Enter the world of New York Times bestselling author Mary Balogh, where the magic, romance and mystery of Regency England come vibrantly to life . . . Ralph Stockwood prides himself on being a leader, but when he convinced his friends to fight in the Napoleonic Wars, he never envisioned being the sole survivor. Racked with guilt over their deaths, Ralph must move on . . . and find a wife to secure an heir to his family's title and fortune. Since her Seasons in London ended in disaster, Chloe Muirhead is resigned to spinsterhood. Driven by the need to escape her family, she takes refuge at the home of her mother's godmother, where she meets Ralph. He needs a wife. She wants a husband. So Chloe makes the outrageous suggestion to strike a bargain and get married. One condition: Ralph has to promise that he will never take her back to London. But circumstances change. And to Ralph, it was only a promise. 'A matchless storyteller' RT Book Reviews 'A romance writer of mesmerizing intensity.' Mary Jo Putney 'Mary Balogh just keeps getting better and better.' The Atlanta Journal-Constitution 'Balogh can always be depended on to deliver a beautifully written Regency romance with appealing, unusual characters.' Publishers Weekly He's controlled. Meticulous. Immaculate. No one would expect the proper Duke of Westmead to be a member of London's most illicit secret club. Least of all: his future wife. Having overcome financial ruin and redeemed his family name to become the most legendary investor in London, the Duke of Westmead needs to secure his holdings by producing an heir. Which means he must find a wife who won't discover his secret craving to spend his nights on his knees – or make demands on his long scarred-over heart. Poppy Cavendish is not that type of woman. An ambitious self-taught botanist designing the garden ballroom in which Westmead plans to woo a bride, Poppy has struggled against convention all her life to secure her hard-won independence. She wants the capital to expand her exotic nursery business – not a husband. But there is something so compelling about Westmead, with his starchy bearing and impossibly kind eyes -- that when an accidental scandal makes marriage to the duke the only means to save her nursery, Poppy worries she wants more than the title he is offering. The arrangement is meant to be just business. A greenhouse for an heir. But Poppy yearns to unravel her husband's secrets – and to tempt the duke to risk his heart. "An astonishingly good debut...The whole book is a breath of fresh air, both a complex, layered story and a soaring romance with two very real people at its heart." -- The New York Times Book Review Author's Note: Dear readers, please be aware this is an angsty, twisty book written in the style of a gothic romance, and there are some dark moments along the path to a happy ending for our characters. No spoilers here, but if you are a sensitive reader please do consult the reviews before diving in. Yours, Scarlett 2018 Romance Writers of America Golden Heart © Winner for Best Historical Romance "Desert Isle Keeper...The alliance is unexpected, fascinating and a refreshing departure from typical Regency romances, and I never wanted The Duke I Tempted to end." -- All About Romance "Peckham's meticulous character work pays off in spectacular, grandly romantic fashion and The Duke I Tempted ends with particularly cathartic and hard-won happily ever after." -- BookPage "Gothic romances are tempestuous by definition, but this one is dramatic even by those heightened standards...If you want something to speed your heart and stop your breath as you read beneath the covers, with only the meager flashlight beam warding off the enveloping night — then you have a rare treat in store." -- The Seattle Review of Books "A one-sitting, late-into-the-night read, The Duke I Tempted ran away with my heart." -- Book Ink Reviews

Protagonista de Procura-se um marido, Alicia sabe curtir a vida. Já viajou o mundo, é inconsequente, adora uma balada e é louca pelo avô, um rico empresário, dono de um patrimônio incalculável e sua única família. A morte do querido familiar muda completamente o rumo da história criada pela autora Carina Rissi. Vô Narciso a excluiu da herança, alegando que a neta não tem maturidade suficiente para assumir seu império – a não ser, é claro, que esteja devidamente casada. Era algo inimaginável para Alicia que, então, decide burlar o testamento com um plano maluco e audacioso: colocar um anúncio no jornal para encontrar um marido de aluguel. Diversos candidatos respondem ao anúncio, mas apenas um deles será capaz de fazer o coração de Alicia bater mais rápido, transformando sua vida de maneiras que ela jamais imaginou. Carina Rissi é uma leitora voraz, sempre lê a última página de um livro antes de comprá-lo e tem um fascínio inexplicável pelo tema "amores impossíveis". Vê nas obras de Jane Austen uma fonte de inspiração. Ela nasceu em Ariranha, interior de São Paulo, onde mora atualmente com o marido e a filha, após ter vivido uma curta temporada na capital paulista.

This is a general survey of Brazilian society, economy, and political system since 1980. It describes the basic changes occurring as Brazil was transformed from a predominantly rural and closed economy under military rule into a modern democratic, industrial and urbanized society, with an extraordinary world class commercial agriculture in the past 60 years. In this period, Brazil passed from a pre-modern high fertility and mortality society to a modern low fertility and mortality one, the economy approached hyper inflation many times, and it abandoned a policy of protected industrialization to an economy opened to world trade. The advances and the failures of these changes are examined for the impact on questions of growth and equality. The book is designed as a basic introduction to contemporary Brazil from a recent historical perspective and is one of the first such comprehensive surveys of recent Brazilian history and development in any language.

