that just six deliberate habits give you the edge. Anyone can practice these habits and, when they do, extraordinary things happen in their lives, relationships, and careers. Which habits can help you achieve long-term success and vibrant well-being no matter your age, career, strengths, or personality? A clear-cut strategy for finding your inner motivation and six practical steps that will bring you the success you deserve: Stop Belittling Yourself, Own Your Role, Reclaim Your Agenda, Transform Your Energy, Inspire Excellence, and Make the Moment Matter. The keys to understanding and activating that inner drive.

On a dark and steamy Caribbean night, Brendon Burchard stood bleeding atop the crumpled hood of his wrecked car. That night he learned about mortality, discovering that at the end of our lives we will all ask, "Did I live? Did I love? Did I matter?" Since that fateful night, Brendon has lived a fully charged life, and he's helped millions of people around the globe transform their lives and feel more alive, engaged, and fulfilled. Brendon observes that the emotional energy of the world has flatlined, and he sets out to fix it. People are stressed, restless, and wanting more out of life. Despite the fact that most people have what they "need" to be happy, they rarely feel the levels of excitement, engagement, or satisfaction they deserve. So what's the solution? In *The Charge*, Brendon argues that the only way to measurably improve the quality of your life is to learn how to activate the very 10 drives that make you most human. These drives are your desires for more control, competence, congruence, caring, connection, change, challenge, creative expression, contribution, and consciousness. These drives shape everything you think, feel, and do in life, so understanding and mastering them is critical to your success and happiness. Strategically activating these drives on a consistent basis is the fastest path to living a fully charged life. Harnessing our human drives is not easy; if it were, we wouldn't see so much restlessness in the world. That's why Brendon has devised what he calls the true "activators" of human experience—a series of powerful yet simple actions you can take to radically increase your levels of energy, engagement, and fulfillment in all areas of your life. What Brendon uncovers in *The Charge* will surprise and challenge you. It turns out that most of the ways we seek to

meet our human drives are actually counterproductive. We all want more control, for example, but seeking to have more certainty in our daily lives or to control other people will actually decrease our levels of control (and happiness). We have a deep desire for change, too, but we often fail to make the right kinds of change that would make us feel more alive and in command of our lives. In *The Charge*, Brendon helps us overcome these mistakes and illuminates the path for strategically and intelligently activating our 10 human drives so that we can have the one thing we all want: more life in our lives! Brendon Burchard is the founder of High Performance Academy and author of the #1 New York Times and #1 USA Today bestselling book *The Millionaire Messenger*. He is also the author of *Life's Golden Ticket* and one of the top motivation and high performance trainers in the world. His famous training events and videos inspire millions of people to find their charge, share their voice, and make a greater difference.

"The Motivation Manifesto is a poetic and powerful call to reclaim our lives and find our own personal freedom. It's a triumphant work that transcends the title, lifting the reader from mere motivation into a soaringly purposeful and meaningful life. I love this book." - Paulo Coelho

The Motivation Manifesto is a pulsing, articulate, ferocious call to claim our personal power. World-renowned high performance trainer Brendon Burchard reveals that the main motive of humankind is the pursuit of greater Personal Freedom. We desire the grand liberties of choice-time freedom, emotional freedom, social freedom, financial freedom, spiritual freedom. Only two enemies stand in our way: an external enemy, defined as the social oppression of who we are by the mediocre masses, and an internal enemy, a sort of self-oppression caused by our own doubt and fear. The march to Personal Freedom, Burchard argues, can be won only by declaring our intent and independence, stepping into our personal power, and battling through self-doubt and the distractions of the day until full victory is won.

Recalling the revolutionist voices of the past that chose freedom over tyranny, Burchard-at times poetic yet always fierce-motivates us to free ourselves from fear and take back our lives once and for all.

We all want to change our lives for the better in some way shape or form, me included. If however you're prone to saying things like: 'My life would be better if my boss this or that' or 'My life would be better if my mother this or that' or 'My life would be better if my friends this or that' or 'My life would be better if the government this or that' - then let me tell you something - nothing is going to change in your life for the better whilst you continue to blame others for your circumstances. I'm not saying that they didn't have a hand in your circumstances, I'm saying only YOU can decide to change your circumstances for the better. STOP complaining and start being different so you can do things differently.

When *Brendon Burchard* was 19 years old he was in a life-changing car crash. After speeding around a hairpin turn in the Dominican Republic he and his friend were catapulted into the air and, as the car flipped, *Brendon* pondered three essential questions: Did I live? Did I love? Did I matter? When the car landed and to his amazement he was still alive, *Brendon* realized that he didn't have satisfying answers to those questions, but he did have an idea as to how to get them. He began the process of crafting his life story into one that would make a difference in the world, inspire others and show them how they too could share their passions with a wide audience. *Brendon* launched what has become a million dollar consulting, book writing and public speaking business, all based on his mission to spread his message to the world. In *The Millionaire Messenger*, *Brendon* offers a 10-step plan that will help readers develop their message, package their advice in an attractive way, gain a following and, perhaps most importantly, make money in this effort. By following his programme, ordinary people can learn to package their struggles, successes, research or life's story into advice for

others and become experts on any given topic. In the industry of people who share their advice and knowledge with the world and get paid for it, Burchard is the 'guru's guru'.
