

Listen To My Heart

"In today's hypercompetitive world, kids often internalize the message that their worth is attached to their accomplishments and that messing up is something to be ashamed of, rather than a normal part of life, which can lead to critical self-talk.

Listening with My Heart reminds us of the other golden rule--to treat ourselves like we would treat a friend. When we do this, we are practicing self-compassion."--

This is a book of stories from people I've met on the trail of life. An African proverb says that "When an old man dies, a library burns." This book is about remembering and honoring stories from people's lives I have been fortunate to know, if only for a flash of time. It's also about trust in yourself and others. In *La Petit Prince* Antoine de Saint-Exupery wonders aloud about how adults have lost the ability to see what's really important. For all the people who told me stories and pointed out how different results can be achieved when they were listened to, this book is theirs. To put together this unique collection of stories, I asked for contributions from my friends, associates, teachers, students, administrators, military officers, directors, and employees of NGOs, police, nurses, doctors, and most importantly, kids from three to ninety. I've added comments and corrections where I feel clarity and context are

required.

In this book the author communicates that there are ways to effectively listen in all circumstances.

Collection of poetry by Dianne Johnson of Lebanon, Ky.

En esta valiente y sincera autobiografía, Marie Fredriksson relata la increíble historia de su vida, desde su infancia en el seno de una familia con muy pocos recursos, hasta su ascensión a los escenarios más emblemáticos del mundo como cantante de Roxette. Marie explica en el libro detalles tan íntimos como la muerte de su hermana mayor, con 20 años, en un dramático accidente de tráfico cuando ella solo tenía 7 años. De ahí, dice, nació su espíritu de lucha, de no rendirse nunca. Por supuesto, la cantante habla en este libro, y por primera vez, del terrible episodio que sufrió cuando en 2002 le detectaron un tumor cerebral, y de los múltiples y durísimos tratamientos de radioterapia que le dejaron muchísimas secuelas. Marie tuvo que volver a aprender a andar, a hablar, a leer... También explica cómo vivió aquellos primeros momentos tras detectarle el cáncer, cómo muchas personas de su entorno no se atrevían ni a acercarse a ella, ni sabían qué decirle, pues todo su entorno estaba en shock. Así como el rechazo que sintió cuando, como consecuencia de la medicación, empezó a hincharse y nadie la reconocía. También relata cómo volvió a los escenarios en 2007 en solitario, y en 2011 de

Life starts with expectations and dreams, then runs into painful realities. When we open our eyes, seeing clearly our past actions, we find ourselves changed, and the dreams can turn out quite different from the ones we first created. Dawna goes deep into herself to discover what the universe is trying to teach her, to learn to listen to her heart. She discovers at the tender age of forty-five how repeated patterns in her life continue to bring pain without resolutions.

Feeling like she's going around the same tree over and over again, she looks deeper for ways to break free from the pattern of pain. When she listens carefully, she finds a veil is lifted as a new truth is revealed and at the same moment the lie is exposed.

This book is a recount of some of those personal lessons, each one unique, intense, and still common to many others. The poems will give you an awareness of your search for change and of a life made better. Each story takes you on your own personal journey, helping you to lift the veils and discover your own truth. These stories are woven with hope and new values that were a long time being uncovered. As you read these life lessons, you may find they are occasionally painful but always full

of revelations. Each one requires a decision, to accept or discard the ideas and long-held beliefs that no longer serve life as it is now. To become herself, Dawna encountered memories that may take your breath away one moment but will leave you with hope which will last for the rest of your life.

“Listen to My Heart Speak” is a compilation of poetic letters written by writers from different walks of life. Candidly and vividly, lyricists open their hearts on paper, describing the metamorphosis of a sometimes ailing soul as it goes through renewal until a fully delivered spirit is born. Feelings, desires, and beliefs are poetically exhaled as the process of writing brings forth hope, victory, and deliverance. This is the psalm of our generation.

This book is written to encourage and to liberate those who know our struggle because it is or has been their struggle. It's written to empower people who are bottled up but can't put their feelings into words that so desperately need to be released. It's written for all lovers of poetry that can appreciate and dance to the beat of our hearts as we reveal our life experiences in words.

There are times when we were afraid and times when we were boldly confident. Read it and see for yourselves how poetically we have written our way to freedom. It has been a remarkable journey in which we've grown, and still, our best is yet to come.

Zayn Parker, unlike his mom, Jess, isn't invisible, just feels invisible. With low grades that make him look like nothing compared to his sisters, mediocre baseball skills and not acting like his true self at school. Only acting like himself in front of his best friend, Macy Fergensen, who had feelings for him since they were kids that he fails to see, does Zayn truly feel alone. It isn't until the popular girl, Michelle Aprils, takes notice of him after his first home run, that he finally feels seen. Nothing in life, especially high school is ever that easy as something happens at a party at Michelle's that changes how Zayn views Macy. But also changes her perception of him due to how he treats her and a huge secret that finally comes out. When Zayn truly evaluates his relationship with Michelle and decides to go for Macy, she distances herself from him and gets close with his cousin, the sweet and charming J. P Trent.

This forces Zayn to befriend the sassy, lost girl, who eats her lunch on the floor by the cafeteria doors, Lex Fisher. Will Zayn and Macy find their way back to each other, or just like Zayn's home run, will the unexpected happen?

Nicole Treadwell has a secret. If she reveals it, she will surely die. Of course, she knows it's true because certain death is what he promised her after the "incident" in the deep woods years ago. Her fate ever in his hands, keeping the secret guts her on the inside as she struggles to make ends meet, serving as a law clerk to a dangerously ambitious judge in the Nation's Capitol with secrets of her own. Nicole is tired--exhausted--toying with thoughts (she's afraid to own) of letting life go. Her life is unraveling, her sound mind frayed. At the end of herself, she knows she can't save herself, but who can? Worse, does she want to be saved? A swift reply to both questions comes in the way of a still, small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss. In contrast, Nicole's former law school chumb and classmate, Timothy Grue, is a hotshot, private attorney who blazes notorious trails in and out of the courtroom. Both handsome and brash (owing to his kinship with privilege and social standing of a "fine" Philadelphia family), he seems to have the world on a string, every creature comfort easily within his reach, including an overabundance of company from the

“fairer sex.” Despite his privilege and pedigree, Tim later learns that it came at a very high price. By a stroke of legal fortune (or misfortune), their paths collide professionally, as Tim is handpicked to represent an "A-List" Hollywood client in a lawsuit over which Nicole’s boss is the presiding judge. Not so secretly, the judge relishes the prospect of having her “fifteen seconds of fame” before the world press. Her staff knows that the attention from the paparazzi may prove to be her professional undoing--and theirs. Her job potentially on the line, Nicole contacts Tim Grue for a clandestine meeting of the minds, but will Tim take the bait and “sign on” to Nicole’s “harmless” solution? Their former friendship (on course to self-ignite or implode) sets in motion a chain of events that blast open the door to Nicole’s secret past and their bitter-sweet history; and where crises of identity, spirituality, and morality intersect, conflicting issues of race and class deepen already murky waters, as Nicole is black, and Timothy is white. Yet, as between the two, they want to know why race is still an issue at all? On the road from hell to higher ground, both learn that anything worth having is always tried by fires of a faith that asks, simply, what do you really believe? And more, can redemption ever come too late?