Herland (1915) is a utopian novel by American author and feminist Charlotte Perkins Gilman. Herland was originally published in The Forerunner, a monthly magazine edited by Gilman, before going out of print for the next several decades. The novel was republished with an influential introduction by scholar Ann J. Lane in 1979 and has since been recognized as an important work of science fiction written by a leading feminist of the early twentieth century. A sociologist and his two friends embark on an expedition to discover a rumored land where a lost civilization of women lives apart from the rest of the world. They journey by plane and, upon landing, are quickly captured by a group of women. Taken to town, the men are held in a central fortress where they are treated well and encouraged to learn more about the women's culture in order to assimilate. They are taught the history of the land, which has been without men for two thousand years, and learn that the women are able to reproduce asexually. Although they recognize the utopian qualities of the society and despite being impressed by the beauty and order of its structures, the men struggle to live without presupposed notions of gender and patriarchy. When an escape attempt goes awry, they are forced to abandon their prejudices, joining the society through marriage. When one of the group fails to respect their hosts' ideals of gender equality, however, the men are forced to make a decision that could endanger the continued existence of the utopia. With a beautifully designed cover and professionally typeset manuscript, this edition of Charlotte Perkins Gilman's Herland is a classic of American literature and science fiction reimagined for modern readers.

A beautifully told, transcendent tale of truth, salvation, and the power of desire.

Marcelo Gleiser has had a passion for science and fishing since he was a boy growing up on the beaches of Rio de Janeiro. Now a world-famous theoretical physicist with hundreds of scientific articles and several books of popular science to his credit, he felt it was time to connect with nature in less theoretical ways. After seeing a fly-fishing class on the Dartmouth College green, he decided to learn to fly-fish, a hobby, he says, that teaches humility. In The Simple

Beauty of the Unexpected, Gleiser travels the world to scientific conferences, fishing wherever he goes. At each stop, he ponders how in the myriad ways physics informs the act of fishing; how, in its turn, fishing serves as a lens into nature's inner workings; and how science engages with questions of meaning and spirituality, inspiring a sense of mystery and awe of the not yet known. Personal and engaging, *The Simple Beauty of the Unexpected* is a scientist's tribute to nature, an affirmation of humanity's deep connection with and debt to Earth, and an exploration of the meaning of existence, from atom to trout to cosmos.

But when Kaleb and Ashleigh go through a bad breakup, Kaleb takes revenge by forwarding the text to his baseball team. Soon the photo has gone viral, attracting the attention of the school board, the local police, and the media. As her friends and family try to distance themselves from the scandal, Ashleigh feels completely alone -- until she meets Mack while serving her court-ordered community service. Acclaimed author Jennifer Brown brings readers a gripping novel about honesty and betrayal, redemption and friendship, attraction and integrity, as Ashleigh finds that while a picture may be worth a thousand words . . . it doesn't always tell the whole story.

In *Falling Out of Time*, David Grossman has created a genre-defying drama - part play, part prose, pure poetry - to tell the story of bereaved parents setting out to reach their lost children. It begins in a small village, in a kitchen, where a man announces to his wife that he is leaving, embarking on a journey in search of their dead son. The man - called simply the 'Walking Man' - paces in ever-widening circles around the town. One after another, all manner of townsfolk fall into step with him (the Net Mender, the Midwife, the Elderly Maths Teacher, even the Duke), each enduring his or her own loss. The walkers raise questions of grief and bereavement: Can death be overcome by an intensity of speech or memory? Is it possible, even for a fleeting moment, to call to the dead and free them from their death? Grossman's answer to such questions is a hymn to these characters, who ultimately find solace and hope in their communal act of breaching death's hermetic separateness. For the reader, the solace is in their clamorous vitality, and in the gift of Grossman's storytelling - a realm where loss is not merely an absence, but a life force of its own.

Oh, you get slammed for every snarky comment, cynical eye roll, and foot you put in your adversaries' way. The thing about stiletto heels is that they make a hell of a dent when you walk all over the people who try to hurt you. In Penn Scully's case, I pierced his heart until he bled out, then left it in a trash can on a bright summer day. Four years ago, he asked me to save all my firsts for him. Now he lives across the hall, and I want nothing more than to be his last everything. His parting words when he gave me his heart were that nothing in this world is free. Now? Now he is making me pay.

Segundo volume da aclamada série Perdida. Sofia está de volta ao século XIX e mais do que animada para começar a viver o seu final feliz ao lado de Ian Clarke. No entanto, em meio à loucura dos preparativos para o casamento, ela percebe que se tornar a sra. Clarke não vai ser tão simples quanto imaginava. As confusões encontram a garota antes mesmo de ela chegar ao altar — e uma tia intrometida que quer atrapalhar o relacionamento é apenas uma delas. Além disso, coisas estranhas estão acontecendo na vila e Ian parece estar enfrentando alguns problemas que prefere não dividir com a noiva. Decidida, Sofia fará o que estiver ao seu alcance para ajudar o homem que ama. Ela não está disposta a permitir que nada nem ninguém atrapalhe seu futuro. Porém, suas ações podem pôr tudo a perder, e Sofia descobre que a única pessoa capaz de destruir o seu "felizes para sempre" é ela própria.
